Do You Get Up With a Lame Back?

Kidney Trouble Makes You Miserable.

Almost everyone knows of Dr. Kilmer's Swamp-Root, the great kidney, liver and bladder remedy, because of its remarkable health restoring properties. Swamp-Root fulfills almost every wish in overcoming rheumatism, pain in the back, kidneys, liver, bladder and every part of the urinary passage. It corrects inability to hold water and scalding pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to go often through the day, and to get up many times during the night.

Swamp-Root is not recommended for everything but if you have kidney, liver or bladder trouble, it will be found just the remedy you need. It has been thoroughly tested in private practice, and has proved so successful that a special arrangement has been made by which all readers of this paper, who have not already tried it, may have a sample bottle sent free by mail, also a book telling more about Swamp-Root, and how to find out if you have kidney or bladder trouble. When writing mention reading this generous offer in this paper and send your address to Dr. Kilmer & Co., Binghamton, N. Y. The regular fifty-cent and one-dollar size bottles are sold by all druggists. Don't make any mistake but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

LOCAL BREVITIES

THE festival last Saturday night given by the Junior C. E. Society of Christ Church was quite a success. Misses Fannie Baker and Hope Sappington had charge of the little folks and all had a good time.

FROM some unknown disease S. D. McCullough, of the Sixth district, Cecil county, has lost three fine cows and 16 others are sick.

A HORSE belonging to Mrs. Merritt Pierce, of Mt. Pleasant, took fright at a children's express wagon in Rising Sun, ran away and demolished the buggy.

JOHN W. TAYLOR, one of the best known farmers of central Kent county, whose farm near Magnolia, Del., is an exemplification of the success of scientific farming, has already picked and shipped 8,000 bushels of fine Red Astrakan apples from his orchards.

WHILE the average yield of tomatoes will not exceed four or five tons per acre there are some growers who have had remarkable yields. A Double Creek trucker got eleven tons per acre and Mr. Jesse H. Usilton, of Worton, shipped nearly twelve tons per acre.

A VERDICT for $282 has been obtained in the City Court, Baltimore, by Capt. Solomon Foxwell against his son-in-law, and cousin, Capt. H. Webster Foxwell, in the former's suit to recover payment for board for the latter's wife and three children from May 4 to November 1, 1908. A fee of $25 was allowed to Wm. Colton, attorney for Captain Solomon Foxwell, and will be included in the verdict. Both parties to the suit are well-known captains of bay craft and are natives of Queenstown, Queen Anne's county.

An editor in one of the adjoining states got a marriage notice and a grocery advertisement mixed to read as follows: "John Brown and Ida Gray were united in holy saurkraut by the quart or barrel. Mr. Brown is a well known young codfish at 10 cents a pound, while Miss Gray, the bride, has some nice pigs feet which will be sold cheaper than any in town."

Mr. James Cheers, of Crumpton, one of the largest truckers in Queen Anne's county, reports the sweet potato crop will be about one half. On a tract which yielded 1,000 baskets last year Mr. Chairs will not harvest more than 500 baskets this season. The late melon crop will not produce more than one-third.

ONE of the administrators of the McKenny estate, which embraces more than 50 farms in Queen Ann's county, reports all crops will be considerably below average. Register of Wills Robt. W. Thomas has one of the best prospects for a corn crop in the county, but his yield will be below the average. Many farmers have already sold off and will engage in other business the coming year while others are taking their palces.

A LIST below will show the successful ones who have and will secure dinner sets at H. F. Jefferson's by returning the following numbers: Green, No. 39, Mrs. S. E. Ford; grey, No. 1669, Mrs. Arnold Willis; salmon, No. 241, Mrs. Tilden Brice; blue, No. 310, Mrs. Mary C. Usilton; light blue, No. 311, Mrs. Dr. Sheppard; pink, No. 414, Mrs. George Rash; salmon, No. 116, yellow, 470, and light grey, No. 72, to be called for.

To Democrats!

Next Tuesday, October 5, is the last Registration Day. If not registered go and attend to it. If you have moved into a new district, get a transfer. DO IT AT ONCE.

A Remonstrance From Townsend.—A petition has been filed with the clerk of the peace asking the judges of the Court of General Sessions to not grant a liquor license to Charles Armstrong, the applicant for a license at the hotel in Townsend. This hotel has been refused a license on several occasions during the past few years. The petition requesting the license to not be granted is said to be signed by 105 voters out of 168 in that school district. While this is the only remonstrance filed, others are expected, as the time for filing remonstrance has been extended until next Monday. The other side will have until Friday of next week to make answer.

"Lung Fever," the Veterinary said. A Post Mortem proved it to be Worms. This happens in thousands of cases every year, all over the country. But Horses that are regularly fed Fairfield's Blood Tonic for Horses Only, never have Worms and never get Lung Fever.
