Passed at the December Session, 1845. of the Legislature of Maryland, relative to the Revenue of the State.

A SUPPLEMENT to the Act passed at December session, 1844, chapter 237, entitled an Act imposing a Tax on Colateral Inheritances, Distributive Shares and Legacies, to aid in paying the Debts of the State.

Section 1. Be it enacted by the General Assembly of Maryland, That from and after the first day of January next, it shall be the duty of all and every executor and executors, and administrator and administrators, to whom letters testamentary or of administration shall be granted, within thirteen months or sooner if pricticable from the date of their letters, and also before the legacies or distributive shares, subject to a tax, under the provisions of an Act to which this is a Supplement, are paid over to the party or parties entitled thereto, to pay to the Register of Wills, as directed by the said act, the tax thereby imposed, for which the said Register shall give receipts, agreeably to the said original act, and account and pay the same into the Treasury, as is hereinafter directed, and in case of failure on the part of any such executor or executors, administrator or administrators, to comply with the provisions of this or the original act, the commission to which would otherwise be allowed him, her, or them, shall be forfeited and disallowed by the Orphans' Court.

Section 2. And be it enacted, That in all cases where real estate of any kind or description is, or shall be liable to the tax imposed by the said original act, it shall be the duty of the Orphans' Court to issue a summons or summonses to the parties entitled of full age and the guardians of such as are minors, the said summons to be issued within ten months from the grant of letters testamentary or of administration, or probate of the Will, requiring the said parties or their guardians to appear before the Court issuing the same within three months from the date of the summons, and the said courts shall then proceed by interrogations to the parties entitled or to their guardians, or otherwise, to put a fair and just valuation on said Real Estate, according to the market price thereof, and thereupon, the said parties or their guardians shall pay to the Register of Wills the amount of the tax on the said real Estate, for which the said Register shall give receipts as aforesaid, provided however, that in all cases where the said real estate has been assessed, and the assessment value of the estate liable to be taxed as aforesaid, can be ascertained by the said Courts, they shall be governed thereby in placing a valuation on the same, for the purposes of this Act.

Section 3. And be it enacted, That if the said parties or their guardians shall fail or neglect to pay as aforesaid, to the Register of Wills, as directed by the preceeding section, for the space of three months after the said Orphans' Court shall have fixed and determined the value of the estate to be taxed, the party so failing or neglecting, or his, or her, or their guardians, as the case may be, shall forfeit and pay the amount of the said tax with interest thereupon at the rate of fifteen per centum per annum until paid, to be recovered by action of debt in the County Court of the county, or of Howard's District where the letters were granted which Court shall have jurisdiction thereof, the suit to be instituted in the name of the State, and to be tried and decided at the first term, unless for satisfactory cause shown to the Court, and it is hereby made the duty of the Register of Wills, to give notice of such failure to the Treasurer, who shall thereupon direct the Attorney General, or his deputy for the proper county, or of Howard District, to institute the proper proceedings for the recovery of the amount of the said forfeiture.

Section. 4. And be it enacted, That the said tax shall constitute and be a lien on the real estate subject thereto, in the hands of the devisee, or devisees, or the heir or heirs at law and those claiming under him, her, or them, until the same shall be fully paid and satisfied; provided, that in case the devisee or heir at law liable to the Tax is a minor, the estate should only be charged with the amount of tax, with interest at the rate of six per centum per annum until paid.

Section 5. And be it enacted, That it shall be the duty of the several and respective Registers of Wills, the first days of July and January in each and every year after the passage of this act, to account with, upon oath, and pay into the Treasury, all sums received by them under the provisions of this act, and the act to which this is a supplement, for which thier official bonds shall be liable, retaining for their compensation a commission of two and a half per centum on the amount so paid, and in case the said Registers shall fail to account and pay as aforesaid, within thirty days after the days above limited for that purpose, the Treasurer shall give notice thereof to the Attorney General, or to his proper deputy, whose duty it shall be to put the bond of such Register in suit, for the use of this State, and, a recovery shall be had upon the said bond for the whole amount due from the said Register, with interest at the rate of ten per centum per annum, from the time of such default, (and a recovery upon the bond of any Register for a default) under the provisions of this act, or of the original act, to which this is a supplement, shall be evidence of misbehaviour in office, and *ipso facto* remove such Register from office, which thereupon shall be filled by the Governor, as prescribed by the Constitution and laws of this State, and the said Register shall by such default, forfeit the commission allowed him by this act.
