Women as Well as Men are Made Miserable by Kidney and Bladder Trouble.

Kidney trouble preys upon the mind, discourages and lessens ambition; beauty, vigor and cheerfulness soon disappear when the kidneys are out of order or diseased.

Kidney trouble has become so prevalent that it is not uncommon for a child to be born afflicted with weak kidneys. If the child urinates too often, if the urine scalds the flesh, or if, when the child reaches an age when it should be able to control the passage, it is yet afflicted with bed-wetting, depend upon it, the cause of the difficulty is kidney trouble, and the first step should be towards the treatment of these important organs. This unpleasant trouble is due to a diseased condition of the kidneys and bladder and not to a habit as most people suppose.

Women as well as men are made miserable with kidney and bladder trouble, and both need the same great remedy. The mild and the immediate effect of **Swamp-Root** is soon realized. It is sold by druggists in fifty-cent and one dollar size bottles. You may have a sample bottle by mail free, also a pamphlet telling all about Swamp-Root, including many of the thousands of testimonial letters received from sufferers who found Swamp-Root to be just the remedy needed. In writing Dr. Kilmer & Co., Binghamton, N. Y., be sure and mention this paper. Don't make any mistake, but remember the name, Dr. Kilmer's Swamp-Root, and the address, **Binghamton, N. Y.**, on every bottle.

Home of Swamp-Root.

JUDGE PEARCE HONORED

Lawyers of His Circuit Present Oil Portrait of Him—To Hang in Appeals Court—Touching Tributes of Attorneys to The Beloved Jurist Who is on The Eve of His Retirement.

Elkton, Md., Sept. 20th—Chief Judge James Alfred Pearce, of the Second Judicial Circuit, composed of the counties of Cecil, Kent, Caroline, Queen Anne's and Talbot, was on Friday afternoon presented an oil portrait of himself by members of the bar of the circuit.

The presentation took place in the Elkton Courthouse and was attended by members of the bar from all the counties in the circuit in addition to laymen and a number of ladies. Albert Constable, of Elkton, who, after December 1, will succeed Judge Pearce on the bench, presided at the meeting. William S. Evans, president of the Cecil County Bar Association, made the presentation speech and the formal address was made by William T. Warburton

Other addresses were made by Lewin W. Wickes, of Chestertown, representing the Kent bar; Senator Frank Harper, of Centreville, of the Queen Anne's bar; T. Allan Goldsborough, of Denton, of the Caroline bar, and J. Frank Turner, of Easton, of the Talbot bar. Associate Judges William H. Adkins and P. B. Hopper also spoke.

All the speakers paid a high tribute to Judge Pearce, who responded fittingly and feelingly.

Among the visiting attorneys in addition to those mentioned were Albert B. Towers and Reuben Gary, of Caroline; N. Clark, of Talbot; Wm. W. Beck, Harrison W. Vickers, R. G. Parks, S. Scott Beck and R Hynson Rogers, of Kent; J. H. C. Legg, of Queen Anne's; H. W. Rumsey, of Philadelphia, and John S. Young, of Belair.

At the conclusion of the meeting the members of the Cecil bar entertained Judges Pearce, Adkins and Hopper, together with the visiting attorneys, at a dinner given at the Howard House. The portrait of Judge Pearce is an excellent likeness and will hang in the Court of Appeals building at Annapolis. The portrait is of life size and was painted by Waldemar F. Deiterich, of Baltimore.

Judge Pearce was elected Chief Judge of the Second Judicial Circuit in 1897 and on December 1 will have served out his full term of 15 years. He reached the age of retirement two years ago, but his service was extended by the General Assembly of 1910 to the end of the term for which he was chosen. Albert Constable, of Cecil county, was nominated by the Democrats in May for chief judge and the Republicans have made no nomination against him.

Speech of William S. Evans.

In making the presentation Mr. William S. Evans said, in part:

"Judge Pearce, the members of this bar as well as those of the other counties in this judicial circuit sincerely regret that your term of office as chief judge is so nearly ended.

