Tremendous Crowds.—For a week or ten days a large number of persons have been making the store of H. H. Beneman, Millington, their headquarters. This is because Mr. Beneman has such an attractive assortment of goods. His motto is "the best goods for the least money." Read his advertisement then call and see him if you are looking for bargains.

The Knock-out Blow.

The blow which knocked out Corbett was a revelation to the prize fighters. From the earliest days of the ring the knock-out blow was aimed for the jaw, the temple or the jugular vein. Stomach punches were thrown in to worry and weary the fighter, but if a scientific man had told one of the old fighters that the most vulnerable spot was the region of the stomach, he'd have laughed at him for an ignoramus. Dr. Pierce is bringing home to the public a parallel fact; that the stomach is the most vulnerable organ out of the prize ring as well as in it. We protect our heads, throats, feet and lungs, but the stomach we are utterly indifferent to, until disease finds the solar plexus and knocks us out. Make your stomach sound and strong by the use of Doctor Pierce's Golden Medical Discovery, and you protect yourself in your most vulnerable spot. "Golden Medical Discovery" cures "weak stomach," indigestion, or dyspepsia, torpid liver, bad, thin and impure blood and other diseases of the organs of digestion and nutrition.

The "Golden Medical Discovery" has a specific curative effect upon all mucous surfaces and hence cures catarrh, no matter where located or what stage it may have reached. In Nasal Catarrh it is well to cleanse the passages with Dr. Sage's Catarrh Remedy fluid while using the "Discovery" as a constitutional remedy. *Why* the "Golden Medical Discovery" cures catarrhal diseases, as of the stomach, bowels, bladder and other pelvic organs will be plain to you if you will read a booklet of extracts from the writings of eminent medical authorities, endorsing its ingredients and explaining their curative properties. It is mailed *free* on request. Address Dr. R. V. Pierce, Buffalo, N. Y. This booklet gives all the ingredients entering into Dr. Pierce's medicines from which it will be seen that they contain not a drop of alcohol, pure, triple-refined glycerine being used instead.

Dr. Pierce's great thousand-page illustrated Common Sense Medical Adviser will be sent free, paper-bound, for 21 one-cent stamps, or cloth-bound for 31 stamps. Address Dr. Pierce as above.

WASHINGTON COLLEGE.

Chestertown, Md., June 8th.—The Commencement series close the baseball season of Washington College. Mt. Washington, Mt. St. Joseph College and Alumni will be played successfully. The last named game is expected to draw the usual large Commencement crowd. A bunch of veterans of the diamond will return to Alma Mater and try to show the varsity a great game. GRANGE NEWS.

Still Pond Grange met Monday, June 7th at 3 P. M. Four candidates were admitted to membership. A piano has been placed in the Grange hall which adds to the pleasure of the meetings. Mrs. A. L. Harris had charge of the musical program and entertained the meeting delightfully. The badges purchased by the Grange have been received. The arrangements made for Pomona Grange Field Day by the Executive Committee was reported by Mr. Harry Willis. A number of other matters were brought before the Grange which caused extended discussion. A special program has been arranged for the next meeting June 14th including refreshments.

Fairlee Grange, No. 249, met June 2nd. It was called to order by our worthy master, J. P. Nicholson. Forty members were present. Opening song by Grange, "Bud and Bloom." The question, "What benefit is lime on our land?" was ably discussed by Brothers J. P. Nicholson, W. T. Nicholson, W. G. Skirven, T. E. W. Crew and others. The next on the program was an original poem contest, with T. E. W. Crew as captain. Bro. Crew furnished a very amusing poem but was so modest he would not let us have it so we cannot give it. Bro. Crew was followed by Bro. Carre Rhinehart—his poem, well it shook the building, or rather the applause. Bro. Harry Morris hit the girls hard with his verse. Sister Lew Skirven gave the single men some advice and Sister Fanny Ward took the prize and called the lecturer in prominence. The duet, "The Bird With a Broken Wing," by Sisters French, was fine.

Resolved. That a chicken hatched on one side of the fence and raised on the other belongs to the side on which he was raised. This discussion was quite amusing by Bros. Jester, Smyth, Crew and Kendall. Bro. Kendall read an article on conferring degrees. What benefit has the Pure Food Law been to the farmer? by Sisters Smyth and Crew was instructive.

IN MEMORIAM.

In sad but loving remembrance of our beloved daughter, Mary R. Boyer, who died one year ago, June 9th, 1908.

Rest love from the cares of life
How we miss thee none can tell
With those willing hands and cheerful smile
We remember O, so well.

Ah me, just one year ago
When the message came, Mary is dead:
To a heart that was aching with dread
None but they who have passed through such wee,
Can the depth of our sorrow know,
But God is merciful and just,
And in His mercy we trust.
