Democratic Meeting!

—THE—

DEMOCRATIC CLUB

OF BETTERTON, MD.,

Will hold a meeting THIS SATURDAY EVENING at the Betterton House.

All those interested in the success of the Democratic Ticket are cordially invited to be present. Democrats come out.

EVERY WHITE MAN will be able to vote if the Suffrage Amendment passes.

DON'T forget there are two amendments to be voted on.

LET every Democrat be sure to practice marking and folding a ballot before going to the polls on Tuesday.

VOTE for Atkinson, Medders, Keyser, Taylor, Morris, Wagner, Crane, Gibbs.

TO VOTE the full Democratic ticket requires ten cross-marks—8 for candidates and 2 for Amendments.

YOU may never have another chance to disfranchise the negro. Now is your opportunity to right a wrong. Vote for the Amendment.

ISN'T it singular that the Republicans should be so solicitous of the *white* voters! If their argument that so many white voters would be disfranchised by the Amendment was true, you'd find every Republican voting *for* it. It is *not true*. No white man will be disfranchised.

THE registration officers being equally divided between the two parties absolutely guarantees impartial decisions of all matters that come before them with the adoption of the negro amendment, as both will have to agree then, as now, as to the qualifications of the voters in any precinct, before any voter can be registered. This cannot but result in a square deal, and as the white voters, under the grandfather provision in the amendment, will be entitled to vote without any examination, the only thing for the registers to pass on will be the qualifications of the negro under the first section of the amendment.

A FEW LAST WORDS.

We appeal to the white men of Kent county to stand together, and from now until the polls close on the night of November 7th to leave nothing undone that is honorable to bring about the triumphant election of the Democratic ticket.

The Democratic candidates—man for man—are the peers of the candidates of the opposition, from any standpoint that the voter may care to view them. The lives of these men are a sufficient guarantee to the public that they will fill the offices to which they will be elected with credit to themselves and their constituency.

DR. GORDON T. ATKINSON, of Somerset county, candidate for comptroller, has made an efficient officer and a trustworthy steward.

ANDREW MEDDERS, for sheriff, is well-known in Kent and will prove himself an efficient officer. He is entitled to every white man's vote.

WILLIAM E. KEYSER, candidate for treasurer, is a guarantee to the public that the affairs in this office will be administered in a business manner. He is one of Kent's best citizens and deserves to be elected by a big majority.

GILBERT B. TAYLOR, surveyor, has no opposition and deserves this compliment.

JOHN E. MORRIS and WILLIAM WAGNER are the candidates for County Commissioners, They stand for integrity and industry and will give to the tax-payers an economical and careful administration. Vote for Morris and Wagner.

CURTIS E. CRANE and ISAAC GIBBS, the candidates for Legislature, are a "pair of trumps." They are young, progressive business men who are known throughout the county for their integrity, hustling business methods and successful managers of large industries. Kent County will be honored by having these two men in the Legislature. Vote for Capt. Crane and Gibbs.

All these gentlemen are worthy of the support of every Democrat and conservative voter in Kent county.

The Democratic nominees are all in accord with their party on the Amendment, recognizing that the question of a negro disfranchisement must now be fought to a finish, and that next Tuesday is the time to settle the question in the interest of the peace, prosperity and good government of our State and county.

Real Estate Sold.—Mr. J. H. C. Legg Assignee, sold Tuesday the Chas. H. J. Sparks farm, Queen Anne's, containing 146 acres to Mrs. George M. Vansant, wife of Ex-Sheriff Vansant for $29 per acre. The aggregate sale amounted to $5694.00. The farm is situate in Sixth District.

YOU may never have another chance to disfranchise the negro. Now is your opportunity to right a wrong. Vote for the Amendment.

THE ELECTION.

Next Tuesday, November 7, will be election day, the polls in this county opening at 8 a. m. and closing at 6 p. m.

Every registered Democrat is urged to go to the polls as early as possible and vote.

Vote the Democratic ticket by marking a clear, small crossmark (X) in the box to the right of and opposite the name of each Democratic candidate on the ticket, 10 crossmarks in all being required. Then vote for the negro amendment by making your crossmark in the box to the right of the words "FOR THE AMENDMENT".

Make each crossmark wholly within the square. Do not deface or tear your ballot in any way, and do not make any other mark upon it except the crossmarks in their respective squares.

After marking your ballot, fold it as it was folded when handed to you, then hand it to the receiving judge, and see that he tears off the coupon before depositing the ballot in the box.

County Government.

It is with pride that we call the attention of voters of Kent County to the condition of affairs in this county.

Every office is filled by a Democrat and conducted in an honest, straightforward and business like manner. Our Judiciary is fearless and crime is being diminished. Why change this excellent condition?

The Democratic party has nominated the following gentlemen of veracity and honesty who will give to their constituents a clean administration, viz.,

Legislature:

ISAAC GIBBS,
CURTIS E. CRANE

Treasurer:

WM. E. KEYSER.

County Commissioners:

JOHN E MORRIS,
WM. WAGNER.

Sheriff:

ANDREW MEDDERS.

