The Kent News.

SATURDAY - - - - JULY 14, 1877.

It is clear enough that Blaine and Butler, and Cameron and Morton, in their failure to control and direct the President, are seeking revenge through an indirect, half-secret poisoning of the party mind, and in so playing their hands as, while not coming into open opposition, to so demoralize the party that, in the State elections of the year, it will either be defeated or suffer such losses as to justify them in calling the Administration a failure, and so break it down and restore themselves to the party leadership. Blaine's personal talk is described as full of almost a venomous hate, and the Gail Hamilton letters are unmistakable interpreters of his policy. Morton's late letter, though nominally friendly to the Administration, was yet full of the same spirit and suggestion, and has probably increased rather than allayed the Republican confusion and discontent.—*Springfield Republican.*

An Item for Scientists.—S. N. Hyde, of Boothby Hill, in digging a well near his dwelling a week or two ago, found, at the depth of twenty-eight feet from the surface of the ground, two pine stumps of what have been quite large trees, a foot at least in diameter. They were in a fair state of preservation, and had apparently been cut off with some dull-edged instrument. Here is a nut for geologists to crack. The location is about three miles from the bay shore and in quite high ground. They evidently belong to a remote historic age.—*Havre de Grace (Md.) Republican.*

What is home without a baby? Many children have coughs and colds just now, and should have the greatest care, and a bottle of Dr Bull's Cough Syrup.

Eight young ladies of Macon, Georgia, graduated in dresses of their own make, and put their "compositions" into type for publication.

Ask Yourself these Questions.

Are you a despondent sufferer from Sick Headache, Habitual Costiveness, Palpitation of the Heart? Have you Dizziness of the Head? Is your Nervous System depressed? Does your Blood circulate badly? Have you a Cough? Low Spirits? Coming up of the food after eating? &c., &c. All these and much more are the direct results of Dyspepsia, Liver Complaint and Indigestion. Green's August Flower is now acknowledged by all druggists to be a positive cure. 2,400,000 bottles were given away in the U. S. through Druggists to the people as a trial. Two doses will satisfy any person of its wonderful quality in curing all forms of Indigestion. Sample bottle 10 cts. Regular size 75 cts. Sold positive by all first class Druggists in U. S.
