FEED FAIRFIELD'S BLOOD TONICS (POWDERS)
A SEPARATE PREPARATION FOR HORSE, COW, HOG AND POULTRY

GREATEST KNOWN BLOOD PURIFIERS

THE working capacity of any horse can be practically doubled by feeding FAIRFIELD'S BLOOD TONIC for HORSES regularly. It exterminates worms, builds up the health and saves feed.

The farmer that sowed wheat all over his farm and expected to reap a crop of wheat, oats and corn from the same, would be no more foolish than the man who feeds his horse, cow, hog and poultry from the same package of Condition Powder and expects to get results. The intelligent farmer feeds FAIRFIELD'S, because there is a separate preparation for each kind of animal.

The Fairfield Preparations are sold under written guarantee by

The Roll Of Honor

IN BANKING CIRCLES when a bank has net profits amounting to more than its capital stock, it is entitled to a place on the Roll of Honor, and it is with pride that we state we are on this Roll.

In November, 1904, the Bank opened for business with a capital of $25,000, and to-day, which is about 4½ years, we show a surplus and undivided profit account of **$36,955.20**, a remarkable record.

The above figures prove conclusively what prudence and good judgment in making loans has done, and at the same time demonstrates the confidence the public have in this Institution in making us their depository, and thereby affording us the means to make this splendid showing.

We ask your account—large or small—all receive the same consideration.

BOLGIANO'S RECLEANED

COW PEAS

WILL MAKE YOU RICH.

Sow them for hay crops—for forage crops after grain crops—on vacant land. Put Cow Peas in every available piece of land you have. They will wonderfully increase the value and productiveness of your entire farm. We strongly recommend the sowing of Mixed Cow Peas. They are composed of Blacks, Whip-poor-wills, Clays and Ect. The upright growing varieties will hold up the vining varieties and will produce much better crops of vines and larger amount of forage.

The Agricultural Department at Washington referred me to you for Alfalfa, Cow Peas and Irish Cobbler Potatoes.

TAX RATE DECLARED.

The county commissioners met in special session Monday and declared the tax rate to be $1.25 per hundred dollars for the ensuing year. This rate is thirteen cents higher than the last two years owing to increased expenditures. The State tax is sixteen cents. An itemized statement will appear later in the NEWS.

WHEAT CROP DAMAGED.

Hon. James S. Harris was in town Wednesday and stated that in his section the wheat crop had been damaged by scab caused by rainy weather. The crop in Queen Anne's is badly affected and will be cut severely. It is some consolation, however, to be told that the scab does not seem to be quite as bad as last year.

Spot wheat is quoted at $1.60 and July wheat at $1.16.

Harvest will begin in Kent today. Some wheat was cut across the river yesterday.

Road Building.—Supt. Adkinson has been in town this week superintending the building of a bungalow near Hopewell school and looking after details preparatory to building the new State road. This road will begin at the College and continue beyond the Biddle farm, occupied by Mr. Romie McCauley, a distance of 3 3-10 miles. They expect to build a mile a month. The contract price is $30,731.64.

Farm Sold.—Mr. Thomas G. Wroth on Monday last sold his farm in Quaker Neck, tenanted by Mr. Jos. Trew, to Mr. James A. Lee, of Queen Anne's county. Price $11,300. This farm contains 172 acres and is lovely situated. This is the second farm sold by Mr. Wroth in last two weeks.

The Rowan farm of 365 acres in the First district of Cecil county was sold to Dr. E. N. Crawford for $7,200.

Caught in the Act.—Persons in Still Pond have been losing corn and no clue to thief could be found until Messrs. Baynard Harper and Elon Beauchamp, two young men of the village took charge of the affair. On Saturday night these young gentlemen concealed themselves in the corn-crib of Mrs. Lavina Harper. About 3 o'clock Sunday morning a colored man came in the yard and opened the corn-crib door and felt inside for the corn, but instead of getting corn touched young Harper. The man then closed the door and started to run, but was overtaken by Messrs. Harper and Beauchamp and placed in charge of constable Severson, who brought him to the Chestertown jail. The colored man was Tom Jones, a well-known Still Pond character.

Contract Awarded.—The contract for carrying the mail between Rock Hall and Chestertown has been awarded to Mr. Wm. B. Ashley for $470. He will begin the route July 1st. Mr. Wm. Scoone has been faithfully serving this route and his jolly presence will be sorely felt. Good luck to you, "Rocks."
