PUBLISHERS AND EDITORS.

SATURDAY, MAY 22, 1909.

H. H. ROGERS, the Standard Oil Magnate, died suddenly Wednesday night.

THE announcement of the date for Democratic primaries, June 12th, has awakened renewed interest and the candidates and their friends have been busy.

THE voters seem to be lining up for and against the "organization." The organization, during the past week, has been greatly strengthened and their candidates are making votes daily.

THE "Organization" candidates in the coming primaries are as follows:

Clerk of Circuit Court—Jas. T. Dixon.
Register of Wills—Harry Griffith.
Treasurer—Wm. S. Hurlock.
Sheriff—Andrew Medders.
County Commissioners—John E. Morris, C. Frank Wheatley.
House of Delegates—Jas. S. Harris, Harry C. Willis.

Mr. John Bell is a candidate for Treasurer, O. B. Crisfield for Sheriff and Dr. G. I. Barwick and F. P. Cochran as candidates for Clerk on the "Middle of the Road" ticket.

The "Anti" ticket as heretofore "officially" reported are as follows:

Clerk—Walter H. Hadaway.
Register—Jesse Copper
Treasurer—Wm. Tarbutton.
Sheriff—Chas. H. Davis.
County Commissioners—Charles D. Wood, Benj. Crew.
House of Delegates—Dr. G. Allen Jarman, Dr. W. W. Beall.

AN effort was made in certain quarters to put the responsibility for compelling commissioners to run through county on Messrs. Wickes, Ivens and Redmile, State Central Committee for Kent county, but they had nothing to do with it. They simply enforce the new Primary Law as interpreted by Attorney-General Straus. He says:

"The State Central Committee of any county which has decided that the nominations shall be made by direct vote, has no power or right whatever to limit the primary election or the voters to any particular district or districts."

If parties who take issue with the Attorney-General as to the meaning of the new Primary Election Law mean what they say about the illegality of this method as has been adopted, why have they not presented to the State Central Committee valid reasons for the interpretation they are contending for? Or better still, why don't they appeal to the courts and compel the committee to conduct the primaries according to the law as they interpret it? The courts are open and the proper tribunal to determine whether the committee is violating the law. Better a short delay than hold illegal primaries. It is a very easy thing to assert what you may believe to be the law, now let the courts determine the matter. It would only require a day or two to determine the question.

Attorney-General Lays Down Law To County Commissioners.

CANDIDATES RIGHTS UPHELD

May Enter Open Primaries From Any Section Or District Of The County, Says Mr. Straus.

The following item is from the Baltimore Sun of Saturday and "the way-faring man though a fool" can have no trouble in understanding it:

"The question has been presented from several counties to Attorney-General Straus as to the right of the State Central Committee of any county which has decided that nominations for county offices shall be by the direct vote, or Crawford county system, to limit either the candidates or the voters in the primary elections for the nomination for county office to one or more districts of the county, instead of the elections being held for such nominations throughout the county.

In response to these inquiries the Attorney-General has held that the State Central Committee of any county, which has decided that the nominations shall be made by direct vote has no power or right whatever to limit the primary election or the voters to any particular district or districts.

The Attorney-General holds that where the direct vote has been adopted as the plan of making nominations neither the candidates, nor the voters in the primaries, nor the primary elections themselves, can be restricted in any manner, but that a candidate may enter the primaries from any section or district of the county and that all the voters in the party throughout the county are entitled to vote and that primaries must be held throughout the coutny.

The question arose recently upon an inquiry presented by Mr. Thomas H. Robinson, chairman of the State Central Committee of Harford county, where the Crawford county system has obtained for many years, in nominating the county ticket."

TO MY MANY FRIENDS.

It is with the deepest feelings of appreciation and gratitude that I take this means of thanking my many friends for their kind assistance in saving my personalty on the night the fire destroyed my Shoe Shop, and I hope some time I may be able to at least partly return their kindness, but not in same way.

Most respectfully,

Hadaway and Walter H. Hadaway on the east; which said lot of land is supposed to contain about 14.005 ACRES OF LAND, more or less, reserving and excepting therefrom and thereout the two acres of the said tract immediately adjoining the public road, which will not be sold), but all the rest and residue of said lot of land will be offered and sold subject to a right of way over the entire tract as now laid down and used along the lines of the lands of Mrs. Myra Maslin and Dr. Walter O. They are described in a deed from James M. Scone and wife to the late Columbus A. Leary, bearing date the 27th day of December, 1876 duly executed, acknowledged and recorded in Liber D. C. B., No. 2, Follos 408, &c., one of the Land Record Books for Kent county aforesaid, as on reference to same will more fully and at large appear, and each of them is known as a part of a tract of land called "Beck's Content."

Each lot is particularly described by a survey and plot of each made by Gilbert B. Taylor, surveyor, in the month of March, 1909, as will appear by reference to said plot and survey now on view at the office of Elmer E. Leary.
