Mrs. Lela Love, wife of Wiley Love, a farmer living near Covena, Ga., says: "I have taken Foley Kidney Pills and find them to be all you claim for them. They gave me almost instant relief when my kidneys were sluggish and inactive. I can cheerfully recommend them to all sufferers from kidney troubles." Sold by M. A. Toulson, druggist.

Helped To Keep Down Expenses

Mrs. J. E. Henry, Akron, Mich., tells how she did so: 'I was bothered with my kidneys and had to go nearly double. I tried a sample of Foley Kidney Pills and they did me so much good that I bought a bottle, and feel that they saved me a big doctor's bill." Sold by M. A. Toulson, druggist.

FOR THE WOMAN WHO THINKS AND FEELS.

Some women complain that they periodically suffer from dull and heavy feelings, or dizziness in the head, nervousness, pain and bearing-down feelings which should not occur to the normal healthy woman. But most every woman is subject to these pains at some time in her life, due to abnormal conditions in life, such as corsets, over-taxed strength, bad air, poor or improper food, wet feet, sluggish liver, etc. A regulator and female tonic made from native medicinal roots with pure glycerin, and without the use of alcohol, called

DR. PIERCE'S FAVORITE PRESCRIPTION,

has proven its value in thousands of cases, like the following:

MRS. MARTIN.

MRS. DONA M. MARTIN, of Auburn, Nebr., Route 1, Box 84, says: "I thought I would write you in regard to what your medicines have done for me. I have used them for thirty years for female trouble and general weakness with the very best result, and they have saved me hundreds of dollars in doctors' bills. I buy the 'Favorite Prescription' and 'Golden Medical Discovery' and take them together. I never was disappointed in your remedies and take pleasure in recommending them to any suffering lady. I am now almost fifty years old; at forty-five I took your medicines, both kinds, and I passed that period very easily and left me fat and healthy. I feel like a young girl.

"If any lady cares to write me, I will gladly tell her more about the good work of your medicines."

DR. PIERCE'S GREAT FAMILY DOCTOR BOOK, The People's Common Sense Medical Adviser, newly revised up-to-date edition—of 1008 pages, answers hosts of delicate questions which every woman, single or married, ought to know. Sent *free* in cloth binding to any address on receipt of 31 one-cent stamps, to cover cost of wrapping and mailing only.

"Sell To-day," the Merchant Telephones

The up-to-date farmer now keeps in touch with the markets by telephone and sells only when top prices are offered.

One successful trade made at the RIGHT time, will pay for your telephone for years.

No single piece of farm equipment is more important, in its all-around usefulness and profit possibilities, as the TELEPHONE. If YOU haven't one, write to-day for our new booklet, "What Uncle Sam Says about the Rural Telephone." It is free.

Jersey Devil in Fisherman's Net.

Two shad fishermen of Gloucester, N. J., last Saturday caught what old fishermen think is a genuine "Jersey Devil," that an alleged cross between an alligator and a cow which made so much talk a few years ago. The creature caught by the fishermen is worse in appearance than any summer resort sea serpent ever invented. It has horns and feet and the teeth of a dog; scales like a fish and a temper like that of a bull when he sees a red dress. The fishermen got the "critter" in their shad net. It made a spring at one of the men, knocked him down and was going at him, when the other man came to the rescue with a marlin spike and killed the freak. The two fishermen took the strange animal ashore and exhibited it. It is five feet four inches from the end of its horn to its tail; the head resembles that of a snapper; it has 20 teeth, [illegible] in front long and pointed like a [illegible] its scales are one and two [illegible] long, and it has four feet on [illegible] it would, if alive, be able to stand [illegible] hes from the ground. Its tail is [illegible] that of an alligator. One of the fishermen packed the freak in ice and sent word to Washington for experts to visit Gloucester City and look the beast over. "I'll give up fishing altogether," said one of the fishermen, "if the experts tell us 'whiffenpoofs' like that are common in Jersey waters. I was scared to death when it jumped on my partner."

They Put An End To It

Charles Sable, 30 Cook St., Rochester, N. Y., says he recommends Foley Kidney Pills at every opportunity because they gave him prompt relief from a bad case of kidney trouble that had long bothered him. Such a recommendation, coming from Mr. Sable is direct and convincing evidence of the great curative qualities of Foley Kidney Pills. Sold by M. A. Toulson, druggist.