"In view of the eminent services so conscientiously rendered the State as the presiding judge of this circuit and as associate justice of the Court of Appeals of Maryland, which offices you have adorned by your knowledge of the law, courtesy and dignity, the members of this circuit feel that your retirement deserves more than a passing notice from those who have had the privilege of practicing in your courts and have taken this occasion to testify their high regard for you as a man and their respect for your great ability and impartiality as a just and upright judge.

We do, therefore, take this opportunity to present to you a portrait of yourself, which we believe to be a fitting tribute to you, and it is intended as a testimonial of our appreciation and regard."

Mr. Warburton's Oration.

Mr. William T. Warburton's formal speech touched upon the recall of judges. Quoting the Maryland Declaration of Rights, he said:

"This is a period in our history when political demagogues are trying to make the people believe that the judges of our courts as well as their decisions should be subject to recall at the behest of popular clamor, when constitutions and legislation should no longer be interpreted by the courts.

"If the power to declare void any statue in conflict with the Constitution of the United States was deemed necessary in 1788, when Hamilton was writing his famous essays, and in 1803, when Marshall announced the unanimous opinion of the Supreme Court, it is far more necessary in our day of multiform legislation interfering in almost every conceivable manner with the rights and liberties of the individual."

Mr. Warburton closed with an eloquent and touching tribute to Judge Pearce, in which he said:

"During his entire term there has never been a momentary exhibition of temper on his part nor an unkindly word spoken by him that would wound the most sensitive nature. Gentleness, courtesy and kindness have been his predominating characteristics. He has always, on the bench, upon the street, in the office or as a guest in our homes, been the same courteous, kindly, modest, unpretentious gentleman."

A BEAUTIFUL MEMORIAL

With solemn and impressive services the memorial to Rev. Dr. J. Houston Eccleston was unveiled Sunday in Emmanuel Protestant Episcopal Church, Cathedral and Read streets, by Right Rev. John G. Murray, bishop of Maryland, assisted by Rev. Dr. Edwin Barnes Niver, rector of Christ Church, Chase and St. Paul streets.

The memorial tablet is a bronze portrait bust in high relief of Dr. Eccleston, and is framed in siena marble. The bust is slightly larger than life size, and is the work of Hans Schuler. The handsome marble frame surrounding the tablet was designed by Charles Yardley Turner who is now director of the Maryland Institute. The frame containing the tablet is imbedded in the eastern wall of the church, to the right of the pulpit, and underneath is a small plate bearing the inscription.

1884 1911

Rev. James Houston Eccleston, D. D.,
For twenty-seven years
Beloved Rector of this Church.

Shortly after Dr. Eccleston's death a movement was started among the members of the church to collect a fund for the erection of a suitable memorial to Dr. Eccleston. The movement gained impetus rapidly, and in a short time nearly $20,000 had been raised and placed at the disposal of the vestry for that purpos. The cost of the memorial was about $2,000, and it is the intention to devote the remainder of the fund to charity.

Dr. Eccleston was very prominent in church affairs in Baltimore up until the time of his death, and was rector of Emmanuel for a period of 27 years.

YOUNG WIFE SAVED FROM HOSPITAL

Tells How Sick She Was And What Saved Her From An Operation.

Upper Sandusky, Ohio.—"Three years ago I was married and went to housekeeping. I was not feeling well and could hardly drag myself along. I had such tired feelings, my back ached, my sides ached, I had bladder trouble awfully bad, and I could not eat or sleep. I had headaches, too, and became almost a nervous wreck. My doctor told me to go to a hospital. I did not like that idea very well, so, when I saw your advertisement in a paper, I wrote to you for advice, and have done as you told me. I have taken Lydia E. Pinkham's Vegetable Compound and Liver Pills, and now I have my health.

"If sick and ailing women would only know enough to take your medicine, they would get relief."—Mrs. BENJ. H. STANSBERY, Route 6, Box 18, Upper Sandusky, Ohio.

