SATURDAY - - - - - OCT. 10, 1874

FOR CONGRESS—FIRST DISTRICT:

HON. PHILIP FRANCIS THOMAS,
OF TALBOT COUNTY.

ELECTION, TUESDAY, NOVEMBER 3D.

NEWS IN BRIEF.

Brooklyn matters are again claiming a large share of attention. Mr. Beecher was before the Grand Jury last Saturday morning, and after answering a number of questions he certified to the correctness of the indictment for libel against Mr. Tilton. The document sets forth that Theodore Tilton, wickedly and maliciously, with intent to injure and scandalize the Rev. Henry Ward Beecher in his good name, fame and character, subjecting him to contempt and disgrace, and to provoke him and his friends to commit a breach of the peace, published on or about September 18, or caused to be published, in the *Daily Graphic*, and circulated in the city of Brooklyn and elsewhere, a false, scandalous and malicious libel concerning him. The Grand Jury also read to Mr. Beecher a second indictment against Mr. Moulton, which is worded similar to that found against Mr. Tilton, charging him with libelling Mr. Beecher by causing the publication of false, malicious and slanderous reports in the *Daily Graphic*.

Again a serious insurrection has broken out in Buenos Ayres, which threatens to become more formidable than any previous rebellion in that quarter of the globe. The situation is described as desperate, and all the naval and military power of the national government is being pitted against the insurgents. But it appears that some of the national forces have revolted and gone over to the enemy, which circumstance alone would indicate the gravity of the situation.

The Cuban insurrection appears to be slowly dying out. The deposition and death of Cespedes, and the capture, a short time since, under peculiar circumstances, of Caruxto Garcia, one of the most enterprising of the Cuban insurgents, have proved to be severe blows to the latter.

Mr. Stanley, the American traveler, passed through Egypt in the commencement of September on his way to Zanzibar. Before entering the country of the Great Lakes he will explore the Juba and other rivers to the north of Zanzibar, and endeavor to make himself acquainted with the great seats of the slave trade in those districts. He is taking out a yatch for that purpose.

Rev. Henry Ward Beecher appeared in the pulpit of Plymouth Church last Sunday morning for the first time since his vacation and preached to a vast and sympathetic congregation. There was a large crowd outside unable to gain admission. No allusion was made to the recent investigation or coming events. Mr. Beecher spoke for an hour with all his power, pathos and eloquence, and seemed to have lost none of the confidence of or control over his congregation.

The Independent Republican Convention of South Carolina on Saturday put a full State ticket in the field in opposition to the regular Republican ticket headed by Chamberlain for Governor. Judge Green, the Independent candidate for Governor, is an old citizen of South Carolina, of high personal and official reputation. It is the impression that the Democrats will make no nominations, but give their support to the Independent ticket.

Some of the Kentucky and Tennessee statesmen talk of holding a convention of Democratic Governors and citizens, or the Governors of all the States, with a view of discussing the relations of the States to the National Government. Whether the idea can be carried into practical effect depends upon the reception it meets with.

The Grand Jury of Philadelphia, Monday, indicted the proprietor of the *Reading Eagle* for libelling Mr. Ross, father of the kidnapped boy, by publishing statements that the story of the kidnapping was an invention to obtain money, and that the boy was with relatives.

The yellow fever still prevails at Pensacola, and a number of naval officers and sailors are down with it. This is the only point on the Gulf coast where it has secured a foothold, the general health of that region being better than ordinarily at this season.

A terrible earthquake took place in Guatemala on the 4th inst., destroying a great many buildings and causing a loss of thirty-two lives The principal force of the shock was at Antigua, and as it occurred during night the terror was intense.

The marriage of Col. Fred D. Grant, a son of the President, to Miss Ida Honore, will take place on the 20th instant at Chicago, and will be a quiet affair, only near friends being invited. The President and Mrs. Grant will be present.

John Anderson, the wealthy tobacco manufacturer of New York, has enclosed a draft for 5,000 francs to Garibaldi, with the announcement that a like sum has been secured to him annually through life.

The State Board of Fishery Commissioners have appointed Capt. Thomas J. Valliant, of Royal Oak, commander of the Talbot boat of the fishery force.

The recently completed statue of Abraham Lincoln has been placed on its pedestal at Springfield, Illinois, and is said to be a fine likeness. Preparations for its dedication are in progress.

Ex-Mayor Gaston, of Boston, has accepted the Democratic nomination for Governor of Massachusetts.

It is said that the Emperor of Brazil is coming to this country. If he does it will be the first instance of a reigning foreign potentate treading the soil of the United States.

