Toulson's Drug Store

The Story of a Medicine.

Its name—"Golden Medical Discovery" was suggested by one of its most important and valuable ingredients—Golden Seal root.

Nearly forty years ago, Dr. Pierce discovered that he could, by the use of pure, triple-refined glycerine, aided by a certain degree of constantly maintained heat and with the aid of apparatus and appliances designed for that purpose, extract from our most valuable native medicinal roots their curative properties much better than by the use of alcohol, so generally employed. So the now world-famed "Golden Medical Discovery," for the cure of weak stomach, indigestion, or dyspepsia, torpid liver, or biliousness and kindred derangements was first made, as it ever since has been, without a particle of alcohol in its make-up.

A glance at the full list of its ingredients, printed on every bottle-wrapper, will show that it is made from the most valuable medicinal roots found growing in our American forests. All these ingredients have received the strongest endorsement from the leading medical experts, teachers and writers on *Materia Medica* who recommend them as the very best remedies for the diseases for which "Golden Medical Discovery" is advised.

A little book of these endorsements has been compiled by Dr. R. V. Pierce, of Buffalo, N. Y., and will be mailed *free* to any one asking same by postal card, or letter addressed to the Doctor as above. From these endorsements, copied from standard medical books of all the different schools of practice, it will be found that the ingredients composing the "Golden Medical Discovery" are advised not only for the cure of the above mentioned diseases, but also for the cure of all catarrhal, bronchial and throat affections, accompained with catarrhal discharges, hoarseness, sore throat, lingering, or hang-on-coughs, and all those wasting affections which, if not promptly and properly treated are liable to terminate in consumption. **Take Dr. Pierce's Discovery in time and persevere in its use until you give it a fair trial and it is not likely to disappoint. Too much must not be expected of it. It will not perform miracles. It will not cure consumption in its advanced stages. No medicine will. It *will* cure the affections that lead up to consumption, *if taken in time.***

GRANGE NEWS

Still Pond Grange held a splendid meeting on Monday, May 24th. The meetings have proved to be so interesting that it was unanimously decided to hold them weekly, every Monday at 3 P. M. The question for discussion "What benefit do the farmers of Kent derive from the Kent and Queen Annes Fair?" Leader, Mr. W. D. Pennington. It was unanimously decided that no benefit is derived from the fair and that it is a detriment to the agriculture interests of the county. After a parliamentary drill and a discussion on "The value of an attractive home in forming the character of childhood," lead by Mrs. Kelley, in which all present took part, the meeting closed.

Weather for June.—From *Word and Works*, by Rev. Irl R. Hicks, we obtain the following regarding the weather for the month of June: "A reactionary storm period is central on the 3rd, 4th and 5th. A regular storm period is central on the 10th, lasting from the 8th to the 13th. A reactionary storm period has center on the 16th, 17th and 18th, with new moon and sun's eclipse on the 17th. A regular storm period is central on the 21st, covering 10th to the 22nd. Great fluctations of the barometer, with high temperature, great humidity and startling electrical displays are to be expected at this prolonged period, especially from about Sunday, the 20th, to Thursday the 24th. High winds with possible tornadoes will probably attend some of these storms. A reactionary storm period is central on the 26th, 27th and 28th Look for low barometer promptly on the 21th, attended by sudden and severe thunder gusts. The storms will pass eastwardly over the country during the 26th, 27th and 28th. All of the storms in June, especially from the middle to the close of the month, will bring many local surprises by sudden turns in their directions, often whirling sidewise or backwards in their courses and deluging picnickers from unlooked for directions."

A FAIR MAY BRIDE.

Annapolis Evening Capital.

Beautiful historic old St. Anne's Church, was well filled last Thursday night at 8.30 o'clock at the pretty wedding ceremony solemnized there. The church was beautifully decorated with snowballs, palms, orange blossoms and buttercups. The color scheme of the wedding was blue and buff and these colors were carried out as far as possible in the gowns worn by the bride's attendants.

The bride is Miss Mary Wheatley, second daughter of Mr. and Mrs. J. C. Wheatley, of this city, and the groom is Mr. Frank Carter Pogue, of Baltimore The ceremony was performed by the rector, Rev. Joseph P. McComas. The ceremony was performed by the rector, Rev. Joseph P. McComas. The new organist and choirmaster of St. Anne's, Mr. Arthur Edward Jones, presided at the organ, and played as a processional the Bridal Chorus from Lohengrin, and as a recessionol Mendelssohn's wedding march.

