Town Lots For Sale,
In Still Pond,
Kent County, Maryland.

I WILL SELL the above Lots in this very flourishing Village, it being a fine location for all kinds of Mercantile and Mechanical operations, being situated near the centre of the county and thickly settled by industrious and independent Farmers, (nearly every one owning their farms,) and having the advantage of steam and sail boat communication to Baltimore and Philadelphia, it being from two to two and a half miles from Betterton, a prominent Landing at the mouth of the Sassafras River and Chesapeake Bay. If offers inducements for all kinds of MECHANICS AND TRADERS. It is a particularly good stand for a HOTEL, as there is considerable travel during Summer to and from Philadelphia and Baltimore, during the immense Peach season—and would be one of the best stands in the State for an extensive PEACH CANING ESTABLISHMENT, as the neighborhood and county abound with the *finest* kind of fruit; also, for a Lumber and Coal Yard, Produce Store, Foundry and Machine Shop, Carriage Maker, Saddler and Harness Maker, Butcher, Tanner, (a lot well adapted for one, as there is not one in the county,) Cooper, Carpenter, Painter, &c, &c.; in fact, for any and all kinds of industrious and enterprising men. There is a fine large Methodist Church and a good Primary School in the place. One of the first physicians in the county resides here. Three miles from a Protestant Episcopal Church, 9 miles from the County Seat (Chestertown,) and is considered one among the richest, healthiest and most productive parts of the County and State.

I will sell from 10 feet square to 20 to 25 acres in lots to suit, or if the right sort of an enterprising man or men will come and examine and see the advantages, I will sell the whole so there can be a safe and profitable investment.

NOTICE TO TAX-PAYERS!

YOUR TAXES FOR 1862 ARE NOW DUE, and the Collector for the Second Tax District of Kent county, hereby gives notice that the tax books are in his hands, and the amounts due by the Tax Payers are made out and he is ready to receive them. He most respectfully solicits prompt payment, as the demands upon the Collector for this year, both by the State and County, will not permit indulgence as heretofore. If Tax-Payers desired, there would be no difficulty in settling their Taxes promptly; but neglect of duty often is the cause of expense which in many cases exceed the Taxes itself.

The demands of the State this year, however, must of necessity be met more promptly than heretofore and the wants of those who have claims against the County will compel the Collector to be more rigid in his collections. He hopes, however, that the Tax-Payers will be prompt in their payments, and thus avoid the penalty for neglect of duty.

For the convenience of Tax-Payers, I will be in Chestertown every TUESDAY, THURSDAY and SATURDAY. Office in the Commissioners' Room, at the Court House.

☞A discount of 5 per cent. is allowed on all State Tax paid on or before Sept. 1st; 4 per cent. if paid on or before October 1st; and 3 per cent. if paid on or before November 1st, 1862.

As the State Tax is far greater than heretofore, persons would do well to avail themselves of the discount.

PERE L. LYNCH,
oc4tf. Collector 2nd District.
