DEATHS.

In the city of Philadelphia, on Sunday last, Mrs. SUSAN PRIMROSE, aged about 54 years and widow of the late Wm. Primrose of Queen Anne's county.

In Chestertown on Wednesday last, the 25th inst., Mrs. ANNA MARIA HAMILTON, in the 67th year of her age.

In Chestertown, on the 24th inst., HARRIET EMMA, eldest daughter of David A. and Hannah A. Benjamin, aged 7 years, 8 months, and 6 days.

Grieve not fond parents, for thy loss
Is her eternal gain,
She's gone to rest on Jesus' breast,
Away from sin and pain.

Rejoice, fond ones, rejoice to know
She's now in that bright home,
With angels singing Jesus' love
Around her Father's Throne.

In Chestertown on the 25th inst., of inflammation of the brain, ROBERT SAULSBURY, aged two years, three months, and five days, son of Wm. T. and Sarah C. H. Pearson. [Denton papers and Balt. American please copy.]

"Earth to earth, and ashes to ashes,"
We lay little Robbie down to rest,
Over his tomb the rain will come dashing,
Falling in wavelets over his breast.
There where Robbie is calmly sleeping,
There where the winds go murmuring by,
Over his grave unceasingly weeping,
Till dear little Robbie reigneth on high.

"Earth to earth, and ashes to ashes,"
Eyes dark blue and bright curling hair,
There where winds so lonely are roaring,
Laid we the gentle, the good and the fair.
Where the bright flowers of Spring will be blooming,
In the cold earth we left him alone,
Up so Heaven our darling goes singing,
Up by the angels our darling was borne.

In Chestertown, on the 14h inst., JAMES P., aged 6 years, 3 months, and 19 days; and on the 21st. ELLA G., aged 8 years and 8 months, only children of James A. and the late Elizabeth Hamilton.

Thus in the brief space of one week have passed away from earth these two dear and interesting children—the only ones of the family. The mother had been removed in peace to the better land a few years before, and doubtless ere this their happy spirits have experienced a glorious reunion, where separation is unknown forever. It is hard to part with our dear little ones, but we should always remember that they are far happier in the society of Him who has said "Of such is the kingdom of heaven," than they could ever possibly be on earth. Besides, the separation need not be long. "We can go to them." And when one of the parents, particularly the MOTHER, as in this case, has "passed on before," they should be given up with far less reluctance. For think ye that the mother in heaven forgets her children on earth—that she does not long with intense desire to embrace and to kiss them again? And if, in answer to her request, they should be released from earth and restored to her society in heaven, the surviving should bow in humble resignation to the holy mandate. All that now remains to make the family circle complete is the presence of the father in heaven. May he so live that when the summons for him shall come he may go to enjoy the society of his dear companion and children forever. * *

PROCLAMATION!

BE IT KNOWN and remembered that JOS. V. SMITH has removed from his old place of business and permanently located himself and family in Chestertown, where he intends, in connection with his father, ROBERT SMITH, to carry on in all its departments, the CLOCK, WATCH and JEWELRY BUSINESS. Robert & Joseph V. Smith are well known to the citizens of Kent and the adjoining counties, the former having moved to this county when but a young man, and the latter was raised in this neighborhood, and after an absence of many years and a long practical knowledge of the business, we come back and solicit your patronage. It is useless to use the names of any one as reference for we are both well known to most of the citizens of this county, (as well as Queen Ann's,) and the people know that they can trust us with all kinds of work, and the better the watch, or clock, the more easily it is for the practical workman to give satisfaction.

R. Smith & Son,
(SUCCESSORS OF J. FRANK MORGAN.)

Have greatly increased the stock as kept by the former, and now offer all kinds of GOLD and SILVER Hunting and open-faced English and American WATCHES, and pledge ourselves to sell them as low as they can be purchased in the city. We keep on hand a large stock of all kinds of CLOCKS, also Silver, Albata and Plated Ware, such as Spoons, Sugar Tongs, Castor Stands, Goblets, Butter Knives, and all things usually found in connection with Watches, Clocks, and Jewelry. The latest styles of JEWELRY, Onix Chains, fine Studs and sleeve Buttons, gold silver and gilt; guard, vest and fob chains, and a very large stock of ordinary Jewelry.
