ARE you ready for the Fair?

KENT is swarming with boarders. They are all welcome and invited to come again.

POLITICS is very quiet in Kent now. The Democrats have got a winning ticket and are just waiting to see what the opposition can put up to match it.

PEACE talk is the all absorbing topic just now. But the little Jap has his guns half-cocked and is sleeping with one eye open, watching the wily Russians.

EVERY Democratic County Convention in the State that has mentioned the Suffrage Amendment has heartily favored it. In the State Convention there'll not be a negative vote upon this vital issue.

Too Many Generals.

Ex-Senator Wellington is again in politics. He says the Republican party of Maryland has too many Generals and too few Privates. McComas is dead, he says, Bonaparte lacks the elements of practical leadership and there is no real leader in sight. We recommend the ex-Senator to come to Kent and he might find a Moses to bring his party out of the Wilderness.

IF THE franchise amendment is ratified it will do more for constitutional government than all public education, costing millions of dollars, has done in forty years. Nearly 2000 judges of election will be studying the Constitution next year, who have given little thought of it heretofore, and 30,000 negroes will be trying to read it so as to be able to explain its meaning when applying to register in 1906 and thereafter. And hundreds and hundreds of white men will be reading it, too. It is the best scheme in the interest of constitutional government ever devised. With an understanding of the Constitution, knowledge of government will be attained.

WASHINGTON COLLEGE is taking a conspicuous part in the summer school at Ocean City President James W. Cain is one of the prominent lecturers as also Prof. Gault, the new member of the college faculty.

$7,662 Per Mile.—Sealed proposals were received last week by the Queen Anne's Commissioners for building a public road from Chestertown to Centreville. It was found that Stewart & Donohoe, of Wilmington, Del., were the successful bidders. The work to be done includes the macadamizing and grading of about three miles of road with two stone and concrete bridges. The amount of the bid was $22,896.98 about $7662.38 per mile. This id will be submitted to the taxpayers of the county for action at a general meeting to be called for that purpose, the time to be determined upon next Tuesday.

CHESTERTOWN

Lightning's Pranks.—During the heavy storm of last Saturday in Chestertown the lightning was very sharp. It struck a tree in front of the KENT NEWS building and not ten feet from it a horse of Mr. Geo. S. Biddle's was standing and was unharmed. At the Chestertown Laundry a ball of fire exploded in the wash room without doing damage; at the Register's office in the Court house Deputy Register Ford, clerk C. L. Dodd and others saw a peculiar flash and ball of fire which seemed to enter the building and leave without harming the occupants.

By getting caught in a wire fence Mr. John Bell had a young horse injured severely this week.