The ushers were Mr. Arthur B. Wheatley, brother of the bride; Mr. Graham Eckel, of Baltimore; Mr. J. H. Penn and Mr. A. W. Bowden, both of Baltimore, Mr. Arthur Wheatley, of Baltimore, cousin of the bride, and Mr. Miles Woolford, of Cambridge, also a cousin of the bride.

The bride entered the church with her father, who gave her in marriage. The betrothal ceremony was performed at the foot of the chancel steps, after which the bridal party proceeded to the chancel. The bride was attended by Mrs. W. V. A. Keeler, of Philadelphia, who was matron of honor, and her sister Miss Lucy Rees Wheatley, who was maid of honor. The bridesmaids were Miss Anna Louise Rees, of Baltimore, and Miss Mabel Rees Woolford, of Cambridge, cousins of the bride. The groom's best man was Mr. Tolleson H. Kirby, of Baltimore.

The bride, who is a very pretty brunette, looked attracrive in a gown of white messaline made princess, with duchess bertha. Her tulle veil was caught in the hair with natural orange blossoms and reached to the end of her train, and she carried a shower bouquet of lillies of the valley. The matron of honor wore a gown of buff satin, made directorie, and a black picture hat with plumes, and carried marchal Neil roses. The matron of honor wore a dainty white mouseline made directorie over blue silk, with white hat and white plumes and carried an armful of white roses.

The bridesmaids wore blue messaline with blue hats and white plumes and carried white roses. The groom, his best man and ushers wore the conventional dress for an evening wedding, and each had a boutonniere of lillies of the valley. After the ceremony there was an informal reception at the bride's home, 176 Prince George street.

Mr. and Mrs. Pogue left on the 10.30 train last night for a trip South and upon their return they will reside at 611 St. Paul street, Baltimore, where the groom is engaged in business, being chief clerk in the passenger department of the Merchants and Miners Steamship Company. The bride received many handsome and useful presents, including silver, cut glass and house furnishings. She has many friends in Annapolis, who wish her much happiness.

HARDT—RICH.

The friends of Miss Margie M. Rich and Mr. John Hardt were surprissd to learn Saturday that the couple have been married for the past year. On May 19 last the ceremony took place at the Cardinal's residence, Rev. Father Gavan officiating. Mrs. Hardt was formerly from Rock Hall, but had lived in Baltimore for sometime, and the groom resides with his parents at 2518 Woodbrook avenue. Last Wednesday the couple decided that as they had been married just a year they would tell their parents. The news was broken gently and forgiveness and blessings received. Their friends did not learn of the wedding until Saturday, however, and they were just as much surprised as were the parents of the couple. The couple have given no reason for keeping the marriage a secret for a year beyond declaring that they just didn't want it known. They will reside with Mr. Hardt's parents on Woodbrook avenne—Balto. MAY CUT MERRITT BOND

$5,000 Declared Forfeited in Talbot County Court—Physician Does Not Appear—Court Expresses Sympathy For Mrs. Merritt and May Reduce Her Liability to $2,500.

The case of Dr. James B. Merritt, indicted by the grand jury at the November term of the court for abortion, and who is out on $5,000 bail was called in Easton Tuesday morning and the $5,000 bail forfeited.

Col. James C. Mullikin and W. Mason Shehan, counsel for the prisoner, made a motion to quash the indictment on the grounds that the grand jury was not a legal body. The Court refused their motion. State's Attorney Turner then asked that his bail be forfeited, which the Court granted. On the bond are Mrs. J. B. Merritt, Alexander Fountain, James B. McNeal, Martin M. Higgins, Michael B. Nichols, Edward C. Stoops, and John S. Griffith.

Col. Mullikin made a motion that the bond be reduced one-half, giving as his reason that Mrs. Merritt had given up everything to make his bondsmen secure, so that they would not lose a single cent, but that it would impoverish her if the Court insisted on the full amount. State's Attorney Turner objected to reducing the bond.

Judge Pearce said that the Court was in sympathy with Mrs. Merritt and her family, but could not in justice reduce the bond, as Judge Adkins, who fixed it, was prevented from being present, and they would hold that part of the defense as to reduction of the bond until they could confer with Judge Adkins.

The location of Dr. Merritt is unknown in Easton, except to his family, counsel and a few friends.
