The Axe We Grind

Is to offer you BETTER SHOES than any other dealer. There isn't any doubt but what we are succeeding. Its not that merely good leather is used. The lasts are true to nature. The workmanship is unexcelled, so it would be strange indeed if such shoes did not prove more satisfactory than those made simply to sell.

Every cent you pay for our Shoes is fully represented by the value received. Fresh new goods on new models just from the makers. Dressy Shoes for all occasions. Staunch long wear shoes for hard usage.

Foot-form boys' and girls' shoes, all styles and prices are here all good value. The only place in town where you can get the Celebrated W. L. Douglas Shoes for men and boys.

Look in before buying elsewhere. My stock of Oxford Ties in white, tan and black can't be beat this season.

Quality Did It!

The fact that SCHNAPPS is so widely imitated only proves that it is the best chew—the standard flat plug. Other plugs are made to imitate the size and shape and color of SCHNAPPS—other tags are made to look like SCHNAPPS tags—yet there are more pounds of SCHNAPPS chewed annually than all other similar tobaccos.

Schnapps

SCHNAPPS is made of only choice selections of well matured, thoroughly cured leaf, and in factories as clean as the cleanest kitchen, situated in the very heart of the greatest chewing tobacco growing country, by men of life-long experience in tobacco manufacturing, and who have directed the R. J. Reynolds Tobacco Company since 1875.

SCHNAPPS has the pleasing, appetizing aroma which created and popularized the fondness for chewing. Expert tests prove that it requires and takes a smaller amount of sweetening than any other kind—and has a wholesome, stimulating and satisfying effect on chewers.

Internal revenue statistics show that SCHNAPPS and other of the Reynolds brands won enough chewers in one fiscal year to make a net gain of six and a quarter million pounds, or one-third of the entire increased consumption in the United States on chewing and smoking tobacco.

Be sure the letters on the tag and under the tag spell S-C-H-N-A-P-P-S, and you will have the genuine.

HARRY L. BOYD,

Feb.20-1 yr. CHESTERTOWN, MD.

TO THE VOTERS OF KENT COUNTY.

I desire to offer myself as a candidate for the Democratic Nomination to the Senate of Maryland, to be selected by the County Convention of Kent in 1907, and to submit for your consideration my record in the past and to outline what I would attempt to do in the event of my nomination and election.

First, I desire to place myself on record as being opposed to the wholesale barter and sale of votes that practically decides both the general election and the primaries of both parties, which is harmful not only to the buyer by blunting his moral perception and rendering him more easy of access to the seductive manipulation of the legislative lobbyist, but is harmful to the seller in that it not only degrades his manhood but makes the seller an agent in bringing into existence the unjust laws of special privileges that are in most cases the cause of the poverty or lust that induces a man to sell a birthright handed down to him by the blood and sacrifices of his forefathers, but it puts out in the future and makes harder of attainment true Democratic conditions that will make privilege and plunder a nightmare of the past.

In offering myself as a Democratic candidate for the Senatorial nomination, I solemnly pledge myself not to use, or permit to be used, for the benefit of my candidacy, any money for unlawful purposes.

Second, while I believe that the laws under which we are compelled to live in Maryland are vastly more important than the mere selection of representatives in the United States Senate, I am and have been in favor of the election or selection of Senators by direct vote of the people, reserving the present proportion of County representation in the State, thus attaining direct control by the people and at the same time preventing the concentration of power in any section of the State. I pledge myself to do everything in my power to bring about the selection of United States Senators by the direct vote of the people and thus remove this disturbing factor from the function of a legislator, who can thereby apply himself fully to the enactment of proper laws and to the repeal of improper laws and special privileges.

I also pledge myself, if successful, to oppose whatever legislation may be proposed that will favorably affect any individual or corporation at the expense of our people; and especially to investigate and devise a more equitable distribution of the heavy burden of taxation that Kent and other agricultural sections of the State struggle under by reason of the exemption or lightened share that certain corporations, coal land owners and the owners of large values in our chief city's real estate enjoy, and in all acts of legislation to submit to the expressed wishes of the constituency that I hope to represent.

Very respectfully,
CECIL R. ATKINSON,
Box 33, Chestertown, Md.
