Bad Weather Fails To Prevent First Performance of New Organization

Worton, Md. One of the worst evenings of the winter failed to prevent the first performance of the Junior Choral on Thursday evening at Lyceum Theatre. Although the bad weather kept away nearly all of the crowd that would doubtless have come from the country, the theatre was more than half filled by Chestertown people, anxious to hear and see the new organization, Mrs. Miriam Sheppard Davidson is, without a doubt, an artist in her line, and as director of the Junior Choral she had drilled the children, in the few weeks the Junior Choral has been organized to such an entent that they have reached a high state of perfection, while the local artists who participated, well known for their ability,

GUNNING ACCIDENT

Mr. William Dixon Loses Two Fingers When Gun Is Accidentally

The first gunning accident that has come to our notice in Kent this year occurred at Green Point Farm, Worton Point, Thursday of last week, when Mr. William Dixon los two fingers as a result of a gun being accidentally discharged.

Mr. Dixon, after killing a rabbit, set his gun in his auto and was on his way home when the gun fell and exploded the shell in it. Dr. H. G. Simpers was compelled to amputate the two small fingers on the right hand, while several others were-

severely lacerated. Mr. Dixon is now doing as well as can be expected.
