Dr. Martin's compound syrup of Wild Cherry.

This Compound is one of the best remedies ever offered the public in Coughs, whether arising from Colds or the Whooping Cough, or that dreadful malady, Consumption. Few remedies, in the short time it has been before the public, have effected so many cures. The proprietors are every day receiving orders for it at a distance, in which they have been highly gratified to learn its good effects. The Bishop of the Protestant Episcopal Church of Maryland, (the Right Rev'd. W. R. Whittingham) has authorised us to say he has used it in his own person with decided benefit; and our Medical friends do not scruple to recommend it as one of the best remedies in Consumption, Bronchitis, Asthma, &c., which they have ever met with. The following is from a highly respectable physician on Kent Island, whom we made acquainted with the preparation.

Kent Island, June 22, 1847.

Dr. Martin—Dear Sir: Since my return home, I prescribed your Syrup of Wild Cherry, in several cases; one in particular, a case of Asthma of long standing (about 12 years, a neighbor and patient of mine.—Her disease has never been benefitted by any Medicine which she has taken, and for the last year or two she has been confined entirely to the house. I do not know that she has had a good night rest for a long time, but since she commenced taking your medicine (and she has only taken one bottle,) she is enabled to go to bed and sleep well all night I think the medicine will make a perfect cure her husband, Mr. Earcikson, is a merchant here, and says if you will send him some of it, he will act as your agent.

Yours, SAMUEL HARPER, M D

Price 75 cents per bottle. Around each bottle there is a short treatise on diseases of the Chest.

Martin and Whiteley's National Tonic A certain cure for the Ague and Fever. This scientific Compound is the best remedy ever offered the public in this disease. Call on our agents and get one of our Pamphlets, which will be given gratis. You will be pleased with it, and soon learn that any one may cure himself by getting a bottle, and taking it according to the directions.

Dr. Martin's Universal Purgative Pills.—They are particularly adapted to all Bilious Diseases, and are at all times a safe and effectual purgative. The following is from a highly respectable physician.

Upper Hunter Creek, Caroline co Md } October 17th, 1846. }

Dr Martin, Sir:

Having been made acquainted with the composition of our valuable pills, by yourself, 2 or 3 years ago, I used them freely in my practibe with entire success, and shall continue to do so, as I may practice medicine. And I now take great pleasure in recommending such a pill as yours to the public, as a safe and effectual purgative in all cases where a purgative is necessary.

Yours with respect,

The veracious testimony attached to the Native Preparation of Capt. Brants Indian Remedies is a sufficient attestation to their merits. The soothing influence of the Pulmonary Balsam over the raging tortures of the CONSUMPTIVE'S COUGH, the cessation of their pains, the increase facility afforded to the expectoration, the absence of those debilitating night sweats altogether produce the consciousness of relief and permanent cure in the patient's mind. Add to these the
