Business Items.

WE have concluded to prosecute the business in which we are engaged to the utmost extent, and have just returned from the city with a choice selection of good

WATCHES, CLOCKS, JEWELRY,

Notions and best Toys.

The store is much the largest ever kept in our town. We keep what the people want.—We buy our goods from the best manufacturers, and as low as they can be procured. We spare no pains to get them, and confine ourselves to no parties or city. We have a very large stock of Watches from $5 to $150. We have the best Gold Jewelry, such as Box and Glass Pins, Cross Setts, tipped with fine gold, heavy 18 k. Rings, suitable for engagements, best Sleeve Buttons and Studs, Gold Specks, and in fact almost any article you can think of. Also, all kinds of Plated Jewelry.

SILVER PLATED WARE.

Castors, Berry Dishes, Knife Rests, Butter Dishes, Forks and Spoons, &c.

CUTLERY.—Pocket and Table Cutlery, Razors, Scissors, Combs, Hair Brushes, Tooth Brushes, Pocket Books, and everything of that sort. Nothing but a visit and an examination can furnish an idea of the trouble we have taken to supply this line of trade. All goods warranted as represented when sold, and will be redeemed if they differ therefrom.

REPAIRING.—All kinds of Watch, Clock, and Jewelry work done in workmanlike order, and you can get it done immediately, for I have the services of a good Watch Maker from the city. Call at the old stand opposite the Voshell House. J. V. SMITH.

GROVER & BAKER SEWING MACHINE CO.,

181 Baltimore Street,

BALTIMORE.

Buy a good one or none.—Many absolutely worthless sewing-machines are now before the public, to purchase which would result in nought but vexation and disappointment to the owner. A *cheap* sewing-machine generally proves a *dear* bargain. *Grover & Baker's* have stood the test for many years; and but one opinion prevails as to their worth. The advantages they possess for Embroidering, Braiding, Hemming, &c., and their wonderful simplicity renders them the best in use. What other machine will embroider so beautifully, braid so elegantly, hem so faultlessly, quilt so evenly, stitch so accurately, gather so regularly, operate so easily? *None*, we conscientiously affirm.

Send for a Circular with description, prices, &c. Call and examine the machines and work executed by them, at our office,

181 Baltimore street,
apl-y. 3d door from Light st

Being fully acquainted with their formula and methods of manufacture, I can assure those interested in the purchase and sale of Fertilizers, that their "EXCELSIOR" and "AMMONIATED" Super Phosphate of Lime are of such a character as must render them of great value to the farmer, and place them amongst the BEST FERTILIZERS now in the market.
