The Axe We Grind

Is to offer you BETTER SHOES than any other dealer. There isn't any doubt but what we are succeeding. Its not that merely good leather is used. The lasts are true to nature. The workmanship is unexcelled, so it would be strange indeed if such shoes did not prove more satisfactory than those made simply to sell.

Every cent you pay for our Shoes is fully represented by the value received. Fresh new goods on new models just from the makers. Dressy Shoes for all occasions. Staunch long wear shoes for hard usage.

Foot-form boys' and girls' shoes, all styles and prices are here all good value. The only place in town where you can get the Celebrated W. L. Douglas Shoes for men and boys.

Look in before buying elsewhere. My stock of Oxford Ties in white, tan and black can't be beat this season.

TEMPTATION.

The scriptural injunction or precept, "Lead us not into temptation," is not only a wise and proper precept, but also in full harmony with the natural laws governing humanity, as well as all animated creatures. Maternal instinct prompts the mother to guard, warn and protect her offspring of impending and probable danger — especially in their helpless, weak and inexperienced period of life—against the manifold, alluring and fascinating that beguile, ensnare and lead their unwary footsteps into dangerous paths, where guilded vice allures the youthful fancy, and veiled wantonness conceals the unclean evils that lurk therein.

Beware of the tempter, he comes in all kinds of guises and with many flattering devices. Heed him not or you fall. This is the affirmative side of the question, and the old adage says "there are two sides to all questions."

This world is full of temptations. We meet them in every turn of life from the cradle to the grave.

According to the old story, the very first man—Adam, even in his primeval Paradisian state—yielded to the tempter and incurred the penalty of bringing sin and death, not only to himself, but also to all his posterity.

The road of life is full of pitfalls and the temptations to stray from paths of virtue and honesty—in the social, political and business world—are seductive and manifold. If the straight and narrow path of virtue and honesty were so completely walled in that the tempter and temptation could not enter, there would be no credit or merit for walking straight.

We are born and grown amid these conflicting elements, and he who absorbs the principles invulnerable to the seductive influences and temptations of evil—becomes master of himself—and not a slave to his evil propensities and passions, but controlling and holding them in subjection to his will, enjoying the full freedom of manhood, and the grateful liberty of thought and action.

This planet we inhabit is full of physical dangers as well as moral evils, but the eternal, deathless, principles of truth, courage and honestly encompass the universe, and these conflicting elements are necessary to man's existence and well being here. Only by contrast do we know darkness from light.

If there were no temptations and evils to combat, fight, subdue and conquer, we would all be stupid, spiritless and unhappy ready-made saints.

The Most Popular Chew Made

There is real enjoyment in chewing SCHNAPPS tobacco. That's why it has won millions of chewers every year, until now more is sold than all similar tobaccos.

SCHNAPPS, the most popular product of the Reynolds factories, is manufactured in the very heart of the Piedmont tobacco belt, known to the world as producing tobacco with an aroma so delightful and appetizing that it introduced and popularized the chewing of tobacco.

Schnapps

The Clean, Pure Chew

is manufactured by the cleanest and most healthful processes ever devised, under the direction of men who have made the chewing tobacco business a life study, and who have managed the R. J. Reynolds Tobacco Company since 1875.

Only choice selections of thoroughly cured leaf are used in SCHNAPPS, and expert tests prove that this class of tobacco requires and takes a smaller amount of sweetening than any other kind of tobacco grown—and that it has a wholesome, stimulating and satisfying effect on chewers, besides being the most economical.

There are a great many imitations claiming to be "just as good" as SCHNAPPS, but there is only one *genuine* SCHNAPPS. Be sure the letters on the tag, and under the tag, spell S-c-h-n-a-p-p-s. There are more pounds of SCHNAPPS chewed every year than the total amount of all similar kinds.

Internal revenue statistics show that SCHNAPPS and others of the Reynolds brands won enough chewers in one fiscal year to make a net gain of six and a quarter million pounds, or one-third of the entire increased consumption in the United States on chewing and smoking tobacco.

SCHNAPPS is made and sold everywhere in 5c. cuts and 10 and 15c. plugs.

TO THE VOTERS OF KENT COUNTY.

I desire to offer myself as a candidate for the Democratic Nomination to the Senate of Maryland, to be selected by the County Convention of Kent in 1907, and to submit for your consideration my record in the past and to outline what I would attempt to do in the event of my nomination and election.

First, I desire to place myself on record as being opposed to the wholesale barter and sale of votes that practically decides both the general election and the primaries of both parties, which is harmful not only to the buyer by blunting his moral perception and rendering him more easy of access to the seductive manipulation of the legislative lobbyist, but is harmful to the seller in that it not only degrades his manhood but makes the seller an agent in bringing into existence the unjust laws of special privileges that are in most cases the cause of the poverty or lust that induces a man to sell a birthright handed down to him by the blood and sacrifices of his forefathers, but it puts out in the future and makes harder of attainment true Democratic conditions that will make privilege and plunder a nightmare of the past.

In offering myself as a Democratic candidate for the Senatorial nomination, I solemnly pledge myself not to use, or permit to be used, for the benefit of my candidacy, any money for unlawful purposes.

Second, while I believe that the laws under which we are compelled to live in Maryland are vastly more important than the mere selection of representatives in the United States Senate, I am and have been in favor of the election or selection of Senators by direct vote of the people, reserving the present proportion of County representation in the State, thus attaining direct control by the people and at the same time preventing the concentration of power in any section of the State. I pledge myself to do everything in my power to bring about the selection of United States Senators by the direct vote of the people and thus remove this disturbing factor from the function of a legislator, who can thereby apply himself fully to the enactment of proper laws and to the repeal of improper laws and special privileges.

I also pledge myself, if successful, to oppose whatever legislation may be proposed that will favorably affect any individual or corporation at the expense of our people; and especially to investigate and devise a more equitable distribution of the heavy burden of taxation that Kent and other agricultural sections of the State struggle under by reason of the exemption or lightened share that certain corporations, coal land owners and the owners of large values in our chief city's real estate enjoy, and in all acts of legislation to submit to the expressed wishes of the constituency that I hope to represent.

Very respectfully,

CECIL R. ATKINSON,

Box 33, Chestertown, Md.
