Let all the world know that Sellers Vermifuge is the best in use! Here is the proof.

LICKING STATION, Ky. Dec 17th, 1846.
Mr. R. E. Sellers:—I have the pleasure to inform you that I have used in my practice your celebrated Vermifuge with the most happy results. I have formerly used Fahnestock's but being persuaded to try yours, I have found it far superior in every respect, and can say without the fear of contradiction, that your Vermifuge possesses more virtue than any I ever used, and most cordially recommend it to the attention of the public. I will state a case where I gave one vial of your Vermifuge: My brother's child was *pining and wasting to a mere skeleton;* in 30 hours after I gave the Vermifuge, the enormous quantity of *upwards of six hundred worms* were passed. The child that was given up as lost, is now well and as hearty as any in the neighborhood
