PUBLISHERS AND EDITORS.

SATURDAY, JULY 30, 1910.

WHEAT was quoted at 99½ cents yesterday.

ELKTON's drinking water has been pronounced poor and much sickness prevails. Chestertown went through such an experience last year and our citizens can sympathize with them.

THE odor which greets the Eastern Shoreman upon his arrival in Baltimore harbor is enough to drive all trade away much less other conditions such as frieght rates, etc.

KENT COUNTY is indeed fair to look upon and to the visitor its beauty and richness is doubly impressive. If you want to be convinced of this fact, spend a few days in the hot city or visit elsewhere. There's no place like old Kent.

A PRACTICAL illustration of what the $1 85 tax rate unnecessarily levied by the Barroll faction in Kent this year means, occurred this week. An agriculturist of Kent with money to invest went to Queen Anne's and put $12,000 in land. When asked why he did not buy in Kent his partner replied, *"because of the high tax rate!"*

THE Eastern newspapers are now saying that Bryan has been defeated because he has spoken out in favor of local option, his latest fad. Many other great men have sacrificed office and position for principle and Mr. Bryan can well afford to take the kicks. But he will come again. He is too big a man to remain in the back ground.

WANTED.

A middle age white woman or girl to do general housekeeping. Apply to
je25-4t. Box 293, Chestertown.

Fire Insurance Loss Paid.

With its accustomed promptness and liberality,

The Home Insurance Co. of New York

has paid Williard E. Dodson to the amount of $1062.92 by fire of July 10, 1910.

Under "Home" contracts you are absolutely protected.

"It Looks Just Like NEW"

This was the expression of a lady when she called to get a brooch that she had left here for a new pin.

The brooch was polished and refinished.

The new pin was properly fitted and, as she said, it was really new again, and the charge was ten cents!

How many old pieces of jewelry have you got lying around that a few cents would make as good as new and put into service again?

Collect some of this old jewelry and bring it down and get an estimate on the cost of fully repairing.

Our work is above comparison, our service prompt and our charges reasonable.
