FEED FAIRFIELD'S BLOOD TONICS POWDERED
A SEPARATE PREPARATION FOR HORSE, COW, HOG AND POULTRY

GREATEST KNOWN BLOOD PURIFIERS

THE working capacity of any horse can be practically doubled by feeding FAIRFIELD'S BLOOD TONIC for HORSES regularly. It exterminates worms, builds up the health and saves feed.

The farmer that sowed wheat all over his farm and expected to reap a crop of wheat, oats and corn from the same, would be no more foolish than the man who feeds his horse, cow, hog and poultry from the same package of Condition Powder and expects to get results. The intelligent farmer feeds FAIRFIELD'S, because there is a separate preparation for each kind of animal.

The Fairfield Preparations are sold under written guarantee by

A CORRECTION.

TO EDITORS KENT NEWS:—I wish to correct an article that was published in the KENT NEWS of Saturday, Aug. 14th, saying that Capt. George Davis and Orville Stevens would rather go to jail than accept the terms offered them by the Justice of the Peace. I want to say that the statement is positively false. There were no terms offered us, because we had no hearing. We wanted justice, and we waived a hearing and took an appeal to court. I also want to say that I am and always wish to be a law-abiding citizen. My vessel's license gives me privilege to carry on the coasting trade and fishing anywhere in the United States. I respect all laws that are rightfully made, but I do not respect people who try to take away the honest living of people just for the sporting class.

It. CAPT. O. STEVENS.
