INTERESTING READING!

THE EARTH IS FULL OF GOOD THINGS, and each century puts on record many new and useful things for our benefit and enjoyment. The 19th Century, among other things, gave us the New Metal, Barium, which by the manipulation of Oliver D. Goodell, of Baltimore, Md., produced what is now known as CARRARA PAINT, which is surely and fast superceding our old paint (White Lead). See cut below.

Poor White Lead—CARRARA killed him. White Lead has been a faithful servant for 150 years—**But Carrara is now superceding it as a House Paint.**

Chestertown Endorsement of Carrara Paints.

Mr. Joseph Guest, Dear Sir:—Upon the recommendation of Mr. John Marshall, of Baltimore, Md., builder of John Hopkins Hospital, whom I know to be a thoroughly truthful man, I used your Carrara Paint on my dwelling and found it to be all that is claimed for it, and I take pleasure in recommending it to everybody. I can say I am especially pleased with the Paint. Yours truly, CURTIS E. CRANE.

CARRARA PAINT is therefore our subject for consideration at this present time.
CARRARA PAINTS will not Blister, Peel, Chalk, Crack, Powder or Fade.
CARRARA PAINTS are not affected by Acids, Gases, Grease, Salt or Temperature.
CARRARA PAINTS hold their color, are elastic, non-porous, bear scouring without destroying gloss, and is non-poisonous (no more Lead Colic). And last, but most important, it covers more surface than Lead Paint, and is therefore cheaper. Try it for yourself and be convinced.

TOLCHESTER BEACH OPENS NEXT WEEK.

The Season of 1903 Promises Great—Big Tournament on July 24—The Fair in August.

The season at Tolchester Beach will commence next Thursday when the daily boat will begin. Scores of excursions have been booked and the prospect is for a very prosperous season at the popular Kent resort. Supt. Noland is having the grounds and buildings put in condition by his force of carpenters, painters and workmen and several improvements are being made.

One of the events for the season will be a grand tournament and ball on Friday, July 24. This tournament will be open to all and the prizes will be for $250.00 in cash. The Knights will all be in uniform. This promises to be a big day. Kent's Knights had better commence to practice at once and make sure the crowned queen will be one of Kent's fair daughters.

The catalogue of the Kent and Queen Anne's county fair at Tolchester on August 25, 26, 27 and 28 is being sent out this week. The list of premiums to be competed for is generous and covers everything raised and made in Kent. The trotting feature of the Fair is also well taken care of in the four days racing. The purses have been arranged this year so that good races will be had and not so many "walk-overs" and combinations. Running races and mule races will also be features.

THE big boys' show will open in Eliason's lot to-day there being 13 acrobats, employes, &c. Simon Westcott's show exhibited last Saturday in Mr. G. B. Westcott's cellar.

Miss Alice Bailey, of Atlanta, Ga., tells how she was permanently cured of inflammation of the ovaries, and escaped the surgeon's knife, by the use of **Lydia E. Pinkham's Vegetable Compound.**

The universal indications of the approach of woman's great enemy, inflammation and disease of the ovaries, are a dull throbbing pain, accompanied by a sense of tenderness and heat low down in the side, with occasional shooting pains. On examination it may be found that the region of pain will show some swelling. This is the first stage of inflammation of the ovaries.

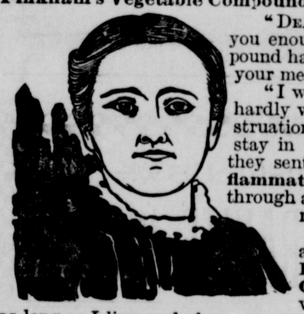
"DEAR MRS. PINKHAM:—I wish to express my gratitude for the restored health and happiness **Lydia E. Pinkham's Vegetable Compound** has brought into my life.

"I had suffered for three years with terrible pains at the time of menstruation, and did not know what the trouble was until the doctor pronounced it **inflammation of the ovaries,** and proposed an operation.

"I felt so weak and sick that I felt sure that I could not survive the ordeal, and so I told him that I would not undergo it. The following week I read an advertisement in the paper of your Vegetable Compound in such an emergency, and so I decided to try it. Great was my joy to find that I actually improved after taking two bottles, so I kept taking it for ten weeks, and at the end of that time I was cured. I had gained eighteen pounds and was in excellent health, and am now.

"You surely deserve great success, and you have my very best wishes."—MISS ALICE BAILEY, 50 North Boulevard, Atlanta, Ga.

Another woman saved from a surgical operation by Lydia E. Pinkham's Vegetable Compound. Read what she says:—



"DEAR MRS. PINKHAM:—I cannot thank you enough for what your Vegetable Compound has done for me. If it had not been for your medicine, I think I would have died.

"I will tell you how I suffered. I could hardly walk, was unable to sleep or eat. Menstruation was irregular. At last I had to stay in my bed, and flowed so badly that they sent for a doctor, who said I had **inflammation of the ovaries,** and must go through an operation, as no medicine could help me, but I could not do that.

"I received a little book of yours, and after reading it, I concluded to try **Lydia E. Pinkham's Vegetable Compound,** and I am now a well woman. I shall praise your medicine as long as I live, and also recommend the same to anyone suffering as I was."—MRS. MINNIE OTTOSON, Otho, Iowa.

All sick women would be wise if they would take Lydia E. Pinkham's Vegetable Compound and be well.
