

Imagine the happiness of the women who get Hoosier Cabinets this Holiday season

Think of the joy of preparing over a thousand meals a year with a saving of half the time and

Your wife will appreciate this Hoosier Cabinet as a million other women do.

You may not know why the Hoosier has such a marvelous sale-but she knows.

She knows about the sanitary sliding table of pure aluminum or porcelain-the spotless white cupboards uncluttered by partitions. She knows how the utensil tray and deep metal drawers save time, how the shaker flour sifter avoids grit and won't wear out; how the metal caster sockets make it easy to move without breaking casters. The food guide, calendar and pencil holder are among the 40 labor-saving features that give the Hoosier unrivaled supremacy for her.

So we gladly guarantee that if she isn't delighted with the Hoosier for Christmas we'll refund every penny.

And you can start now on the remarkably liberal terms of \$1 down and \$1 per week.
