Heavy Brown and Bleached COTTONS, Osnaburgs, Domestic Plaids, Drills and Cottonades, Ginghams, new styles Spring Calicoes, Table Damask, Crash, &c.

WICKES & BRO.

HAVE received per Steamer, during the current week, a very large purchase of all the above named Goods, bought at the lowest figures, and would respectfully remind their Trade of the uselessness of any further delay in laying in their necessary supplies, as the market for all HEAVY STAPLES, presents a continued upward tendancy in prices, and with but little prospect of any change being at hand.

The "Old Stand," on Queen St.

I ADVERTISED a week or two since that the Old BAKERY on Queen Street had again been opened, and that I had made an arrangement with Mr. JOHN WAIBEL by which I was prepared to serve the public with fresh Bread, Cakes, &c., and as it has been stated that "there is no Bakery in Queen Street," I take this method of again announcing the fact that the OLD STAND ON QUEEN STREET *IS* OPEN, notwithstanding the gratuitous assertion to the contrary. I am prepared to furnish the public at all hours of the day with FRESH BREAD, CAKES, PIES, &c., which for QUALITY cannot be surpassed in Kent County.

Mr. JOHN WAIBEL is a *practical* Baker, and as such has established for himself a good reputation, that others, though jealous of, cannot take from him.

Those in want of anything in this line are invited to call and satisfy themselves of the facts above stated. JULIUS OEHME

There is on this property a good FRAME DWELLING HOUSE and Kitchen attached. Also, a Stable and small Barn.

The most of this land is arable, there being a few acres, which with a small amount of labour, could be converted into a valuable Meadow. There is also a stream of water running through the farm. The soil is naturally fertile, easily improved, and with moderate liming would become very productive.

There are about 18 Acres in wheat, which will be reserved by the Trustee, and the Dwelling will be occupied by Mr. Wroth during the present year. A partial arrangement has been made for the cultivation of one field in corn.—The benefits of this arrangement, if completed, will be transferred to the purchaser, who will be entitled to all the rents and profits, except the wheat, and can take immediate control of the property.

A survey has been made of these tracts of land, and the Plots can be seen at the office of the undersigned.

THE TERMS OF SALE:

One-third of the purchase money to be paid in cash on the day of sale, and the residue in six, twelve, and eighteen months. The credit payments to bear interest from the day of sale, and to be secured by the bond of the purchaser with security to be approved by the Trustee.

PROCLAMATION
By the Governor.

STATE OF MARYLAND,
EXECUTIVE DEPARTMENT,
ANNAPOLIS, Feb. 8, 1864.

TO MARYLAND VOLUNTEERS, PROPOSING TO ENLIST IN THE MILITARY SERVICE of the UNITED STATES.

I HAVE the satisfaction of announcing to you the fact, that the General Assembly of the State has just passed an act authorizing the payment of a liberal bounty in addition to that already offered by the General Government.

To every volunteer, except slaves, who will enlist before the *first of March* next, for three years, in regiments or batteries already existing or to be hereafter organized, the *State will pay a bounty of Three Hundred Dollars*, of which one hundred and fifty dollars will be paid when the volunteer is mustered into service; twenty dollars per month, at the end of every month, for five months thereafter, and the residue, viz: fifty dollars, at the end of his term of service, or whenever honorably discharged therefrom.

To volunteers who have already been six months in the service the same payments will be made as above, with an additional $25 at the end of their term of service, or whenever honorably discharged.

To the owner of every slave enlisted as aforesaid, $100 will be paid by the State when such slave is with the owner's consent mustered into service and the owner has executed and filed in the proper office a valid deed of manumission of such slave.

To the slave himself so enlisted, $100 will be paid by the State, of which $50 will be paid when he is mustered in and a like sum when he is discharged from the service. In case of the death of any volunteer whilst in service, leaving wife or children, the residue of the bounty above provided remaining unpaid at his death is secured to the use of such wife or children, except when they are slaves.

The assurance of these additional bounties to those already provided by the Government will, I trust, ensure such a prompt response on behalf of our citizens as will enable Maryland, without the necessity of a further draft, to supply her proportion of all that is required to deal the last blow at this Rebellion.

It will be in my power, I hope, to announce in a few days the quota of each county, and of the city of Baltimore, of the number of volunteers last called for by the President, and these counties and the city will be credited respectively, with all the volunteers so enlisting, and the above mentioned bounties will be disbursed by the Treasury through their local authorities. They will be furnished hereafter with the proper forms of certificates, &c., to enable them to draw upon the Treasury. In the meantime, let it be borne in mind by all that the State bounties above mentioned, as well as the bounty of the Government, WILL ONLY BE PAID TO THOSE ENLISTING BEFORE THE FIRST OF MARCH NEXT.

WM. B. HILL,
