SATURDAY - - - - - JULY 21, 1877.

Camp-Meetings.

The indications are that camp-meetings are gradually becoming things of the past. Beckwith's and Shiloh are the only ones to be held in this county this season. In the early days of Methodism these meetings were a means of great spiritual interest to the church and seasons of blessed memory. Our fathers, by whom they were instituted, were plain, practical men who looked after the substance of christianity and drank from the spiritual fountain. They were a plain, unostentatious people, and looked not upon the show and glitter of the world with favor. Of late years camp-meetings have come to be too much mixed up with the world, and money making has become too much an object. The privileges of camps are now sold to the highest bidder; boarding tents are conducted on hotel principles, and for high living and display of edibles, rival many first-class hotels in our principal cities. The gay and the giddy frequent camp-meetings in these days to promenade, and clad in gaudy attire, make a display of their clothes and personal charms.—These and various other causes have tended to destroy the spirituality of the church and render camp meetings unpopular. The number of camps are gradually decreasing year by year, not only here in our own county, but in every section where a few years ago they were so popular, and the time is coming when they will be numbered among the things that used to be.—*Cambridge (Md.) News.*

THE Methodist Episcopal congregation in Easton have bought a new $1,700 pipe organ, eighteen feet tall; and to make room for the organ and choir it will be necessary to alter the interior of the church, by cutting the front gallery out, and re-arranging the vestibule. The improvement, when completed, will make the church one of the prettiest on the Eastern Shore.

How it is Done.

The first object in life with the American people is to "get rich"; the second, how to regain good health. The first can be obtained by energy, honesty and saving; the second, (good health,) by using GREEN'S AUGUST FLOWERS. Should you be a despondent sufferer from any of the effects of Dyspepsia, Liver Complaint, Indigestion, &c., such as Sick Headache, Palpitation of the Heart, Sour Stomach, Habitual Costiveness, Dizziness of the Head, Nervous Prostration, Low Spirits, &c., you need not suffer another day. Two doses of AUGUST FLOWER will relieve you at once. Sample bottles 10 cents. Regular size 75 cents. Positively sold by all first-class Druggists in the U. S.
