SATURDAY, DECEMBER 18, 1909.

Bought Hotel.—Mr. Ormond W. Downes has pruchased the Brick Hotel in Denton, managed by Mr. John H. Baggs and the livery stable conducted by Mr. A. E. Copper.

Property Sales.—E. H. Beck, Real Estate Broker, has sold the farm belonging to the estate of George N. Gill, located near Cecilton, Md., containing 350 acres, to Thomas J. Middleton, of Odessa, for $12,100. Also, sold the farm at Back Creek Mill, belonging to Harry E. Joyce, containg 70 acres, to Wm. A. Stubbs, for $3,000.

Purchased 1200 Quail.—The Cecil County Game Protective Association has bought six hundred pairs of partridges for distribution to the farmers through this county. These birds will come from New York State and will be ready for delivery about the first of April next. The local Game Association receives the money from licenses issued to non-resident hunters and this money is applied solely to the purchase of game for stocking purposes.

An 800-Pound Hog.—The hog record for Baltimore county was increased Wednesday, when Mr. P. Martell, of Patapsco Neck, killed a porker that weighed 800 pounds after it was dressed. The head of the mamoth hog weighed 110 pounds each ham weighed 56 pounds and each shoulder tipped the scales to 67.

So husky was the animal that it was necessary to shoot it three times and then knock it in the head before its throat could be cut. Its size prevented scalding in the ordinary tub and hot water had to be poured over it to remove its hair.

Waltzed Fourteen Hours.—After dancing continuously for 14 hours and 41 minutes without nourishment at Butte, Montana, three of the 53 couples that started in a "Marathon" waltz contest to see which pair could waltz the longest were stopped by Mayor Charles H. Nevin on advice of city and county physicians. Six of the women contestants at the end of several hours were taken to a hospital, one suffering of a ruptured blood vessel and another of muscular paralysis. Several other female contestants were exhausted physically, and all but three pairs had ceased the waltzing grind before the officers interferred. These women presented a fearful sight during the last hours of the dancing, with eyes bloodshot and bodies swaying.

Body Found After Two Years.—John Walburt, aged 35 years old, disappeared two years ago last October from his boarding house in Elk Neck after saying good-by to his wife and three children, and since then his whereabouts have been shrouded in mystery. Saturday afternoon two men, while gathering evergreens in the woods at Elk Neck, came across the skeleton of a man partly covered up with leaves. Investigation proved the remains to be those of Walbert. A bullet hole was found in the left side of his skull and alongside of his body was found a pistol. Coroner J. Frank Frazer, of Elkton, who investigated the case, gave a verdict of death by suicide. When Walburt bid his wife good-by it is understood he handed her all his money with the remark that she would not be troubled by him in the future. Walburt was a native of Lancaster, Pa.

More Convenience for Broad Neck.—At a meeting held last Friday evening at the store room of Mr. Thomas W. Trew, at Lankford a telephone company was organized and is to be known as the Lankford Rural Telephone Co. The new line will connect with the Diamond State lines at Fannel's Branch and will run as far as Mr. George Beck's, just below Lankford, with a pay station at the store of Mr. Thos. W. Trew. The company will be run and operated by the following subscribers and organizers: Messrs. Frank Skirven, J. F. Walbert, Thomas W. Trew, Chas. A. Jessop, Walter B. Strong, George Beck, and T. E. W. Crew. Mr. Beck was made pre't, Sect'y and treasurer, and Miss Elizabeth Trew will have charge of the pay station. Work has already begun and it is expected the line will be in operation by Christmas. The company have the privilege of extending the line to Broad Neck and taking on new subscribers.

Washington College Athletics.—The regular meeting of the Washington College Athletic Association was held Tuesday afternoon for the purpose of going over the accounts of the football season and electing officers for 1910.

Manager Brown read his report for the football season of 1909, which was accepted. Then the elections of manager and assistant-manager of the football team and assistant-manager of the tennis team took place.

Harland W. Huston, '11, of Seaford, Del., assistant manager for next season.

I. Franklin Huey, '12, of Seaford, Del., was elected assistant manager.

Henry H. Sasscer 3d, '11, of North Keys, Md., was elected assistant manager of the tennis team.

During the meeting the athletic committee awarded the honorary "W" to the following men: Jump, Maddox, Greenlee, Gilmore, Johnson, Janes, Gibson, Crouch, Meegan, Turner, Noonan, Porter and Bauby.

After the meeting Manager Brown called a meeting of the "W" men for the purposes of electing a captain.

F. Stanely Porter, 1912, of Princess Anne, Md., was elected to lead the team.

Porter has been a regular on the team for the past three years and is considered one of the best punters in the State.
