NEW FIRM!

Jas. W. Chapman. Geo. E. Lambert.

Chapman, Lambert & Co.,

CHESTERTOWN, MD.

Have this day entered into partnership for the prosecution of all the branches of business heretofore conducted by themselves separately, to wit:

CARRIAGE MAKING, General Blacksmithing AND WHEELWRIGHTING.

In the CARRIAGE MAKING we have now and will keep on hand a stock of materials, and, with superior workmen, are prepared to make to order all kinds of carriages, such as BUGGIES, PENN ROCKAWAYS, JAGGERS, &c., as nice, and as cheap as can be had elsewhere.

We have now on hand one of NEW and SECOND-HAND CARS, which will be sold at the lowest price.

In the WHEELWRIGHTING and BLACKSMITHING

we can be surpassed for good work by no shop on the Peninsula. We have skilled workmen, a good stock of iron and a large assortment of seasoned Lumber of all quality, enabling us to manufacture BUGGIES, CARTS, DEARBORNS, PLOWS and CULTIVATORS, Rodgers' superior pattern, and WHEELBARROWS, to do HORSE-SHOEING, MACHINE WORK, and everything else in this department in the very best manner, and at low prices.

We also call the attention to our

Patent Sub-soil Plow,

which can be applied to any two-horse plow at the cost of a sub-soil Plow. We have purchased the exclusive right to manufacture and sell this Attachment in Kent and adjoining counties. For the Second District Farmers will be supplied by HARPER & BRO. at Kennedyville.

We herewith return to the public for the generous patronage received in the past, and pledging our best efforts to merit a share of the public patronage in the future.

We shall expect a service of six months with all our customers to be not only essential to our success, but to the advantage of our patrons.

CHAPMAN, LAMBERT & CO.
