The Roll Of Honor

IN BANKING CIRCLES when a bank has net profits amounting to more than its capital stock, it is entitled to a place on the Roll of Honor, and it is with pride that we state we are on this Roll.

In November, 1904, the Bank opened for business with a capital of $25,000, and to-day, which is about 4½ years, we show a surplus and undivided profit account of $36,955.20, a remarkable record.

The above figures prove conclusively what prudence and good judgment in making loans has done, and at the same time demonstrates the confidence the public have in this Institution in making us their depository, and thereby affording us the means to make this splendid showing.

We ask your account—large or small—all receive the same consideration.

BOLGIANO'S RECLEANED

COW PEAS

WILL MAKE YOU RICH.

Sow them for hay crops—for forage crops after grain crops—on vacant land. Put Cow Peas in every available piece of land you have. They will wonderfully increase the value and productiveness of your entire farm. We strongly recommend the sowing of Mixed Cow Peas. They are composed of Blacks, Whip-poor-wills, Clays and Ect. The upright growing varieties will hold up the vining varieties and will produce much better crops of vines and larger amount of forage.

J. Bolgiano & Son, Baltimore, Md.

The Agricultural Department at Washington referred me to you for Alfalfa, Cow Peas and Irish Cobbler Potatoes.

E. L. DUYCHINCK, Cecil county, Md.

We are headquarters for Cow Peas. If your merchant can't supply you with Bolgiano's Recleaned Cow Peas write to us. We will tell you where you can get them.

Wagon Talk

Naturally enough after a farmer gets his wheat cut he begins to think about his wagons. If it is a new one you are thinking of or have to buy, then we want you to have a word with us along that line. We are using fine material, in fact as clean SEASONED WHITE OAK as a man can get. When you consider the size of axles, length of arm and many other things about our Wagons, and then compare them with the same points on other wagons, you will find that we are selling a strictly handmade — not a factory piece built wagon—made by honest men and first-class at their trade, just as cheap as the factory built one.

We want you to see our Wagons before you buy.

FAIRFIELD'S FEED BLOOD TONICS
A SEPARATE PREPARATION FOR HORSE, COW, HOG AND POULTRY

GREATEST KNOWN BLOOD PURIFIERS

THE working capacity of any horse can be practically doubled by feeding FAIRFIELD'S BLOOD TONIC for HORSES regularly. It exterminates worms, builds up the health and saves feed.

The farmer that sowed wheat all over his farm and expected to reap a crop of wheat, oats and corn from the same, would be no more foolish than the man who feeds his horse, cow, hog and poultry from the same package of Condition Powder and expects to get results. The intelligent farmer feeds FAIRFIELD'S, because there is a separate preparation for each kind of animal.