If you have mysterious pains, irregularity, backache, extreme nervousness, inflammation, ulceration or displacement, don't wait too long, but try Lydia E. Pinkham's Vegetable Compound now.

For thirty years Lydia E. Pinkham's Vegetable Compound, made from roots and herbs, has been the standard remedy for female ills, and such unquestionable testimony as the above proves the value of this famous remedy and should give every one confidence.

NOTICE TO

All Persons Concerned

Hereafter the County Commissioners will neither recognize nor pay bills presented by any physician for any post mortem examination of bodies of dead persons. Nor will it pay any bills presented by Justices of the Peace for examining bodies of dead persons unless it can be shown that the Coroner is not accessible and unless the Coroner is first notified of any sudden death.

Only the bill of such physicians as the Coroner or Health Officer of the county may designate to make such an examination will be recognized or paid, and no other physician will be entitled to or receive pay for such services.

This action of the Board is taken because a practice has grown up in this county whereby the Coroner and his Physician examine bodies of the dead; and a Justice of the Peace in the county will summons a Physician and he and such physician examine the same body of such dead person; thus double bills are presented to the county for payment. The county will pay no charge of any peysician for such service exceeding $5.00

By order of the Board,

s21-tf SAM'L HICKS, Clerk.

Antoine Deloria, Postmaster at Garden, Mich., knows the exact facts when he speaks of the curative value of Foley Kidney Pills. He says: "From my own experience I recommend Foley Kidney Pills, as a great remedy for kidney rouble. My father was cured of kidney disease and a good many of my neighbors were cured by Foley Kidney Pills." Sold by M. A. Toulson.

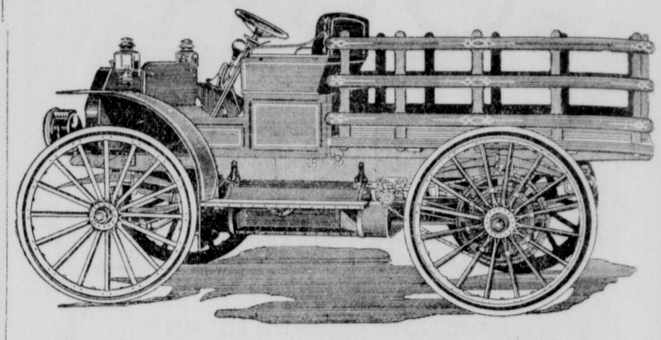
The International Auto Wagon

Or Commercial Car



In use throughout the United States by Farmers, Merchants, Millers, Contractors, Manufacturers, Liverymen and others.

A feature of the International Commercial Car that will appeal to a great many people is the fact that this car can be converted into a vehicle for carrying people. A rear seat and a double top can be added, making a very comfortable vehicle. The space behind the back of the front seat is sufficient so that two seats can be added, making a three-seated rig for liverymen who have traffic of this kind.

The International in the strictest sense of the word is a commercial car—one that can be used every day of the year, through snow and mud, cold weather and hot. The great success this car has attained in the past and the present is the greatest commendation of its usefulness.

The snow storm which tied up traffic in Chicago in February, 1911, did not interfere with the International Commercial Car service. This car was one of the few commercial cars in service in Chicago that was not delayed by the snow. The drivers were not afraid to turn out of street car tracks and into the side streets and places where the snow was deep, for fear they would stall. The car is as efficient in negotiating mud as it is in plowing through snow.

Capacity 1500 to 2000 pounds depending upon conditions of the haul. Speed 15 miles per hour. 20 H. P. Two-Cylinder Engine. Factory output 20 cars per day, which does not meet the present demand. Easily operated and as nearly fool-proof as possible. Solid tires—eliminating tire trouble.

This car will be driven throughout every part of Kent county and will stop at Still Pond, Kennedyville, Locust Grove, Galena, Georgetown, Massey, Millington, Crumpton, Chesterville, Chestertown, Rock Hall, Fairlee, Melitota, Worton, Lynch and Betterton, affording everybody an opportunity to see the car in operation.
