Sheriff, & Collector's NOTICE.

THE undersigned, respectfully informs the public, that his Books have been completed, and he is now ready and waiting, to receive, public dues.

The late period at which he was enabled to complete his books and the present advanced stage of the season, will make it absolutely necessary, that he should hasten his collections, to meet the urgent demands of the State, for money to discharge the accruing interest of her public debt.

The State Government has adopted and prosecutes, a rigid system of accountability and collection, from public officers, and a failure to pay promptly, is visited with suits upon their Bonds, with a denial of continuance, and an award of Judgment and Execution at the first term. No excuse can stay the power of the State or alter her determination. It cannot therefore be expected that the collector will incur such heavy and serious responsibilities and expenses, and wait from month to month for the convenience of those who may be indebted. The expenses of the county are considerable and requires speedy payment, and the collector's duty, to the State and county—to his securities and himself, forbids delay.

The Sheriff and Collector, therefore, with a pressing earnestness, calls upon all persons indebted for

TAXES AND FEES,

to call at his office and liquidate their accounts,—not in *part*, but in *full*. His anxious desire, is to avoid, everything unpleasant in the execution of his office, but he cannot, under *any circumstances*, suffer himself and securities to be sued, and therefore invokes every one indebted, to make immediate payment.

GEORGE W. SPENCER,
Sh'ff and Collector.

Personal Discharge.

Kent county, Sct.

On the application of William S. Evans of Kent county, by petition in writing to me John E. Cacy one of the Justices of the Orphans Court of Kent county, stating that he was in confinement for debts which he was unable to pay, and praying me to grant to him the benefit of the insolvent laws of the State, a schedule of his property, estate and effects, and a list of his creditors and debtors on oath as far as he can ascertain them, being annexed to his petition, and the said William S. Evans, having satisfied me by competent testimony that he has resided two years next preceding the time of his application within the State of Maryland, and I having appointed James R. Redding, a trustee for the benefit of the creditors of the said William S Evans, and the said trustee having given bond with security approved by me for the faithful performance of his said trust, and the said trustee being in possession of all the property, estate and effects of the said insolvent debtor, (the necessary wearing apparel and bedding of himself and family excepted) for the benefit of his creditors, I John E. Cacy, one of the Justices of the Orphans' Court of Kent county, do hereby grant a personal discharge to the said William S. Evans, and I do hereby appoint and fix the first Wednesday in the next March term of Kent county Court for the appearance of the said William S. Evans, to answer such interrogatories as may be propounded by any of his creditors, and do also appoint and fix the first Wednesday in the next March term of the said Court, for the final hearing of the said application, and do also order that the said Wm. S. Evans, by causing a copy of this notice and order to be inserted in one of the newspapers printed on the Eastern Shore of the State of Maryland, once a week for three successive months, before the first Wednesday in the next March term of Kent county Court, give notice to his creditors to appear before the said Kent county court, on the first Wednesday of the next March term of said Kent county court, to shew cause, if any they have, why the said William S. Evans should not have the benefit of the insolvent laws as prayed.
