FEED FAIRFIELD'S BLOOD TONICS
A SEPARATE PREPARATION FOR HORSE, COW, HOG AND POULTRY

GREATEST KNOWN BLOOD PURIFIERS

The working capacity of any horse can be practically doubled by feeding FAIRFIELD'S BLOOD TONIC for HORSES regularly. It exterminates worms, builds up the health and saves feed.

The farmer that sowed wheat all over his farm and expected to reap a crop of wheat, oats and corn from same, would be more foolish than the man who feeds his horse, cow, hog and poultry from the same package of Condition Powder and expects to get results. The intelligent farmer feeds FAIRFIELD'S, because there is a separate preparation for each kind of animal.

THE FAIRFIELD PREPARATIONS ARE SOLD UNDER WRITTEN GUARANTEE BY

A CHASE FOR PURSE NETTER.

Sheriff Medders and Deputy Game Warden Jones have been after Capt. Dixon, of Rock Hall, charged with purse netting off Pool's Island for some weeks. Thursday a merry chase for the captain took place from mouth of Fairlee Creek to Swan Point. When the Sheriff's Betterton boat overtook Dixon with a crew of five men the latter made resistance with oars, pushing the officers' boat away breaking their rudder and causing their captain to fall overboard. While the Sheriff was rescuing his companion Dixon got off and he was chased up to shoal water off Pool's Island where the hunt was called off. Sheriff Medders went to Baltimore yesterday and Commander Howard will be put on the case.

Real Estate Sales.—Mr. Ralph Barnett has sold his cozy home on Queen street to Mr. Norman Jefferson; price, private. Mr. Barnett will erect a new home on Kent Circle as soon as possible.

Mr. Walter Fletcher, who sold his Bowman farm near Fairlee to Mr. Waddell, has purchased of Mr. W. H. Cooper his farm near Melitota for $5500. The farm contains 98 acres.

It is reported that Mr. Wm. G. Smyth has purchased the Blackiston farm near Greys Inn wharf. The farm contains 150 acres. Price private.

Beck & Iveas, real estate brokers, have sold the "Wilson's Point" situate in the First Election District of Kent county and on Sassafras river, belonging to Mr. Jacob C. Staats, of Fairlee, Md., to Mr. Harry L. Woodburn, of Idaho, for $10,000. With the improvements that Mr. Woodburn is going to make the Wilson Point farm will be one of the prettiest water front estates in the state. Mr. Woodburn will occupy the main dwelling and the farm will still be tenanted by Mr. Harry W. Boyles.

J. W. Russell has sold for the Kent County Land Company the Merritt or Scharf farm of 175 acres at $4750, located near Betterton, to W. I. Robinson. Also to Louis L. Smith, the Irving Robinson place of 10 acres, near Lynch.

Summer Boarders.—The summer boarder has gone and Kent county homes and hotels can "take stock." One gentleman near Tolchester says he has entertained 800 boarders during the short time his big house was open, while Hill Top has done equally as well. Some one estimates that more than 4,000 persons have spent their vacations in Kent this year. The average weekly board paid *by those not visiting* is about $5, which, if the above figures are correct, would make a grand total of $20,000 per week and for six weeks, a very short season, makes a grand total of $120,000!

An Odd Sale.—Mr. S. B. Richardson, of Masseys, advertised to sell his fine stock a short time ago intending to remove to Philadelphia. After one horse was sold the sale was called off and S. T. Caldwell purchased the whole stock at private sale. There were horses there ten years old and over which had not been used for six years or more while a number of 5 year old *colts* had never been bridled. Mr. Thos. Darrell will remove from the Huey farm to tenant Mr. R.'s place.