L. L. Derrickson, Esq., has been appointed State's Attorney for Worcester county, Mr. Geo. W. Purnell having declined the office.

The State Agricultural Fair opened at Pimlico on Tuesday and closed yesterday. It is said to have been the best the association has ever held.

The trial of Samuel W. McDonald for the murder of Berry Amos at the Sherwood House in Baltimore, on the 22d of last June, was commenced at Towsontown on Monday. On Tuesday two witnesses testified positively to seeing McDonald use a knife upon Amos, and after argument by counsel the Court decided to admit the words uttered by Amos as his dying declaration, which were to the effect that McDonald did the cutting. The case was not concluded at our latest advices.

Rev. Thos. M. Eddy, D. D., a distinguished minister of the M. E. Church and one of the secretaries to the Board of Foreign Missions, died at his residence in New York last Wednesday morning. He was pastor of the Charles street congregation in Baltimore for three years, from 1867 to 1870, and is said to have been more instrumental than any other individual in the building of the splendid Mount Vernon Place Church in that city.

Thomas W. Fitch, of the U. S. Engineer corps, and Miss Maria E. Sherman, eldest daughter of Gen. W. T. Sherman, were married in Washington on Thursday of last week.

RESULTED FATALLY.—The young man, Wm. T. Stradley, mentioned in our last issue as having accidentally shot himself on the previous Wednesday, died from the effects thereof last Saturday afternoon.—A post-mortem examination of the body was made by Dr. Chas. W. Whaland, assisted by Dr. J. A. Catlin. They found on opening the thoracic cavity, by disarticulating the sternum, that the pleura was shot away to the extent of three inches in width by eight in length, the shot thereby entering the substance of the right lung, (several shot being found in the lung.) The lung was in a collapsed condition. There were also found in the thoracic cavity two pounds or more of coagulated blood. The diaphragm, the large muscle that separates the thoracic from the abdominal cavity, had been penetrated by several shot, thereby entering the liver, part of which was shot away. There were also found four ribs shot away to the extent of three inches or more, and numerous pieces of bone were found imbedded in the lung and liver. It is marvelous that he lingered so long with such mortal wounds.

A GREAT TROTTING MATCH.—It will be seen by reference to our advertising columns that the two celebrated horses, Jay Gould and Bashaw, Jr., are to trot at Bishop's course, near Baltimore, on the 15th inst. (next Thursday), for $5,000. Both of these horses are fast and have about equal records, and a very spirited contest is expected.

THE DELAWARE ELECTION.—The "little election" held in Delaware on Tuesday for inspectors and assessors resulted in the success of the Democrats in all the counties by increased majorities. This is a sufficient indication of what the result will be at the gubernatorial and congressional election in November.

APPOINTMENT TO ST. JOHN'S COLLEGE.—The board of County School Commissioners on Tuesday made selection of a son of Mr. Wm. A. Kennedy to fill the vacant scholarship in St. John's College, Annapolis. There were eight applicants.

COURT.—The October term of the Circuit Court for Kent county will commence next Monday week. There are a good many cases on the docket, and it is believed the session will be more protracted than usual.

WITHDRAWN.—The steamer C. P. Smith has been withdrawn from her former bay route, and is now running between Baltimore and Annapolis.

ORPHANS' COURT, Tuesday, Oct. 6th.—Present, Judges Beck, Scott and Hepbron. The court passed a number of claims against the estates of deceased parties. E. E. Miller and James R. Jones returned their report of the annual rental value of the real estate of Geo. H., Joseph W. and Annie B. Hazell, minors, in the hands of Benj. M. Hazell, adm'r of Benj. Hazell, dec'd, acting guardian to said minors, which was passed and ordered to be recorded. Jos. P. Ireland having been heretofore appointed guardian to his daughter, Lena Ireland, filed his guardian bond with J. W. Ireland and Geo. W. Spencer as sureties, in the penalty of six thousand dollars. On application, ordered that H. H. Gresham, exec'r of Ann Gresham, late of Kent county, dec'd, sell by public sale the personal estate of said dec'd. E. E. Miller and W. H. Kennard were appointed and authorized to appraise the real estate of Samuel Riley. The court determined that Geo. W Watts, adm'r of W. K. Copper, be allowed the sum of twelve dollars for certain articles claimed by S. A. Copper; the court also allowed the claim of Jas. H. Watts for certain articles appraised in an additional inventory of the personal property of the said Wm. K. Copper. On the petition of Pere Chambers, he was discharged from all liability under the indenture binding to him Elizabeth Catharine Johnson, and the indentures cancelled. The court passed an order that Geo. Vickers, adm'r of Hannah J. Wallis, pay unto Margaret A. Wallis, guardian to the minor children of Hannah J. Wallis, the respective amounts due the said minors on the final account and distribution of the personal estate of the deceased.

