**Come, if you intend to buy or not; the information gained will serve you later**

MAJESTIC RANGES SOLD IN ALL OF THE ABOVE COUNTRIES.

## Facts About The Great Majestic Range

It is the only range in the world made of Malleable and Charcoal Iron.

It has, beyond any question of a doubt, the largest and best reservoir.

It uses about half the fuel used on other ranges, and does better work by far.

The Majestic All Copper Nickeled Reservoir heats the water quicker and hotter than any other. It is the only reservoir with a removable frame.

The Charcoal Iron Body of the Great Majestic Range lasts three times as long as a steel body.

Being made of non breakable material, there is practically no expense for repairing the Majestic.

As for baking, it is perfection; not only for a few months, but for all time to come.

***A Great Majestic Range*** lasts three times as long as a cheap range, but don't cost three times as much.

***PROOF:***—We don't ask you to take our word for any of the above statements, but if you will call at our store, a man from the factory, where the Majestic Ranges are made, will prove to your satisfaction that these are absolute facts, and will show you many more reasons why the Great Majestic Range is absolutely the best that money can buy.

EVERYBODY WELCOME EVERYBODY WELCOME

## THE NEW STATE ROAD.

**Kent Countians Greatly Pleased at the Prospects For a Fine Road—Property Values Increased.**

The highway in Kent county to be built and maintained by the State of Maryland under the five million dollar law was selected by the State Road Commission to be the road beginning at the corporate limits of Chestertown, running north-east through Hopewell and on to Kennedyville. The contract for Section No. 1 of this road was awarded by the Commission to The Juniata Paving Company of Harrisburg, Pa., at $30,000. This section includes a distance of 3¼ miles, from Chestertown to, but not including, Goose Hill bridge.

The construction of this road was begun the last of June and is now well under way. At present the first mile from Chestertown is nearing completion, and prospects are favorable for the remaining 2¼ miles to be finished by early fall.

Limestone and its screenings shipped from Wilmington, Del., are being used in the eight-inch macadam road under construction. The three sizes of stone are laid loose in a well prepared earth trench at a total thickness of about eleven inches (rolled to eight inches), each layer being thoroughly rolled before the one preceding is placed. Were it not for the fact that frost can do no harm without the presence of water or moisture it might be necessary to sink the stone to a greater depth, but as it is the road-bed is so graded and shaped, the stone so packed and surfaced that a perfect drain is maintained throughout, eliminating the pressure of water and making eight inches an ample thickness for stone. To facilitate a perfect drain along the road, a number of large cast-iron pipes have replaced the small terra-cotta, and neat, substantial concrete culverts have superseded the larger ones.

The width of the macadam is to be fourteen feet, having on each side of this a five foot well shaped and rolled earth shoulder, making the total width of the driveway twenty-four feet. This is the average thickness and width of the macadamized roads being constructed not only in Maryland but in other states foremost in road building, and the highway as a whole when complete promises to be one of which the citizens of Kent county will be proud.

The State's representative on the work is Construction Inspector, Harry D. Williar, Jr., and Superintendent Geo. A. Atkinson represents the contractor.

## GRANGE NEWS.

Betterton was the mecca of Grangers Thursday from Golts to Rock Hall and one of the best meetings in the history of the Kent society was held under the management of Mr. H. P. Skipper.

Still Pond Grange met Monday evening July 26, with a large attendance, the Worthy Master, F. H. Cornelius, presiding. The subject for discussion was, "Is it better to market cereal crops at the prevailing price of harvest time or to hold them in the hope of a higher figure." The subject was opened by the Worthy Master in such a manner that it brought out replies from all members present. It was the opinion of the majority that the farmer who sold as soon after harvest as possible cleared the most money in the long run. Mr. W. D. Pennington gave a fine talk on the subject "Does the Grange meet the requirements of farmers for organization?" and to prove the fact he said that farmers organizations had never been a detriment to good government but on the contrary had always been a benefit.

Our pianist then gave us some fine selections, songs were sung and one of our older members danced us a jig. We had a lively time and every one hoped to have many more meetings of the same kind. Our members are making use of our black board for advertising purposes and we suggest that it would be well for all Granges to do the same.

August 4th will be Farmers' night at Fairlee and the following program will be presented: "The Farmer Feeds them all," reading by W. G. Smyth, "The Bell Weather and the Deacon"; Solo and chorus, "Tis Better to Stay on the Farm," Misses French; recitation Sister A. P. Rasin, "The Farmers' Life"; reading by E. A. Corey (a Hindoo Legend) "The Farmers Paradise"; chorus by the Grange, "Stay on the Farm"; "An Old Fashioned Farm," L. M. Smyth; "Which Are You," M. E. Corey; "Selling the Farm," A. P. Rasin; (A parody) "The Farmer Boy," Sister Acca Crew; "The Grangers Creed," T. E. W. Crew; music by Grange.

The Trustees of the M. E. Church, are repairing the cement on the outer walks of the church, which has been falling off for sometime.

Misses Martha Pennington, of Millington, Ethel Cooper, of St. Michaels, and Mary Clark, of Church Hill, are visiting Miss M. Cacy, of Rock Hall.

THE Majestic Manufacturing Co., of St. Louis Mo., will have a man at H. R. Graham & Bro's store next week who will show you how to bake biscuits, brown, top and bottom in three minutes. Don't miss this chance of seeing the great cooking wonder.

