BALTIMORE MARKETS.

Corrected from the "American," of Thursday.

Wheat—Good and prime lots of both white and red Wheat continue in good demand for milling. Sales reported of white at 133a160 cents, and good and prime Southern red at 130a131 cents per bushel. The market closes quite firm at our quotations, viz:—common to medium white 125a135 cts., fair to good do. 145a 150 cts. and prime to choice do. 155a160 cents. Corn—The export demand for Corn was active, and prices of good and prime lots of both colors advanced 1 cent per bushel. Sales of prime white at 62 cents; fair and good do. at 60a61 cts. prime yellow at 57 cts., and fair and good do. at 55a56 cents per bushel. Oats—Sales reported at 38 cents.

A SINGULAR PROPHECY.—The following circumstance, says the Richmond Whig, recently occurred at Pensacola, and its truth is vouched for by a trustworthy officer of the army:

A soldier in the Confederate service fell into a long and profound sleep, from which his comrades vainly essayed to arouse him At last he woke up himself. He then stated that he should die the next afternoon at four o'clock, for it was so revealed to him in his dream. He said in the last week of the month of April would be fought the greatest and bloodiest battle of modern times, and that early in May peace would break upon the land more suddenly and unexpectedly than the war had done in the beginning. The first part of the prophetic dream has been realized, for the soldier died the next day at four o'clock P. M. Will the rest be in April and May? Let believers in dreams wait and see.

MUST ALL BE ONE PEOPLE —The Louisville Journal, in a long article upon the subject of a division of the Union, closes in the following forcible sentences. It says:

"We acquired Louisiana because we were resolved that the Lower Mississippi should not be possessed and controlled by any other Government than our own, and beyond all question we are still more deeply resolved upon this now than we were then. So long as our people, the people of the mighty West and Northwest, have the strength to strike a blow, they will never consent to any treaty of peace placing the Lower Mississippi under a foreign sovereignty. In fact there is no earthly truth more certain, more indisputable, than that, however desolating and terrible the war may be, there can never be peace in this country until what was one country shall be again one country. It may be a republic, it may be a kingdom, it may be a despotism, it must and will be one. The whole people North and South may as well make up their minds to that at once."

SEVERE LOSSES.—In the battle at Pittsburg Landing, Iowa suffered terribly; she had ten regiments in the field. The Sixth Iowa had 237 killed and wounded. The Twenty-first Missouri lost nearly 500 men killed and wounded. The Eighteenth Wisconsin left their State the week before the battle, entered the fight with 960 rank and file, fought both days, and lost 500 men; lost all the field officers, colonel and major, seven captains, and fifteen lieutenants. The Fifteenth Michigan lost 300 men. The Eleventh Illinois, fearfully cut up at Fort Donelson, lost 240 killed and wounded.

DEATH OF A WELL-KNOWN MUSICIAN.—Mr. Philip Linhard, the well-known leader of Linhard's Band, died in Baltimore, of consumption, on the 19th instant, aged thirty-three years.

Oyster and Eating Houses.—The license to be paid by the keepers of oyster and eating houses is $50 throughout the State.

Females vending millinery and other small articles whose stock in trade is not over $500, pay a license of $6.00 only; but if over that amount, they are required to pay the same as other persons—oath to be made to the amount of stock at the principal season of the year.

The Clerk shall not issue license to any person to sell spirituous or fermented liquors from whom the grand jury has recommended a license to be withheld, or to a person whose license has been suppressed by the Court, without the special order of the Court.

The 86th section of the code, which required an applicant for license to open oyster and eating houses, to procure the recommendation of two neighbors, freeholders, and also to make oath before the Clerk of the Circuit Court, &c., as to the annual value of his house, is repealed.

The owner or keeper of every stallion or jack shall, before being permitted to stand or station such animal, pay to the clerk of the Circuit Court of some one of the counties in this State, the highest sum which he intends to ask or receive for the season of one mare; and the receipt of the said clerk, with the seal of his court attached thereto for said sum, shall be the license for stationing or standing such stallion or jack for one year from the date thereof; Provided, that in no case shall the sum directed to be paid by this section for such license, be less than ten dollars; and that every stallion or jack upon which the said tax is paid, shall be exempt from all other State tax

Section 104 provides that, upon information being given upon oath to the Sheriff of any county in which such animal is stationed or standing, that the owner or keeper is standing such animal without license, the sheriff shall distrain for the same by seizing such stallion or jack, and make sale of the same for the amount thus forfeited.

The following section relating to Hawkers and Pedlers, was passed by the General Assembly of Maryland, at its January Session, 1862:

Sec. 21. For every such license, not to extend beyond the county in which the same may be issued, there shall be paid the following rates, to wit: for every license to travel on foot, the sum of forty dollars; to travel with a horse or other beast of burden and wagon or other vehicle, the sum of fifty dollars; with two horses or other beasts or burden and wagon or other vehicle, the sum of seventy dollars. For every such license to extend over the whole Eastern Shore or the whole Western Shore, to travel on foot, the sum of sixty dollars; to travel with one horse, the sum of one hundred dollars; with two horses or other beasts of burden and wagon or other vehicle, the sum of one hundred and fifty dollars. No such license shall be granted to any other than a white person; and but one person shall act under any such license.