AN "ORIGINAL" REPUBLICAN.—The Republican platform makers at Easton must think that Democrats are as changeable and uncertain in their political principles as the gentleman nominated as their own standard bearer whom they commend in their sixth resolution as an "original Republican." Notwithstanding the declaration of this resolution to the contrary, we believe it is a well known historical fact that Judge Goldsborough was neither originally a Republican, nor one of the original founders of the Republican party. He was first a Whig, and when the Republican party was baptised he was an active Democrat. If there is anything "original" about him respecting the matter, his originality consists in voting for or against the Republican ticket as it suits his inclination. In this respect he is certainly the most "*original*" Republican ever known in this district or anywhere else.—*Easton Star.*

The Big Trot at Middletown.

As many of our readers would be gratified to see an account of the trotting race at Middletown fair, in which Tow Head, a Kent horse, was one of the contestants, we give the subjoined statement from the *Transcript* of that town:

Third and last Race—for horses with no better record than 2:35—3 in 5 to harness. Purse $400—$240 to first, $120 to second, $40 to third. Entries: b m Marydel, by Wm. Green, Middletown; c s g Tow Head, by W. W. Stephens, Kent co, Md.; blk g Andy Johnson, by George Jones, Middletown; s s Perkins Morrell, by W. C. Wood, Haddonfield, N. J.; g m Fanny, by J. Greenwalt, Phila. Snowflake, whose name appeared in the programme for this purse, was ruled out, her owner being under suspension from the National Association.

1st Heat.—At the word "go" all started off in beautiful style, Tow Head getting the lead at the curve, his friends cheering loudly. In passing the first quarter pole Tow Head broke and Morrell took the lead, hard pushed by Andy Johnson. An apparent even race was kept up for some distance by the latter horses, till finally Morrell broke and lost his ground. Johnson then advanced to the front and on the home stretch he was on the lead, Fanny second, one-half a length behind, Morrell third, Tow Head fourth, Marydel last, loud cheers from the excited crowd greeted the horses as they came in. Johnson won the heat in 2 38.

2d Heat.—Fannie took the lead at the first curve, and kept it for some time. At the first quarter pole Morrell and Tow Head had it neck and neck, but Tow Head broke and Morrell passed him, as also did Andy Johnson; a struggle commenced between the latter and Morrell, but Johnson broke and lost ground, Morrell then broke and fell behind Fannie, but on the last quarter he came up again, and Andy Johnson also, and a beautiful race was begun between these three, all being even. At last Fannie broke and Morrell took the lead, keeping it down the home stretch and winning the heat in 2.37¼, followed closely by Andy Johnson, 2d; Fannie 3d, Tow Head, 4th; Marydel last, the crowd which had become wrought up to the highest pitch, cheering in the wildest manner.

3d Heat.—Fair start. As usual, Fannie took the head at the curve, Morrell being second, Johnson third, Tow Head fourth, Marydel last. On the first quarter stretch Morrell and Fannie had a hard struggle, which continued throughout the first half a mile, the horses passing the stand neck and neck.—Finally Fannie broke and Andy Johnson who had been gaining came up with Morrell, and for a time they both worked splendidly, but both broke and Morrell recovering first he came in about one length ahead, Johnson 2d, Fannie 3d, Tow Head 4th.

Night preventing the conclusion of the race it was postponed until next day at 10 o'clock.

SATURDAY MORNING, SEPT. 26TH.

4th Heat.—After several ineffectual attempts a fair start was made, and the four horses, Morrell, Andy Johnson, Fannie and Tow Head crossed the score together. At the first curve Fannie, as usual, bolted for the front, and coming too close to Johnson her sulky came in contact with his and knocked a spoke out of his wheel. Morrell took the lead and kept it during the whole race coming down the home stretch only half a length ahead of Johnson, and winning the race in 2.34¼. The driver of Johnson entered a protest against the driver of Fannie for a foul in driving The judges called the drivers to the stand and after a strict investigation of the cause of complaint the gray mare Fanny was distanced for foul driving and the purses awarded, 1st to Morrell, 2nd to Andy Johnson, the third reverting to the Association, Tow Head having been distanced. This horse, which is evidently a fine animal, was taken sick the night before and was not in a condition for work.

