SATURDAY, JUNE 26, 1909.

EVERY merchant in Kent should belong to the Association formed in Chestertown this week. Next meeting will be held July 21st.

THE Republicans have begun to wake up and look around. Capt. Dan Hill and Mr. Wilbur Eliason, Jr., are named as candidates for Clerk, Robert Hill for Treasurer, A. M. Kendall for Legislature, W. G. Smyth and C. Robey Rasin for Commissioners, etc. They will no doubt name a full ticket.

THE memorial services at Christ M. P. Church Sunday, as noted in another column, was of more than passing notice. In the pulpit were Drs. F. T. Little, D. L. Greenfield and W. R. Graham, three of the greatest pulpit orators in the State and each one possessed of talents peculiarly characteristic.

CHESTERTOWN was honored this week in having one of its efficient officials to preside over the State Banker's Association which met at the Blue Mountain House, viz., Mr. W. B. Copper. Mr. Copper made an appropriate address dwelling upon the Eastern Shore Trade and its relation to Baltimore. Messrs. Samuel Vannort, M. A. Toulson, Curtis E. Crane, Allan A. Harris, J. R. Simpers were also present from Chestertown.

THE Chicago school superintendent wants the girls of that city hereafter to be graduated in calico. The peace conference may make all the nations of Europe disarm, the Czar may be persuaded to establish a constitutional monarchy, the Democrats may foregather in a lovefeast of brotherly love and harmony, and Bryan my concede one or two Roosevelt original ideas, but such a miracle of reform as this foolish man wants to bring about will never see fruition.

THE raise in advertising rates by the Curtis Publishing Co. sets a new mark for magazine advertising prices. The new rate is as follows: Ladies' Home Journal, $7 per line, $5,000 per page, $7,000 for back cover. Saturday Evening Post, $5 per line, $3,000 per inside page, inside cover, $3,300; back cover, $3,600. Circulation, Journal, 1,300,000; Post, 1,200,000.

IT is highly important that the Chestertown Commissioners place sign boards at the town limits cautioning automobiles about exceeding the speed limits while in town. It is more important that the law governing the matter be enforced. Strangers ride through the streets of our town as if it was a race course endangering life and vehicles that might be in their path. Let this matter be attended to NOW before an accident occurs.

MEETING OF BUSINESS MEN.

Representatives of 22 of Kent county's progressive business houses gathered in the Court House Wednesday with the purpose of organizing a Merchants Manufacturers and Bankers Association. Some of the objects of the association are the mutual advance of all business interests, for better credit protection, to create a better social feeling among business men and to encourage all public enterprises that are for the good of all the people.

A preliminary organization was formed and the following temporary officers selected: President, Howard T. Owens, Betterton; Vice-Pres., M. A. Toulson, Chestertown; Secretary, Chas. N. Satterfield, Chestertown; Treas., R. F. Parks, Chestertown; Executive Committee, H. F. Jefferson, Chestertown; C. W. Hague, Still Pond; N. Lieberman, Melitota; M. Kramer, Rock Hall, and C. M. Hurtt, Millington. A meeting will be held again on July 21st, 1909, at 11 A. M. in the Court House at which time a permanent organization will be effected. The annual dues will be $5.00 and is for one firm, bank or manufacturing concern and entitles them to one vote. Any merchant, manufacturing concern, bank or any reputable citizens can become members of the association.

The following gentlemen, together with the executive committee, are to solicit new members: W. Reybold Wilson, Rock Hall; Charles N. Brice, Betterton; H. R. Graham, Chestertown; W. H. Kelley, Locust Grove, and J. W. Ivens, Worton. The executive committee are authorized to draft By-Laws for the permanent good of the association and are to report at the July meeting.

Great interest was manifested by those present. Mr. Charles W. Clements, of Crumpton, president of the Queen Anne's Association, was present and was untiring in his efforts to help us get organized. The purpose of those present was to put ourselves in a position to better serve our patrons and not by any means to try to form a trust to antagonize our friends or raise prices. Any person or firm being interested may make application for membership to the president, secretary or any member of the executive committee or be present at the meeting in the Court House, July 21, 1909, at 11 a. m.

THE moving picture show in Stam's Hall will close for the summer after next Saturday. Be sure and see the fine program tonight and every night next week.

HARVESTING NOTES.

Mr. H. P. Skipper, across the river, expects to begin threshing Monday afternoon if the weather remains favorable.

Mr. J. T. Anthony, another early bird from across the river, has finished plowing fallow.

A sad story comes from near Kennedyville of a farmer who had on Wednesday 70 acres of ripe wheat to cut and not a single hand on the place! The farmer was on the machine all day trying to save what he could. He said he had tried to get labor but had not succeeded.

The farmers of near Chestertown placed themselves in an unpleasant position this year. They ordered binder twine through the Grange so that the local merchants did not buy any twine. Some of our farmers did not order sufficient twine through the Grange and when they went to their local merchant for more there was *none!* It has caused considerable inconvenience to some harvesters.

POINTS TO PRICE OF WHEAT.

A criterion of what the crop of wheat now being harvested in Maryland and Virginia will sell for was fixed Wednesday. The receipts at the Chamber of Commerce were 1,208 bushels. Most of it came from the tidewater counties of Virginia, which is usually the first section to send new wheat to Baltimore. One small lot came from Dorchester county, Maryland.

All the offerings sold by sample: that is, none of it was graded or was accepted to grade any of the recognized standards established by grain dealers. The best lots of the wheat sold at $1.10 a bushel. This was in fair condition, except that it was damp, showing plainly that it had been thrashed before the grain could harden in the husk. From this figure the lots sold down to $1 a bushel, the lowest price being paid for poor, shriveled and mixed stock.

These prices would seem to establish the fact that wheat will not sell for less than $1 a bushel this year. All the dealers do not agree to this, but most of them hold this view. When the stock is dry and in good condition otherwise, the premium will be considerably above this level.

DEATH OF W. J. RIVERS.

Former President of Washington College, Chestertown.

Prof. William J. Rivers, a well-known man of letters and an educator, died Tuesday of the infirmities of age at the residence of his son, Mr. Arthur D. Rivers, 2305 North Calvert street, Baltimore. Funeral services will be conducted by Rev. Peregine Wroth, rector of the People's Church of the Messiah, and the interment will be at his native home, Columbus, S. C.

He is survived by two daughters (Miss Lily L. Rivers and Mrs. Frederick K. Tyler, of Fredericksburg, Va.), and three sons (Dr. E. C. Rivers, of Denver, Col.; Dr. W. J. Rivers, of Eastover, S. C., and Mr. Arthur D. Rivers, of Baltimore City). Many former students of Washington College remember Prof. Rivers with a great deal of pleasure and all speak of him as a high toned Southern scholar.

Work on the new amusement pier was begun this week. The pier is being built by a company of Betterton men and will be quite an improvement to the resort. They expect to have it complete by the middle of July.
