Attorney General's Instructions To Voters

1. To vote. Enter room, step up to guard rail give name and registered residence to the Judges. Wait until your name is found upon the registers, then get ballot from the judge in charge of the ballots. See that he has written your name and number on the coupon attached to the ballot and his own name or initials on the back of the ballot itself.

2. Upon receiving your ballot, retire to one of the booths or compartments and prepare your ballot by marking with an indelible pencil after the name of every person, or persons, except Presidential Electors, for whom you wish to vote, and to the right thereof, in the blank space provided therefor, a cross-mark, (for example (X); and in case of a question submitted to a vote of the people, by marking likewise in the appropriate space a cross-mark (X) against the answer you desire to give.

In the case of Presidential Electors, you can either make a separate cross-mark (X) opposite the name of each of the candidates for Presidential Electors (not exceeding eight in number whom you wish to vote; or if you wish to vote for the Presidential Electors of any political party you can make a single cross-mark (X) in the square opposite the surnames of the nominees of that party for President and Vice-President. If you wish to vote for some one whose name is not printed on the official ballot you can write the name of such person in the blank space on the ballot provided for that purpose and place the cross-mark opposite such name in the blank space provided therefor.

3. In marking your ballot you may take with you into the polling place any written or printed memorandum or paper to assist you in preparing your ballot except a fac-simile of the ballot to be voted, but in the counies of Anne Arundel, Calvert, Charles, Kent, Prince George's, St. Mary's, Somerset, Talbot and Worbester, it is unlawful to take into the polling place any stencil, ruler, measurer or any other mechanical device of any material or form as a means of aid, guide or assistance in marking your ballot. You must prepare and deposit your ballot without undue delay. Before coming from behind the curtain in front of your compartment you must fold your ballot in the same way as it was folded when you received it, so that the marks which you have made upon it shall be entirely concealed. You then hand your folded ballot to the judge at the ballot box, give him your name and registered address and wait until he tears off the coupon containing your name and number, and strings it, and deposits your ballot in the ballot box. You must then leave the polling room and can not again go behind the guard-rail during the day.

In Baltimore City and all of the Counties of the State, except Anne Arundel and Worcester, voting for more candidates than there are offices to fill only invalidates the vote for that particular group in which the mistake occurs, but in the counties of Anne Arundel and Worcester, the whole ballot will be rejected in such event.

4. A voter must not go into any compartment occupied by another or converse with any other voter while engaged in a compartment, nor can he occupy a compartment more than (7) minutes if others are waiting.

5. You must not take any ballot outside the guard rails. If you spoil a ballot you must deliver the spoiled ballot to the judge in charge of the ballots and receive another from him. If you spoil three ballots you lose your vote.

6. A voter who is physically disabled from marking his ballot must make affidavit to that effect if he desires assistance. The two polling clerks after such affidavit has been made, can accompany him into one of the compartments and there mark his ballot as he instructs them, markfng only the names of the candidates whom he shall name. The clerks are not allowed to read the ballot to him.

7. Any voter who shall allow his ballot to be seen by any person with the apparent intention of letting it be known how he is about to vote; or place any distinguishing marks upon his ballot, or who shall make a false statement as to his inabsility to mark his ballot, or who shall interfere or attempt to interfere with any voter when inside the enclosed space in the polling room, or when marking his ballot, or who shall endeavor to induce any voter before voting to show how he marks or has marked his ballot, shall be punished by a fine of not less than five ($5.00) dollars nor more than one hundred ($100 00) dollars, or by imprisonment in jail for a period of not exeeeding (60) days, or by both fine and imprisonment in the discretion of the Court.

Hicks' Forecast For November.

A regular storm period is at its center on the 1st and reaching to the 5th. The Moon is in perigee on the 3d, and on the celestial equator on the 5th. The temperature will rise, the barometer will continue to fall, cloudiness will increase, and about the 3rd, 4th, and 5th, rain, wind and thunder storms will culminate during consecutive days passing eastward to the Atlantic Behind the storms the barometer will rise winds will change to westward, with snow squalls and much cooler weather.

A reactionary storm period falling on the 6th, 7th, and 8th, with new Moon on the 8th, threatening weather will continue over from the 5th, bringing a return of falling barometer, change to warmer and increasing storms of rain and wind on and touching the 8th and 9th. These storms will end in dashes of early snow and change to very much colder, about the 9th, 10th and 11th.

A regular storm period involves the 11th to the 16th, being central on the 13th. The Mercury and Venus periods will both be felt in the disturbances of this period, and to the end of the month. Storms of this period will culminate on the 13th, 14th, 15th and 16th—first to the west and thence, progressively, day by day, to the eastward.

A reactionary storm period falls on and touching the 18th, 19th and 20th. There will be electric storms centering on and touching the 19th, the date of the Moon's crossing the celestial equator. A regular storm period involves the 23d to 28th.

Mule Foot Hogs Not Immune.

From Topeka Journal, Kan.

