ROCK HALL, MD.

THIS ADVERTISING is a sort of mutual affair, which has a tendency to strengthen the confidence which must exist between the seller and the buyer. Little profits and judicious advertising is the foundation upon which a successful business can be built. We call the KENT NEWS readers attention to our special sale of MEN'S AND BOYS' CLOTHING. A summer suit at reduced prices right in the height of the season is somewhat of an innovation, yet a call for these goods will convince you that they are extra values at our reduced prices. Then our SHOE BUSINESS is a hobby of ours. We try to keep the Shoe to please each and every patron. This necessitates us to carry a very large stock of shoes, and from this stock the most fastidious can be suited.

We carry a full stock of MEN'S HATS, LADIES' AND GENTS' FURNISHINGS, DRY GOODS OF EVERY DESCRIPTION, CARPETS, MATTINGS AND OIL CLOTHS. A nice line of GENERAL MERCHANDISE.

We hope to receive a liberal share of your patronage in the future.

We are yours for business,

W. C. T. U. RESOLUTIONS.

The following resolutions were passed at the late W. C. T. U. Convention held in Kennedyville.

WHEREAS, an all-wise Father has permitted us to assemble in convention to sum up the years work, to review failures and recent victories, also to prayerful deliberations as to its future actions, we beg to offer the following:

Resolved, That we deplore the condition of affairs existing in our villages, especially on Saturday nights, when the traveling saloon is so much in evidence; also that our prominent business men seem to ignore the fact.

WHESEAS, recent disasters and menacing conditions on board sailing vessels are traced to the use of liquor,

Resolved, That we ask owners or masters of them, as a means for the protection of our local option county and for the safety of seamen, not to permit the transportion or use of liquor.

Resolved, That we appreciate the recommendation of the recent Grand Jury to merchants, to keep within the limits of the law in regard to the sale of cigarettes and tobacco.

Resolved, That conditions in Chestertown and other villages warrant our taking steps toward the securing of a Curfew law.

Resolved, That we wish to express our appreciation of the efforts made for our comfort and pleasure during the convention, much of which was due to Shafer, Redmile & Co., for use of hall for serving meals.

Resolved, That to the Woman's Christian Temperance Union, the church officials, the choir and those who have contributed to the success of the convention, we extend our hearty thanks.

Respectfully submitte ,
Committee.

IN MEMORIAM.

In sad but loving memory of our darling son and nephew C. Goldie Carey who departed this life Sept. 7th. 1902 in the 28th year of his age.

And now three years have passed away
So fraught with grief and bitter pains
Since the reaper death came to our home
And the silver cord was snapped in twain.

Three winters gone, three summers passed,
And the flowers are all in bloom
But not for us; our hopes are dead
And buried in the tomb.

No more to us will earth look bright,
Our hopes and joys all fled
When o'er the wires the message flashed
That told us he was dead.

Our hearts are sad and bowed with grief,
Our loneliness, oh; who can tell;
For never more will his footsteps haste
To the home he loved so well.

His life tho brief was full of gladness
And joyousness of youth.
For he early sought and early found
The precious pearl of truth.

If we could we would not call him back.
From his bright home beyond the skies,
For God with his own loving hands
Has wiped the tears all from his eyes.

Yet in our midnight dreams he comes,
His loving voice we seem to hear
And trace his fame through shadowy gleams,
And feel his presence ever near.

All our bright hopes that were planted deep
From our heart of hearts are risen;
One thought will cheer us while we weep
Our dear one is safe in heaven.

MOTHER, EMMA A. CRITTENDEN.
AUNT MARY L. MANN.
UNCLE, JOHN W. MANN.

In memory of our daughter and sister, Queenie V. Townsend who died Aug. 10 1905.

Calm on the bosom of thy God,
Daughter sister rest thee now.
E'en while with us thy footsteps trod,
His seal was on thy brow.

Dust to its narrow house beneath,
Soul to its place on high,
They that have seen thy peaceful death
No more need fear to die.

Though cast down, we're not forsaken,
Though afflicted, not alone,
Thou didst give and thou hast taken:
Blessed Lord, "Thy will be done."

ARMOUR'S

Royal Ammoniated Bone

FERTILIZER

HIRAM M. BROWN, - - Sole Agent

Kent and Queen Anne's, Vicinity of Chestertown.

WE, FOR THE 60TH SEASON PRESENT

...Our Fertilizers...

TRADE MARK

TO THE FARMERS AND PLANTERS OF KENT and adjoining counties. With pride we say that we are better equipped than ever, this year to give you your money's worth.

Many cannot understand why, after so many years doing business here, that Wilbur W. Hubbard's Fertilizers are more extensively used year after year. But the mystery is solved by a visit to our factory, which is always open for inspection to the public, and those who go down to our works marvel at the pains taken in manufacturing the goods.

First the bone is shoveled in the crusher with a scoop shovel and prepared for the Denmead mill, then it is dissolved, and after getting in good mechanical condition, if making a dissolved bone goods, so many pounds of bone is put in the mixer. The nitrate of soda, fish and high grade potash are added, the whole thoroughly mixed, passed through a phosphate mill and screened and thrown up in bulk, to remain until it is shipped, and then it is bagged in new treated acid proof bags and sent out in splendid shape. We are often asked, "why don't you run the goods when first mixed, right in the bags, and not go to the expense of treating the bags, as do other manufacturers?"

We are often asked if this is not a needless extreme, but we reply—it pays to make the best.

Whilst there is some loss by evaporation by bulking, an additional expense in rebagging and an expense to treat the bags, when we remember that a farmer appreciates a good goods, and in first class mechanical condition it pays to go to extremes as it is impossible to make a first class fertilizer otherwise, and by treating our customers right in their purchases, making the time of payment of the bill to suit them, we have gotten a personal hold upon our trade.

The Fertilizers for 1905 are the best we have ever put out. Each year has its experiences. We learned something in 1904—the users of Wilbur Hubbard's Fertilizers will get the benefit of it. A poor article may sell rapidly for a time if it is pushed energetically, but a record of steady gain over a period of 60 seasons among the same people, can only be achieved by a good, reliable article. You can only judge the future by the past. If you have used Wilbur Hubbard's Fertilizers in the past you may be assured they will give you satisfaction in the future. If you have not tried them, we ask you if a record of Thirty (30) successful years with the farmers of the Middle States is not a sufficient guarantee to justify you in using the goods.

Soliciting your patronage, and thanking all our friends for their substantial support in the past, we remain

Very truly yours,

Wilbur W. Hubbard,

Manufacturer of Standard Bone Fertilizers,
