As a result of her alertness, the Intelligence De-Lion for flight training as an Army partment of the Navy has become very much interested in the Air Corps cadet. case. It was a case of being alert and calmly noting all necessary facts which is an example of what civilians can do when an emergency presents itself. If the man is innocent of any subversive activity he will not be molested, if he is an agent of an enemy for Civilian Defense in Queen Anne's country, Mrs. Alexander will have rendered her country a great country just closed. The campaign was directed by members of the REAL ESTA service.

CANNERS AWAIT VERDICT

Shore canners as well as farmers are very much interested in the forthcoming session of the National Canners meeting this week in Chicago. At this meeting the canners will discuss with Federal representatives the question of an adjustment of wages paid to workers in the canning factories in this section.

Last year the canners were forced to pay to piece workers 30 cents an hour, whether they made that much