There's no luck in a mule foot. The theory exploded recently by Dr. Schoenleber of the Kansas Agricultural college and other authorities, that mule foot hogs are immune to hog cholera, may cause trouble for the owners of such hogs in Kansas. That is, it may if these owners still have faith in this theory. While they are waiting to see if their hogs will get cholera the disease may appear unexpectedly and kill the animals before vacine can be administered.

"No breed of hogs is immune to cholera," said Dr. Schoenleber this morning. "The mule foot type may be a little more hardy than the more common breeds but it does not possess the quality of immunity. I would warn anyone against buying hogs that are said to be immune to this disease.

"I don't know where the theory of the mule foot animals originated but for some time a breeder of this kind of hogs in Indiana has insisted that his animals will not take cholera. It was there that some of the Kansas farmers who have been asking questions, lately, got their stock. Cholera still is doing its work in some parts of the state and I would advise owners of the mule foot hogs as well as those who own other breeds to vaccinate if the disease is in the community."

BASKETBALL AT WASHINGTON.

At a meeting of the Athletic Association of Washington College held recently, C. McClellan Stauffer was elected manager and Paul J. Wilkinson captain of the basketball team. On the completion of the new gymnasium, given by the Legislature last spring, now under construction basketball will be ushered in as a new sport at the college. Heretofore only class contests have been engaged in, but Manager Stauffer is endeavoring to arrange games with other colleges and universities for the coming season.

Pfitsch, a Baltimore Young Men's Christian Association player, together with Wilkinson, Branham, Garrett, Lewis, Biddle, Larrimore and Brown, will be the leading candidates for the varsity. Coach Porter will get the candidates together soon and class games and practices will be held in the old gymnasium until Christmas to enable the varsity five to get in shape for the hard schedule that is anticipated. The season will probably open on January 15.

To vote the full Democratic ticket only three marks are necessary — one for President and Vice-President, one for Congressman and one for chief judge. No sample ballots will be allowed, the law expressly forbidding any representation of the ballot outside of the polling booth.

WOMAN SICK TWELVE YEARS

Wants Other Women to Know How She Was Finally Restored to Health.

Louisiana, Mo.:—"I think a woman naturally dislikes to make her troubles known to the public, but complete restoration to health means so much to me that I cannot keep from telling mine for the sake of other suffering women.

"I had been sick about twelve years, and had eleven doctors. I had dragging down pains, pains at monthly periods, bilious spells, and was getting worse all the time. I would hardly get over one spell when I would be sick again. No tongue can tell what I suffered from cramps, and at times I could hardly walk. The doctors said I might die at one of those times, but I took Lydia E. Pinkham's Vegetable Compound and got better right away. Your valuable medicine is worth more than mountains of gold to suffering women."—Mrs. BERTHA MUFF, 503 N. 4th Street, Louisiana, Mo.

Lydia E. Pinkham's Vegetable Compound, made from native roots and herbs, contains no narcotic or harmful drugs, and to-day holds the record of being the most successful remedy for female ills we know of, and thousands of voluntary testimonials on file in the Pinkham laboratory at Lynn, Mass., seem to prove this fact.

If you want special advice write to Lydia E. Pinkham Medicine Co. (confidential) Lynn, Mass. Your letter will be opened, read and answered by a woman and held in strict confidence.

IN MEMORIAM.

In loving but sad remembrance of my dear mother, SARAH E. ANTHONY, who departed this life Monday, October 7th, 1912.

In the graveyard softly sleeping,
Resting from all sorrow and pain.
Lies the one we loved so dearly
In her cold and silent grave.

Affliction sore long she bore until God thought it best she should rest and eased her in her pain, how it grieves me to my heart to think how long she struggled with diseases and suffering hard to bear. Farewell dear mother, when God calls me homeward may we meet in heaven above.

Women as Well as Men are Made Miserable by Kidney and Bladder Trouble.

Kidney trouble preys upon the mind, discourages and lessens ambition; beauty, vigor and cheerfulness soon disappear when the kidneys are out of order or diseased.

Kidney trouble has become so prevalent that it is not uncommon for a child to be born afflicted with weak kidneys. If the child urinates too often, if the urine scalds the flesh, or if, when the child reaches an age when it should be able to control the passage, it is yet afflicted with bed-wetting, depend upon it, the cause of the difficulty is kidney trouble, and the first step should be towards the treatment of these important organs. This unpleasant trouble is due to a diseased condition of the kidneys and bladder and not to a habit as most people suppose.

Women as well as men are made miserable with kidney and bladder trouble, and both need the same great remedy. The mild and the immediate effect of **Swamp-Root** is soon realized. It is sold by druggists, in fifty-cent and one-dollar size bottles. You may have a sample bottle by mail free, also a pamphlet telling all about Swamp-Root, including many of the thousands of testimonial letters received from sufferers who found Swamp-Root to be just the remedy needed. In writing Dr. Kilmer & Co., Binghamton, N. Y., be sure and mention this paper. Don't make any mistake, but remember the name, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.
