CECIL'S NEW TAX RATE $1.25

Increase of Twenty Cents Over That of The Year of 1911.

Elkton, Md., June 22.—The County Commissioners of Cecil county in special session today fixed the tax rate at $1.25 on the $100, an increase of 20 cents over the rate of last year. The State rate is 23½ cents on the $100.

The county basis is $15,865,940, which is an increase of over $1,500,000 due to a reassessment of both real and personal property. The State basis is $15,556,053. The increase in tax rate is due to the raise in the items for roads, school and new bridges, elections and bills payable. This county borrowed $25,000 in order to repair the damage done the roads in the big rains of early Spring.

HICKS' FORECASTS FOR JULY.

A reactionary storm period centers on the 3rd, 4th and 5th. The last stages of a regular storm period, starting the closing days June, will barely have subsided before the barometer will again fall, the temperature rise, cloudiness ensue, and showers will pass eastwardly across the country. These conditions will be prolonged, culminating in excessively high temperature, with thunder storms in many sections on the 6th, on which date the Moon crosses the celestial equator. A brief change to cooler, with moderate rise of the barometer, will follow these disturbances.

A regular storm period is central on the 9th, involving the 8th to 12th, inclusive. The center of a mercury period falls on the 12th, extending from about the 5th to the 19th, and this fact will increase probabilities of rainfall during this period. On and about the 10th, 11th and 12th, a series of sharp thundergusts, with black, blustering clouds, will be general over most parts of the country.

A reactionary storm period is central on the 14th, 15th and 16th. The oncoming Venus period blends with that of Mercury at this period. The Moon is also at perigee and new on the 14th. Very warm weather, low barometer and blustering, menacing storm clouds will result at this time. The 14th is the central day of a seismic period, extending from the 11th to the 17th.

A regular storm period covers the 19th to 24th, being central on the 21st. Falling barometer, high temperature and electrical storms will develop in western sections at the beginning of this period. The Venus influence, and the Moon being on the equator on the 19th, will insure thunder storms on and next to that date. The 22nd, 23rd and 25th will bring a culmination of blustering, ominous storm clouds, with violent summer gusts of wind and local showers in scattering sections.

A reactionary storm period centers on the 28th, the Moon being full and in apogee on the 28th. A seismic period, central on the 28th, covers three to four days before and after that date.

GALENA ITEMS.

Mr. and Mrs. Robert Kimball and little daughter, Edna, of Philadelphia, are visiting Mr. and Mrs. Eben Christfield, near town.

Mrs. Eugene Tour has opened an ice cream saloon next door to the postoffice. We hope the success of last week may be repeated.

Mrs. M. J. Jones, Mrs. Samuel Emerson, and daughter, Miss Isabella, of Earleville, spent Monday in town.

Mr. and Mrs. Harry Wirt, of Hockessin, Mrs. Chas. McName, of Eslmere, and Mrs. Hattie Dempsey, of Dover, are visiting at the home of Mr. and Mrs. Theodore Dempsey.

Mr. and Mrs. Charles Thornley, and Mrs. Maggie Tucker, of Smyrna, Del., spent Sunday with Mr. and Mrs. James Mulford.

Mrs. James Mulford is spending the week in Smyrna.

Dr. A. Kay Lord, the District Superintendent of Delaware and New Jersey Children's Home Society, of Chester, Pa., represented his work last Sunday at Olivet M. E. Church.

KENNEDYVILLE NOTES.

Mr. Howard Baldwin has installed a new boiler in his Kennedyville tomato cannery, with the addition of some new machinery, and much improved the old building by bracing with new timbers and laying a cement floor.

Mr. David Nickerson is repairing the boiler of his threshing machine engine by a set of new flues.

Mr. Thomas Vandyke made a nice lot of very splendid hay last week, storing it away in the spacious loft of his brand new barn.

Mr. Earl Nickerson is receiving many congratulations on the arrival Sunday evening of a fine daughter.

Mr. and Mrs. Carl Dill have moved from Baltimore city back to Kent county where they are receiving a hearty welcome from their many friends. We much admire the good taste of any man or woman selecting Kent for a home.

Miss Ethel Salloway, of Georgetown, Del., was the guest on Sunday of Mr. and Mrs. Edgar R. Pennington, with whom she had her home when teacher of this community.

Miss Eva Jewell assisted in the music at the M. P. Church on Sunday evening last by the use of the violin, which was much appreciated.

Rev. F. H. Mullineaux, who made a trip to Baltimore last week, was, as a special favor, with a few others, admitted to the great Armory building, where decorations, under the direction of Mr. George J. Koch, of New York, preparatory to the Democratic National Convention, holding its sessions this week, were just being completed.

The death of Mrs. Harry Hill, which came so suddenly last week, has brought about a feeling of sadness over our whole community. Mrs. Hill was a very lovable woman as a daughter, wife, mother, friend and Christian; and had, by her beautiful life, won many warm friends. The home funeral, Sunday afternoon, was attended by a very large concourse of people, in testimony of the high esteem in which the departed loved one was held. The floral tribute was very beautiful. Many hearts are moved in deepest sympathy for the bereaved husband, little Mary and the many relatives.

Services for the Methodist Protestant Church, Sunday, June 30th: 9.30 a. m., Sunday School; 10.30 a. m., sermon by the pastor; 7.45 p. m., song service and brief sermon. Come and help and receive a blessing.

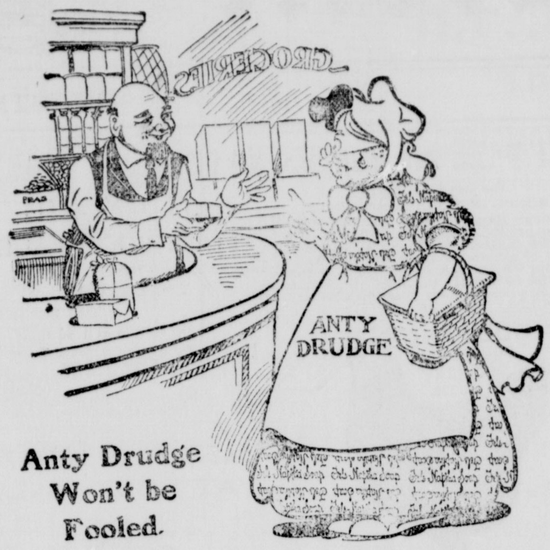
CASTORIA



Anty Drudge Won't be Fooled.

Grocer—"There's your butter, tea, and baking powder. Now as to soap, I want you to try this instead of Fels-Naptha. It's said to be the best in the market."

Anty Drudge—"Say, Mr. Grocer, that's enough. Unload this basket. I don't know but what you've given me a fraud butter or tea, or a hurtful baking powder. But I do know you are trying to fool me into buying an imitation of Fels-Naptha. It don't go with me. After this I'll go where I can trust the grocer to give me what I ask for."

Fels-Naptha itself does the work of loosening the dirt from the fabric which every other soap leaves you to do with the washboard.

With Fels-Naptha there's no backache, no long bending over the wash-tub, as with other soaps.

Your clothes will wear twice as long, because boiling or scalding softens the fibre and rots the clothes. And they'll be whiter and cleaner.

But Fels-Naptha must be used according to the simple directions on the red and green wrapper—and in cold or lukewarm water.
