POSTSCRIPT

By Sloop Gen. Washington, Capt. Browne

RUMORS AT WASHINGTON.—Our Washington correspondent informs us that on Wednesday, in that city, reports were in circulation that the proposition for a treaty, offered by our Government, through Mr. Trist, to that of Mexico, had entirely failed. Yesterday, however, reports entirely the reverse prevailed there; one, that a treaty had actually been concluded; and another, that the President had received a telegraph-ic despatch stating that negotiations were progressing, with indications of a favorable result. Our correspondent made inquiry in quarters where he was likely, if any where, to elicit the truth, and says that the last mentioned report is the more probable. We are glad to hear it.—*Balt. SICKLY SEASON.—There is not a man, woman, or child, but should take medicine at this season of the year, but more especially at this present time: for there probably were never so many causes existing at one period as there are now, so likely to produce a state of sickness. The repeated changes in the atmosphere, by acting as they do upon the constitution, and quality of the blood itself, give occasion for the most fatal and malignant disorders. The bile becomes (and often without any warning.) in a most acrimonious condition from these repeated changes, and if the stomach and bowels have been neglected previously, the first symptoms require immediate attention. Even those who have a healthy disposition of body, are subject to sickness under these circumstances.—Therefore to prevent any danger, we ought carefully to guard against a costive state of our bowels. Once or twice they should be evacuated in twenty-four hours. There are many causes which produce unhealthy blood: sometimes it may arise from grief, at others when the system is in a state of fullness it can take place from sudden joy; close application to a literary undertaking can produce it—in all cases where many persons have to be seen and spoken to, which producing nervous excitement, is a fertile source of unhealthy blood occasioning that slow nervous fever which has carried off soms of our best men, men martyrs to their reputation, but which a knowledge of the powers of Brandreth's Pills would have prevented. Those who desire to secure their health, under almost any adverse circumstances, can do so by having Brandreth's Pills on hand, and at once resorting to them when the first feelings of disorder take place in their bodies. As this advice is used so will the health be. The will yet be when a man that makes a good medicine shall be honored more than he who is an adept in the art of war.

Beware of Counterfeits!—The following are the duly appointed Agents for the sale of the genuine Brandreth Pills in Kent co.
John Russel, Chester Town;
S. Cooper, Urieville;
S. W. Cole & Co., New Market;
R. L. Rolph, Millington;

Dr. Martin's compound syrup of Wild Cherry.

This Compound is one of the best remedies ever offered the public in Coughs, whether arrising from Colds or the Whooping Cough, or that dreadful malady, Consumption, Few remedies, in the short time it has been before the public, have effected so many cures. The proprietors are every day receiving orders for it at a distance, in which they have been highly gratified to learn its good effects. The Bishop of the Protestant Episcopal Church of Maryland, (the Right Rev'd. W. R. Whittingham) has authorised us to say he has used it in his own person with decided benefit; and our Medical friends do not scruple to recommend it as one of the best remedies in Consumption, Bronchitis, Asthma, &c., which they have ever met with. The following is from a highly respectable physician on Kent Island, whom we made acquainted with the preparation.

Kent Island, June 22, 1847.

Dr. Martin—Dear Sir: Since my return home, I prescribed your Syrup of Wild Cherry, in several cases; one in particular, a case of Asthma of long standing (about 12 years, a neighbor and patient of mine.—Her disease has never been benefitted by any Medicine which she has taken, and for the last year or two she has been confined entirely to the house. I do not know that she has had a good night rest for a long time, but since she commenced taking your medicine (and she has only taken one bottle,) she is enabled to go to bed and sleep well all night. I think the medicine will make a perfect cure her husband, Mr. Earcikson, is a merchant here, and says if you will send him some of it, he will act as your agent.

Yours, SAMUEL HARPER, M D

Price 75 cents per bottle. Around each bottle there is a short treatise on diseases of the Chest.

You will be pleased with it, and soon learn that any one may cure himself by getting a bottle, and taking it according to the directions.

Dr. Martin's Universal Purgative Pills.—They are particularly adapted to all Bilious Diseases, and are at all times a safe and effectual purgative. The following is from a highly respectable physician.

Upper Hunter Creek, Caroline co Md
October 17th, 1846.

And I now take great pleasure in recommending such a pill as yours to the public, as a safe and effectual purgative in all cases where a purgative is necessary.

The veracious testimony attached to the Native Preparation of Capt. Brants Indian Remedies is a sufficient attestation to their merits. The soothing influence of the Pulmonary Balsam over the raging tortures of the CONSUMPTIVE'S COUGH, the cessation of their pains, the increase facility afforded to the expectoration, the absence of those debilitating night sweats altogether produce the consciousness of relief and permanent cure in the patient's mind. Add to these the
