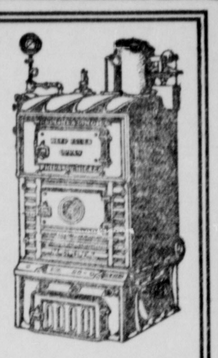
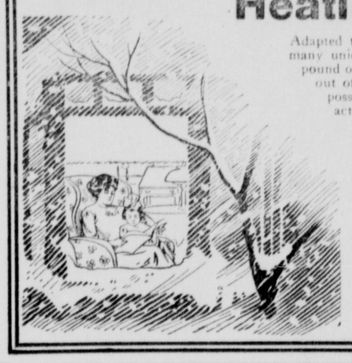
Keeps Every Room Warm
YET BURNS LESS COAL



Prepare for Winter. Don't struggle on with the old-time heater which wastes more coal than it utilizes and even then warms the house only in spots and only some of the time. Don't have a "cold side," or a third floor where the heat "won't reach." *Make it reach!* You can do it easily, and yet save money on your coal bills—by installing the

MODEL
Heating System

Adapted to steam or hot water. . embodies many unique improvements for burning every pound of coal completely, getting all the heat out of it, and delivering that heat from the radiators with the least possible loss. Thousands of Model Heating Systems are in use, actually saving one-third to one-half of the former coal consumption.



LEDOM Range Like the Model Boiler, it embodies the latest improvements. Always ready, holds fire perfectly over night, and has a big, hot oven that delights housewives.

DROP KICK THE WINNER

George Washington Has Hard Time With Marylanders.

Washington, October 16—The plucky youngsters represeating Washington College, of Maryland, who under the fine training and coaching of Mike Thompson, the old Georgetown star, today gave the team of which the George Washington University, of this city, has been boasting a good run for their money at the American League Park.

George Washington won by 8 to 5, but when the fray was finished they knew they had been up against an enemy in the pigskin line, a memory which still clings to Georgetown after its game of last week with the Washington College eleven.

Washington College went in with its usual get-there start and before George Washington found themselves had scored a touchdown by three well-executed forward passes. A long pass from Meegan to Jump made the five points. Johnson failed at goal.

Washington College made many good gains with the forward pass, while George Washington depended on the old line-plunging game. The work of Quarter-back Meegan, of Washington College, at running-back punts was the stellar feature of the game.

Morse, of George Washington, starred for his team when he made a quarter-back run of 20 yards for a touchdown. Morse also negotiated the drop-kick which defeated the Marylanders.

In the second half, when Washington College kicked off to George Washington, they took the ball straight down the field by line-plunging and end runs until they reached the 25 yard line. Morse kicked the goal from the field. The line-up:

Wash. College	*Position*	*George Wash.*
Crouch	left end	Johnson
Gibson	left tackle	Hart
Jones	left guard	Fowler
Gilmore	center	Rickoff
Porter	right guard	Bullough
Maddox	right tackle	Alston
Jump	right end	Brooks
Meegan	quarterback	Morse
Noonan	right halfback	Ellis
Turner	left halfback	White, Houton
Johnson	fullback	Sheridan

Referee—Jack Glass, of Lehigh. Umpire—Mr. Heonston. Timer—Mr. Baker. Head Lineman—Mr. McMorris. Time of halves—30 minutes. Touchdowns—Jump, Morse. Goal from field—Morse.

IN MEMORIAM.

In memory of my dear father, ELIAS DEPUTY, who passed away August 21, 1909.

Sleep on beloved, sleep and take thy rest,
Lay down thy head upon thy Savior's breast:
We love thee well but Jesus loves thee best.
Good night! Good night! Good night!

Calm is thy slumber, as an infant's sleep,
But though shall wake to music to toil and weep.
Thine is a better! Let secure and deep.
Good-night! Good-night! Good-night!

Until the shadows from the earth are cast,
Until he gathers in his sheaves at last,
Until the twilight gloom be over past—
Good-night! Good-night! Good-night!

Until the eastern glory lights the skies,
Until the dead in Jesus shall arise,
And He shall come, but not in lowly guise.
Good-night! Good-night! Good-night!

Until made beautiful by love divine,
Thou in the likeness of thy Lord shall shine,
And He shall bring that golden crown of thine.
Good-night! Good-night! Good-night!

Only good-night beloved, not farewell
A little while and all His saints shall dwell
In hallowed union indivisible.
Good-night! Good-night! Good-night!

Until we meet again before His throne,
Clothed in the spotted robe He gives His own.
Until we know even as we are known—
Good-night! Good-night! Good-night!

Rogers, of Bridgeport, Conn., had made a gift of $1,000 to the college for the Rogers prize fund for excellence in English composition. This is the second gift that has come to the college within the last two years and was accepted by the visitors and governors as a gratifying evidence of the reputc in which the college stands and the disposition of its friends to extend its usefulness. Dr. Rogers is among the oldest living graduates of Yale, and was professor of mathematics and vice-principal of Washington College from 1847 to 18 2. He has been on a visit to the college as the guest of President Cain.
