KENT NEWS.

The Union says that the report of the resignation of Mr. Buchanan is "utterly destitute of foundation"—The Union adds:

There is not a shadow of truth in it.—Mr. Buchanan has not resigned, nor has he talked or thought of resigning; nor has any member of the cabinet. The reason assigned, too, for this resignation, is as fabulous as the report itself. There is no difference of opinion in the cabinet on the Oregon question. There never was a more harmonious cabinet, and there is as little variety of opinion on all the great questions which come before the present cabinet, as in any of its predecessors. We are fully warranted in making this statement in the most authentic and authorative manner.

A Rare Meeting.—A communication in the New Hampshire Patriot states that there was recently a meeting at Henniker, N. H., of seven brothers of the name of Wood, whose united ages were a little more than 453 yaers—the average being 64½ years. They had never all been together before, even in childhood; and now met for the *last* as well as the *first* time.

The Locofoco Convention which asembled at Baton Rogue, Louisiana, on the 4th instant, nominated Judge Isaac Johnson for the office of Governor and Nasimond Landry, Esq. for that of Lieutenant Governor.

The Whigs of Caroline county have nominated for the House of Delegates, Thomas Wheeler, George W. Harrington and Joseph Pearson.
