DOCTOR PAUL SCHŒPPE IN CHICAGO.—Paul Schœppe alias Shulenberg was before one of the courts of Chicago on Tuesday on an application for a writ of habeas corpus Schœppe appeared fresh from the manipulations of a barber, dressed in a sombre suit of black, and took a seat at the table close to the side of his council The evidence brought to light no facts which have not already been made public through the voluminous history of the notorious adventurer. When the evidence had been concluded, prisoner's council introduced affidavits from the post-master at East St. Louis and editor of the St. Louis Courier, attesting to Schœppe's good behavior while in that city. Judge Williams decided that the suspension of his sentence when he was last arranged was secured by fraud; that he was a fugitive from justice when arrested in Baltimore, and that the manner of his arrest and extradation was perfectly regular.—The court said: "The prisoner has perpetrated upon me the grossest imposition I have ever experienced on the bench. Not only so, but from the testimony and from his whole conduct and bearing I regard him as a very bad man—a dangerous man; he is a thorough villian, from head to heels. I must refuse to discharge him." Schœppe was afterwards sentenced to three years imprisonment in the penitentiary.

HORRIBLE CRIMES AND SWIFT RETRIBUTION IN GEORGIA.—Horrible crimes, followed by swift retribution, were committed near Station No. 10. on the Central railroad, in Georgia, on Saturday morning. A negro named Henry Smith, an escaped convict from a gang hired ont on a farm in Washington county, attempted a rape on a colored woman near Midville. Subsequently he entered the house of a white man employed on the railroad.—The man's wife being alone the negro presented a gun at her, and, she being helpless, he accomplished his diabolical purpose. The negroes in the neighborhood, upon hearing of the outrage on the colored woman, pursued the convict, and captured him soon after, and before his second outrage became generally known.—After an investigation, the prisoner was committed to the keeping of a constable, to be carried to the county jail. On Sunday morning twenty armed men forcibly took the negro from the custody of the constable. The report of fire-arms was soon after heard in the swamp, which leaves no room to doubt of the swift retribution following the commission of the terrible crimes.

WHAT PAPER MONEY DOES.—In the United States the discount is from 10 to 12 per cent; Austria, 10; Greece, 12; Italy, 11; Russia, 16; Cuba, 44; Hayti, 93¾. The republic of Hayti has $300,000,000 of paper money; the value in market is 250 paper dollars for one coin dollar. In San Domingo there is a discount of from 11 to 20 per cent. on the new paper money, latest issue. Of two former issues, one, called "Credit notes," is received by the government at the rate of $30 to every silver dollar; and another, the "Treasury notes," still earlier, is taken at the official rate of $400 to $1 silver. In the two latter countries there has been, what it is proposed in the United States, an issue of different kinds of paper money. If facts like these do not make their mark then Congress is indeed incorrigible.

A DRUGGIST'S MISTAKE AND HEAVY DAMAGES.—In the case of Margrat Black, of Fall River, Mass., vs. Andrew Weeks, of the firm of Weeks & Potter, of Boston, before the Supreme Judicial Court at Taunton, Mass., last week, Judge Ames presiding, the jury returned a virdict for the plaintiff, giving her $15,000 damages. The plaintiff narrowly escaped being poisoned fatally by a dose of aconite, which she took supposing to be picra. The aconite was originally put up at the establishment of Weeks & Potter, and as alleged labeled "picra" by mistake, and sold to a Fall River druggist, who supplied it to the plaintiff from the same package, on a certain evening, without discovering the difference. Mr. Weeks has taken an appeal on a bill of exceptions.

SUGAR MAKING IN MARYLAND.—The Cumberland News says that Samuel Engle, a citizen of Grantsville, Garrett county, during the season just closed has made twenty-nine barrels of fine sugar, two barrels of cake sugar, and about eighty gallons of molasses. This is the largest crop he ever made, and will yield him not less than $700. It was the work of his own family, with the aid of only two other persons, and was all made in about one month's time. About fifteen hundred trees were tapped, and fifty thousand gallons of water extracted therefrom boiled down to sugar. Mr. Engle is the largest ugar maker in the State of Maryland.

GENERAL AGENT BALTIMORE AND OHIO RAILROAD.—We understand that Hon. John W. Davis, of Baltimore, late State treasurer, has been tendered the position of general agent of the Baltimore and Ohio Railroad Company. This is a new office, created by reason of the ever increasing trade of that corporation. The duties of the new position will embrace a general supervision of the entire affairs of the company, and is intended in a measure to relieve the vice presidents of a portion of their onerous labors.—*Cumberland (Md.) Times.*

REMEDY FOR COLIC.—One who claims to know, says in the *Ohio Farmer*, that a handfull of salt rubbed on the back of a horse directly over the kidneys, is a simple but sure remedy for colic. "Rub briskly until the salt dissolves, and longer, if necessary, and if it is wind colic and the horse does not get over it in fifteen or thirty minutes, then say I know nothing about it; for thirty-five years I have never known it to fail. I first learned it from a teamster in Illinois, and have seen it tried in variouscases."

FROM OHIO.

The women's temperance war now raging in different parts of the country, particularly in the west, with such unparalleled success, recommends for persons who claim whiskey a necessity for medicinal purposes, to use Green's August flower, which contains no intoxicating spirits, and is a gentle laxitive, and a certain cure for Dyspepsia, Liver Complaint, Indigestion, Costiveness, Sour Stomach, Sick Headache, coming up of the food after eating, purifies the Blood and System.