Surveyor:

GILBERT B. TAYLOR,

Is there a man who will refuse to vote for these gentlemen? Then why not make it unanimous and guarantee a continuation of good government.

You must not forget that all this efficient service—splended roads and unexcelled public schools, and an administration of justice that stands the equal of any that can be found in any State of the Union—has been secured through Democratic hands and a *diminished tax rate*.

What must be the condition of that man's mind, in the face of this splendid achievement, who would ask for a change or be unwilling to sustain by his vote this administration.

The Democrats of Kent county should receive not only every Democratic vote, but many Republican votes for their entire ticket. A party that has achieved such splended results as these is deserving of the confidence and support of the people, irrespective of party.

DEATH DOINGS.

James Hepbrun Stavely, aged 14 years and 10 days, died at the residence of his parents Mr. and Mrs. Harry Stavely, near Melitota, on 28th. Oct., 1905, at two P. M., and laid to rest in the I. U. parish burial ground on the 30th at three P. M. attended by a large concourse of friends. For some few years he had not been at all well. He had been under private medical treatment, and in hospital for a trouble from which he had suffered for a long time, and had received all the unremitting attention which devoted parents could lavish upon a much loved child. He was ever quiet, patient and uncomplaining, and bore his illness with manly fortitude. All his family relations and many a sympathizing friend will miss him greatly. James was a good boy, and a communicant of one year's standing in I. U. parish, Kent Co., Md. His last end was sweetly beautiful. After waking from a sleep, his mother was supporting him in a half sitting position when a coming change was evident, he desired his father, who was trying to meet the change not to work over him any longer, he appeared to be drowsy and sinking, his mother said, "Oh James dear don't go to sleep again yet." his reply was "Mamn, I can't help it." "Do you feel so very tired," his mother asked, and conscious to the very last dear James said "Yes," and passed away into that "blessed sleep from which none wakes to weep." Grant, Lord, that as he died in peace, he may rest in hope and rise in glory.

Mr Solomon E. Smith suddenly dropped dead at his home in East Newmarket Monday morning, aged 69 years. He had opened his store as usual and stepped into his house adjacent to the store, when heart disease overtook him. Dr. Benjamin L. Smith, of Madison, clerk to the House of Delegates, is his brother. He leaves a widow and two daughters—Mrs. Harry C. Berry, of Florida, and Miss Eva Bryan Smith, of East Newmarket. For many years Mr. Smith traveled for Fink Bros. and other wholesale firms of Baltimore, but for several years past had conducted a general country store of his own at East Newmarket. He was well-known in Kent County as a singer and a jovial gentleman.

Rev. Delaplain Gollie, aged 50 years and 24 days, died at his home Willow street, Lancaster Co., Pa., last Thursday. He was a former resident of Golts and is survived by a son, Earl.

Mrs. Pfeffer, mother of Capt. Harry Pfeffer, died at her home near Crumpton, Thursday, aged about 70. She was a good woman.

W. C. YOUNG, once a noted trainer and driver of race horses and enjoys the reputation of being a good veterinarian, has been in town for the past two weeks. He has done some very creditable work here and vicinity as the owners of horses and stock attest. Mr. Young can be found at Whiteley's livery or at Toulson's drug store.

A Hunting Cat.—One of the most remarkable cats in this county is owned by Mr. Benj. M. Hazell, of Millington. This cat goes out in the fields with Mr. Hazell and when a bird is shot it will bring it to its master and seems to enjoy hunting as much as any well-trained dog. The other qualities of this cat are just as remarkable.

VOTING AGAINST THE CHURCH.

The church rests in the power of God and is continually nourished by His infinite love. It depends also for its influence for the world's welfare upon the character of its members. Not their professions, their deliverances, their words in private or in public, but the quality the purity and helpfullness of their lives. Divinely and forever is the Indian proverb true: "Words are the daughters of earth, and deeds are the sons of heaven."

The church member should shun and hate every act, habit and institution destructive of Christian character, opposed to the progress and lessening the usefulness of the church. The example of a drinking dissipated drunken church member brings reproach upon the church. The liquor traffic threatens all that the church would establish and defend. Every branch of the church that denounces intemperance declares the liquor traffic to be the relentless enemy of the church.

What therefore ought to be the attitude of church members toward the drinking system? Can a church member consistently abhor drunkenness and also help to maintain drink shops? If a church member really desires and prays for the destruction of intemperance, can he properly give his example and influence in favor of saloons? If a church member honestly believes that saloons cannot be licensed without sin, is he justified in voting that saloons may be licensed? When a church member promises to uphold the honor and to promote the usefulness of the church can he without recreancy to his vows, help to maintain the deadliest foe of the church?

Can a church member heartily and with the spirit sing, "I Love Thy Church O God," while he works and votes for men who are known to be friends of the saloon?

And it is clear that if a church member votes for candidates who are really concerned for the honor and safety and triumph of the church, he votes for the church! While it also is unmistakable that if a church member votes with a political party that cares so little for the Temperance Reform that does not even allude to it in its platform, or votes with a political party and its candidates who we know to be adherents of the licensed liquor traffic, that church member votes against the church!

Be active in it at once showing this to your friends.
