SHALL WE SEND YOU A

Wonderful Picture

costing Hundreds of Dollars, of the Great Baltimore Harbor as it looks after being built up since the Great Fire in 1904, with its Fifteen Million Dollar Piers?

This picture was taken from the top of the Emerson's Bromo Seltzer Tower, 510 feet high, and shows the big river and ocean going vessels, a vast portion of the city, the entire harbor, the Eastern Shore of Maryland and miles and miles of surrounding country.

IF YOU LIKE IT

tell us so. It is the front cover of J. Bolgiano & Son's 1912 Catalogue. It plainly shows Bolgiano's new Pier and Warehouses and Bolgiano's Seed Store, both on the water front.

IT'S FREE.

Although Bolgiano's 1912 Catalogue cost many thousands of dollars to produce, having over 300 half-tone illustrations, we will send it free to those who plant Garden Seeds, Field Seeds or Flower Seeds, or users of Poultry Foods or Supplies; but we cannot afford to give it free to those who do not use these items. The edition is limited—so send for one to-day—before they are all gone.

FOR A TWO-CENT STAMP

we will also send a 25c Poultry Record for one year.

SAW MILL.

ARE THE ROSES KILLED?

Grave fears are felt by the growers of fine roses lest the severe winter has killed many of the bushes. An examination by Mrs. S. Sparks, Mrs. J. H. Simpers, Mrs. Wm. B. Usilton, Miss Fannie Baker, Miss Gussie Cannon, Mrs. C. N. Satterfield and others discloses a serious condition among the beauties. Gen'l Jack and some other hardy roses seem to be showing life but in most cases there is no sign of life.