THE following is the result of the last day's racing at our late Fair:

First race—purse $50—for three years old: $30 to first, $15 to second, $5 to third—mile heats, to go as they please:

James M. Startt, br m Bessie,	2	2
Wm. M. Rasin, s g Dexter,	1	1
Sam'l Cooper, gr g White Mountain,	3	3

Time—3:32, 3:32.

Running race, half mile:

John Brice, s s Benbolt,	1
J. C. Cosden, gr m Flora,	2
W. H. H. Lusby, b g Bully,	3
Wm. Hepbron, b g Dandy,	4
John E. Ringgold, b m Fanny,	5

No time taken.

Sweepstakes purse for the horse that trots nearest to three minutes did not fill.

ACRES OF WILD PIGEONS.—The sound of the hunter's gun resounds on the hills. Millions of pigeons roost nightly at Oakland, and each train passing through Piedmont carries its quota of shot guns, which are almost a superfluity, as the birds are piled so thick on the elder bushes that after nightfall one can step up to them and catch and kill them as fast as necessary, without mutilating them with shot. One gentleman from Westernport Tuesday morning killed eight hundred and thirty-three of the birds, many of which were taken without the aid of a gun.—*Piedmont (W. Va.) Independent.*

DEMOCRATIC MEETINGS AT CUMBERLAND. The congressional campaign in the sixth district was opened in Cumberland last Saturday evening by a very large meeting of democrats, which was addressed by Mr. Walsh, the nominee for Congress, Hon. Montgomery Blair, Fred. J. Nelson and Col. Alfred Spates. The latter gentleman, who is alleged to have been a leader in late dissentions in the democratic party in Allegany, announced that "all divisions and bickerings that have existed in the ranks have been forgotten, and their obliteration will be found recorded in the November ballot-box, in the shape of a heavy and glorious majority for Mr. Walsh."

MR. GEO. W. TAYLOR purchased last week of Mr Samuel Black, of Baltimore city, the Denning Steamboat Wharf farm, on Corsica Creek, for $10,000. This farm is highly improved, with commodious buildings, fine apple and peach orchards and located immediately on salt water, which makes it one of the most desirable locations in the county for a pleasant permanent residence.

EASTON, Talbot co., Md., April 28, 1874.
I have repeatedly used "Hopkins' Antalgic Liniment" in my family for *Neuralgia* and *Tooth-Ache*, and consider it unequaled for these complaints. I believe it is the best remedy for *Neuralgia* in the world. H. P. HOPKINS, President Board School Commissioners for Talbot county, Md.

MARRIED:

In Baltimore, on the 5th instant, at the parsonage of Broadway M. E. Church, by the Rev. Robert N. Baer, JOHN ANTHONY, of Baltimore, to Miss DEBBIE DELINO, of this co.

At New London, Chester co., Pa., Aug. 13, 1874, by Rev. Robert P. DuBois, Presbyterian minister of that place, JAMES E. HARTLEY and EMMA M. LYNCH, both of Kent county.

DIED:

In Chestertown, on the 3rd instant, from the effects of accidental shooting, WM. T. STRADLEY, in the 18th year of his age.

Departed this life at Smithville, on Friday, the 2d inst., of consumption, IDA PARSONS, in the 17th year of her age.

She was cut down by death as the opening flower by the untimely frost, and though we mourn the loss of daughter, sister, companion and friend, yet we sorrow not as those without hope. She placed her trust in her Saviour and was not afraid to meet the fatal summons; and we trust and believe that she is in the bosom of her God; and as she cannot return to us, it only remains for us to prepare to go to her, where parting will be no more. H.

OBITUARY.—Called suddenly from her terrestial home to the realms of glory, on the 30th Sept., JEMIMA MALLALIEU, consort of Joseph Mallalieu, aged 31 years, 2 months and 26 days. She leaves a large circle of relatives and friends to lament her untimely death, but let us mourn no longer, the same providential hand that brought this sad stroke upon us, could have with equal ease retained its power, yet no doubt it is designed for some unseen good, and while we deeply sympathise with the bereaved ones, we can rejoice with the assurance that our loss is her eternal gain.

Then weep no more, ye sorrowing ones,
Tho' love's strongest tie is broken
By the strong grasp of death,
And the brightest prospect dies,
These deep afflictions may be sent
To call the inward mind away
From this world's vain and transient gleam
To dwell in Heaven's undying rays.
No more she'll join our happy throng
Or share our joyous mirth,
For now she lies—still and cold—
Beneath the damp and silent earth;
But her spirit dwells far, far away
From earth, beyond the starry sphere,
In that land of Heavenly beauty,
Which the Christian only shares.
