SOLD BY REPRESENTATIVE DEALERS

To the Farmers and Usres of Fertilizers

During 1907 we increased our sales and in 1908 we had quite an increase over 1907, and in January, 1909, we incorporated as the PEERLESS FERTILIZER COMPANY, and our spring sales this year show an increase of nearly 300 tons over last spring which not only included our old customers but many new ones. This we state not boastfully, but gladly.

In the new customers that came to us were through the recommendations of those who had used our fertilizers for years, and we also sold largely to those who began buying of us from 10 to 35 years ago when we began business and who are still our satisfied patrons and say they expect to continue to deal with us as long as we manufacture the class of goods we do.

Such conditions involve much more than price, mere reputation or salesmanship Selling year after year to a man and through that man selling others is decidedly a different story than selling him once or possibly twice. Anyone can do the latter.

WE MAKE EACH TON OF FERTILIZER THE BEST WE KNOW HOW. We know how now better than we knew ten years ago and expect to know still better ten years hence. if careful study and testing bring improvement in the future, as in the past, and at the lowest possible cost for such service is the way we expect to secure and hold your orders

May we show you with the very next bill of fertilizers you buy.

Any person who feels aggrieved by the action of any board of officers of registration in refusing to register him as a qualified voter, or in registering any disqualified person, may at any time, either before or after the last session of the board of officers of registration, but not later than the Tuesday next preceding the election, file a petition, verified by affidavit, in the Circuit Court for the county in which the cause of complaint arises, or, if the cause of complaint arises in Baltimore City, in any court of common law jurisdiction in said city, setting forth the grounds of his application and asking to have the action of the board of officers of registration corrected. The court shall forthwith set the petition for hearing and direct summons to be issued requiring the board of officers of registration complained against in said petition to attend at the hearing in person or by counsel, and where the object of the petition is to strike off the name of any person, summons shall also be issued for such person, which shall be served by the sheriff within the time therein designated; and said several courts shall have full jurisdiction and power to review the action of any board of officers of registration and to grant or withhold, as it may deem lawful and proper, the relief prayed for in the premises.

In determining whether any person who applied to be registered under the above fifth clause of this section was or was not entitled to be registered under said fifth clause, the court shall require the board of officers of registration complained against to produce the written application prepared and submitted by such person at the time he presented himself for registration to said board of officers of registration, and upon said written application the court shall determine whether or not said person, when he presented himself for registration, complied with the requirements of said fifth clause; and if the court shall determine that said written application, so prepared and submitted by said person, complied with the requirements of said fifth clause, and that said person was not disqualified under any other provision of this Article of the Constitution to be registered upon the books of registry in question, then the Court shall order said person to be registered as a qualified voter, but if the court shall determine that said written application of said person failed to comply with the requirements of said fifth clause, or that said person was in any other respect under this Article of the Constitution disqualified to be registered upon the books of registry in question, then the court shall order that said person shall not be registered upon said books of registry.

The court may enforce any order by attachment for contempt in said cases; neither party shall have any right of removal; exception may be taken to any ruling of the court at the hearing of said cases and an appeal shall be allowed to the Court of Appeals as in other cases; all such appeals shall be taken within five days from the date of the decision complained of, and shall be heard and decided by the Court of Appeals upon the original papers, or otherwise, as the Court of Appeals may by rule prescribe, as soon as may be practicable.

The General Assembly shall have power to provide more fully by legislation not inconsistent with this section of this Article, for the hearing and determination of all such cases.

Sec. 2. And be it further enacted by the authority aforesaid, That the aforegoing section hereby proposed as an amendment to the Constitution of this State shall be at the next General Election for members of the General Assembly to be held in this State, submitted to the legal and qualified voters thereof for their adoption or rejection, in pursuance of the directions contained in Article XIV of the Constitution of this State, and at said general election the vote on the said proposed amendment shall be by ballot, and upon each ballot there shall be printed the words "For the Constitutional Amendment" and "Against the Constitutional Amendment" as now prescribed by law, and immediately after said election due returns shall be made to the Governor of the vote for and against said proposed amendment, as directed by the said Article XIV of the Constitution.

Approved February 25, 1908.

Turned Turtle.—An automobile belonging to Rev. Thomas Holt of Denton is lying under three feet of water in Watt's creek and the parson has gone back to using a horse and buggy. Sunday he had as passengers two other preachers and when he struck the hill leading to the bridge he threw in the low gear, but the steering rod became caught and the machine ran off the bridge and turned turtle into the creek. By a miracle nobody was hurt beyond a few scratches, but all had a ducking.

CONSULT US ABOUT YOUR PAINTING

Before painting it is advisable to post yourself as thoroughly as possible on every phase of the subject. We help you do that.

The mischief caused by covering your house with an inferior paint is hard to undo. Poor material makes painting a bugbear instead of the joy of beautifying the home that it should be. With our advice you need run no risk. A paint made of

LEWIS PURE WHITE LEAD

and pure linseed oil will give that fine, smooth, tough film, elastic and yet so rooted into the wood fibre as to seem like a part of the wood itself.

Such a paint is as durable as it is beautiful, and leaves the best possible foundation for repainting.
