"SUGAR COATED" PILLS.

Beware! Caution!!

The increasing popularity of Dr. G. Benj. Smith's improved Indian Vegetable Sugar Coated Pills, has induced a number of persons to make something they call Pills and coat them with sugar, in order to sell them for the genuine, while they do not possess a particle of the goodness, nor even assimilate in appearance to the original, Dr. Smith's Pills. In short, they are an intended fraud upon the community.—A minister who at first had an interest in an imitation Sugar Coated Pill, manufactured in Albany N. Y., has given them up, as he says, on account of the miserable dishonest parties concerned in manufacturing them. The same party are now industriously circulating reports calculated to injure Dr. Smith and to affect the reputation of his valuable pills; but rather than notice them in public, Dr. Smith s about to institute legal proceeding against them for their slanders, as he has in another case against a similar party, in which he recovered a large amount of damages. These miserable imitators have to resort to the most abominably means to palm off ther counterfeit pills, as the public know that Dr Smith's are the original and genuine. Several instances have come to public notice in which life has been endangered by the unfortunate use of the counterfeits. It is *Dr Smith's* Pills that are doing so much good in the country—as the following plainly show.

More Ministers

Use and Recommend Dr. Smith's Pills than all others.

This is to certify that I have used the Sugar Coated Pills, manufactured by G. Benjamin Smith, of New York, for some time, and believe them to be a good medicine; and also, from inquiry in that city, I am persuaded that he is the original inventor, and therefore is entitled to the benefit of the invention.

S. WILLIAMS,
Pastor 1st Baptist Church, Pittsburgh.

From the Blue Hen's Chicken. (Del.)

We call the attention of our readers to the certificate of Rev. S. Williams, Pastor of 1st Baptist Church, Pittsburgh, in relation to Dr. Smith's Pills. We can ourselves bear testimony to the excellence of these Pills, one of us having used them and experienced great relief from them.

The above is the best paper in the State of Delaware.

The "Improved Indian Vegetable Pills," (Sugar Coated,) are certainly doing much good in the whole country, and are highly esteemed, if one half is true that people write and say about them. They are so easy in their operation that all like them. The editor of the Northern State Journal, one of the largest and best papers in the st of N. Y.,) writes as follows:

Watertown, May 31, 1846.

G. Benj. Smith—

Dear Sir: I was laid up with a bad cold the time since my return from from N. and during my my illness I made trial your pills and I must say I found them excellent. They are the best medicine for the purposes they are intended, that I have seen, I seldom take pills, but I found your entirely free from the objections to which other pills are liable. I hope they will continue to be a source of profit to you as I do not they will be a means of relieving the afflicted on a large scale.

Yours truly,
J. GREEN.

Tonawanda, Pa, Sept. 18, 1846.

Dr G. Benj. Smith—

Dear Sir: Your agent left with me a lot of your Sugar Coated Pills, and I have but few boxes left. Every box I have sold has given entire satisfaction. I have taken them myself and I consider them the best pills I have ever used, and I am not afraid to recommend them to the public. I wish a further supply at once.

Yours respectfully,
JACOB KIBLER, P. M.

Huntington, Ind., June 21, 1846.

Dr. Smith—

Dear sir: I am most out of your "Indian Vegetable Sugar Coated Pills," and find them selling so fast that I think you had better send me two gross immediately — They give such general satisfaction that people come at least twenty miles for them and as it is generally known I am agent for them, I would be very sorry to get out.

Yours respectfully,
SAML MOORE & CO.

BEWARE!!!

If G. Benj. Smith, be not written with a pen on the bottom of the box, all "Sugar Coated" Pills are Counterfeit!

NO CURE NO PAY.

WHY then will you suffer? *Ague and Fever or Chills and Fever*, Positively cured in forty eight hours, without any return whatever, it matters not of how long standing, by the use of Dr. GRAHAM'S VEGETABLE SPECIFIC PILLS, the only certain remedy yet discovered. No mercury, quinine or arsenic enters into the composition of these pills.—This loathsome disease, which has heretofore baffled the efforts of the most skillful and scientific physicians, for generations prey upon your constitutions until they become so shattered that you are subject to almost every disease incident to the human frame. Yes, Liver Disease, Jaundice, Dropsy, Enlargement of the Melt, Palpitation of the Heart, slow Fevers, general debility, and a hacking Cough, and finally eventuates in Consumption, and consigns thousands to untimely tombs. Go search amid the malaria districts of our country, on the records of human ruin, you shall find that many thousands of the brave and the beautiful; the graceful and the gifted, have fallen victims from the many causes produced by letting this great destroyer of health prey upon the system. These pills act like a charm on the organs of digestion, and have a special effect in correcting the bile and gall bladder, removing all obstruction to a healthy secretion of bile, and imparting cheerfulness to the mind as well as tone and vigor to the whole constitution. All we ask is, give them a trial.

Sheriff, & Collector's NOTICE.

THE undersigned, respectfully informs the public, that his Books have been completed, and he is now ready and waiting, to receive, public dues.

The late period at which he was enabled to complete his books and the present advanced stage of the season, will make it absolutely necessary, that he shou'd hasten his collections, to meet the urgent demands of the State, for money to discharge the accruing interest of her public debt.

The State Government has adopted and prosecutes, a rigid system of accountability and collection, from public officers, and a failure to pay promptly, is visited with suits upon their Bonds, with a denial of continuance, and an award of Judgment and Execution at the first term. No excuse can stay the power of the State or alter her determination. It cannot therefore be expected that the collector will incur such heavy and serious responsibilities and expenses, and wait from month to month for the convenience of those who may be indebted. The expenses of the county are considerable and requires speedy payment, and the collector's duty, to the State and county—to his securities and himself, forbids delay.

The Sheriff and Collector, therefore, with a pressing earnestness, calls upon all persons indebted for

TAXES AND FEES,

to call at his office and liquidate their accounts,—not in *part*, but in *full*. His anxious desire, is to avoid, everything unpleasant in the execution of his office, but he cannot, under *any circumstances*, suffer himself and securities to be sued, and therefore invokes every one indebted, to make immediate payment.
