Suffered Twenty-One Years—Finally Found Relief

Having suffered for twenty-one years with a pain in my side, I finally have found a relief of Dr. Kilmer's Swamp-Root. The physicions called it "Mother's Pain" and injections of morphine were my only relief for short periods of time. I became so sick that I had to undergo a surgical operation in New Orleans, which benefited me for two years. When the same pain came back one day I was so sick that I gave up hopes of living. A friend advised me to try your Swamp-Root and I at once commenced using it The first bottle did me so much good that I purchased two more bottles. I am now on my second bottle and am feeling like a new woman. I passed a gravel stone as large as a big red bean and several small ones. I have not had the least feeling of pain since taking your Swamp-Root and I feel it my duty to recommend this great medicine to all suffering humanity. Gratefully Yours.

MRS. JOSEPH CONSTANCE,
Avoyelles Par. Marksville, La.

Personally appeared before me, this 15th day of July, 1911 Mrs. Joseph Constance, who subscribed the above statement and made oath that the same is true in substance and in fact.

Mrs. Satisfied — "Well, there's one more thing that won't clutter up my house any more. I'm certainly glad you told me about Fels-Naptha Soap, Anty Drudge."

Anty Drudge — "That's what every woman who uses Fels-Naptha says. They always thank me for telling them about the easy way of doing their work better than ever before."

Fels-Naptha Soap is the enemy of the wash-boiler. It does your work with cool or lukewarm water, better than it was ever done with hot water and hard rubbing.

If you use Fels-Naptha Soap once you can never be coaxed to use any other soap.
