On account of the confused and unfinished state of the accounts of the late School Board, the Secretary and Treasurer of the present Board has found it impossible to give an intelligible statement for the time embraced between Sept. 30th, 1871, and January 1st, 1872, and therefore prefaces this report with the statement of assets and liabilities handed over by the Treasurer of the late Board Jan. 1st, 1872. The present report includes receipts and disbursements of present Treasurer from January, 1872 to Sept. 30th, 1872.