## POLITICAL NOTES

The Republicans are having a warm contest, equal, if not surpassing the contest of the Democrats. The local ticket is lost sight of in the contest for place on the State Central Committee. One faction is lead by S. P. Townshend, Esq., Col. Vannort and others, who is backing Messrs. Townshend, Dan Hill and John Tilghman, colored, for members of committee. The other faction is lead by John D. Urie, Esq., J. A. Casey and others, who are behind James H. Baker, John C. Davis and Wm. Henry, colored. It is said that up to this time not enough white Republicans have been found in Millington precinct to hold election so that there will be no contest. In Galena Mr. Theodore Dempsey will likely be at the head of the delegation. In Kennedyville Robert Hill and John N. Bennett are leaders of the two factions, etc. At this stage of the fight the Urie faction has things well in hand.

## ROCK HALL NOTES.

St. John's R. C. Church service on Sunday was very largely attended not only by the members of the church, but many of the city folks who were stoping here over Sunday also. Paul's advice, "Be not forgetful to entertain strangers" is evidently held sacred by our Catholic friends. Cordiality is a drawing card.

Pastor Richardson at the M.E Church preached a highly instructive sermon on Sunday morning his subject being Tribulations.

The M. E. Sunday School officials decided on Sunday afternoon to hold the annual picnic on Aug. 19th at Deep Landing.

The annual picnic of the Ladies Aid Society was held on Tuesday at the home of Mrs. Isabel e George. It was largely attended and hugely enjoyed by all. It certainly was a boon to Mrs. George in her lonliness.

Mrs. J. Frank Stevens and children, of Baltimore, were guests of relatives here the past week.

Officer Clarence Kendall, of the city police force, was enjoying the stay among his relatives here several days the past week.

Mr. George Davis has been on the sick list for two weeks.

Mr. James Davis has been nursing a mashed foot for six weeks. The wound was caused by a 150 pound block of ice falling from the deck of a steamer into a fishing boat in which Davis was.

Rev. James M. Downey suffered a second stroke of paralysis on Thursday of last week as he was leaving his home to visit a nearby neighbor. Dr. Schwatka was summoned but he was unable to do more than make the patient easy by use of opiates.

Mr. S. B. Colyer has been unfortunate in the loss of a snug sum of money the past week. A child was playing with the recepticle in which the money was, and lost it somewhere beyond the yard.

Mr. William Keating, of the city, is enjoying a visit among his friends here. He looks well and seems as young as he was 20 years ago. He can still beat the band on a laugh.

The purse net fishing crews recently arrested and fined think things have come to a "pretty pass" when a crew of fishermen are captured, and made to shingle out their cash, for simply lying in harbor as was the case with Capt. Tom Sewell. A number of our watermen who think its only a question of a short time, when the water industry will be in the hands of the privileged few are seeking permanent employment on the farms. Some have secured positions for next year, whether their surmising is correct or not, they are wise in their determination to get away from the water wherein there is so much uncertainty, with prospects for more of it.

Mr. John Moore and help, is now hustling in farm work preparations on his new tenancy for 1910 near Fairlee. Many here regret his retirement from the Porter farm.

## CHESTERVILLE NOTES.

Emmanuel M. E. Church, South, Chesterville—Sunday School at 9.20. Preaching at 10.30. League at 7.30. Wednesday night service at 8.

Trinity M. E Church South, Millington—Sunday School at 2. Preaching at 3. League at 7.30. Thursday night service at 8.

One of the finest concerts ever given in this vicinity occurred Wednesday night in Emmanuel Church. It consisted of a chorus, piano duetts, vocal solos, quartetts, violin solos and readings, rendered by the following ladies and gentlemen: Misses Edna Phillips, of Staunton, Va., Marie McCourt, of Washington, D. C.; Hattie Clark, of Philadelphia; Ruby, Laura and Mary Ahern, Evelyn Rolph and Bessie Hurlock, all of Millington; Margaret Brinsfield, of Chesterville; Mr. William Wildes, of Wilmington; Mrs. Dr. C. P. Gowman, of Millington and Mr. Warren C. Hurlock, of Chestertown. Emmanuel is under many obligations to Mrs. Gowman, who planned the concert, and to Mr. Hurlock for the loan of a piano of charming tone. The proceeds for the repair fund.

## BETTERTON ITEMS.

The Eastern Pennsylvania Y. M. C. A. which has been camping at Chesapeake Haven left yesterday. The religious services held by members of the camp on the new amusement pier have been greatly enjoyed. Mr. R. H. Halmeman, the leader of the camp, spoke Sunday evening on "New York Bowery Life." Mr. Halmeman will remain a few days and conduct services again tomorrow evening when there will be special music.

Fire escapes are being placed on the larger hotels.

A base ball club is being organized and two games of ball a week will be played during August.

Mrs. Arthur Cadwalder, of Baltimore, is visiting relatives in town.

Miss Edna Cameron, of Philadelpia, is the guest of Mrs. Fountain Crew.

Mr. and Mrs. Littleton Crew have returned from Cambridge.

The baseball season opened at Betterton Thursday with a victory for the home team. Millington was the opponent and had Johnson and Hill as battery against Moore and Crew. The score was Betterton 15 runs, 14 hits and 2 errors; Millington 1 run, 4 hits and 7 errors.

DROP in and have a cup of coffee and hot biscuits at our store any day next week. Will be glad to see you if you intend to buy or not.—H. R. Graham & Bro.

### IN MEMORIAM.

JOHN WALTER WIRTS, son of Mr. and Mrs. Walter Wirts, of Rock Hall, died Sunday, July 11, 1909, aged 1 year 2 months and 20 days.' Too sweet for earth, God only gave him birth for an early life in heaven.

Dear little hands, I miss them so,
All through the day, wherever I go;
All through the night how lonely it seems,
For no little hands wake me out of my dreams.

I miss them all through the weary hours,
I miss them as others do sunshine and flowers;
Day time or night time, wherever I go,
Dear little hands, I miss them so. MOTHER.
