Thousands Have Kidney Trouble and Never Suspect it.

How To Find Out.

Fill a bottle or common glass with your water and let it stand twenty-four hours; a brick dust sediment, or settling, stringy or milky appearance often indicates an unhealthy condition of the kidneys; too frequent desire to pass it or pain in the back are also symptoms that tell you the kidneys and bladder are out of order and need attention.

What To Do.

There is comfort in the knowledge so often expressed, that Dr. Kilmer's Swamp-Root, the great kidney remedy, fulfills almost every wish in correcting rheumatism, pain in the back, kidneys, liver, bladder and every part of the urinary passage. Corrects inability to hold water and scalding pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to go often through the day, and to get up many times during the night. The mild and immediate effect of **Swamp-Root** is soon realized. It stands the highest because of its remarkable health restoring properties. If you need a medicine you should have the best. Sold by druggists in fifty-cent and one-dollar sizes.

Home of Swamp-Root.

You may have a sample bottle sent free by mail. Address Dr. Kilmer & Co., Binghamton, N. Y. Mention this paper and remember the name, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

McALLISTER'S

DO YOU HAVE HEADACHE?
Eighty per cent. are due to Eye Strain. It may be glasses, not medicine, that you need. Relief will be obtained by a properly fitted pair of glasses.

WHAT GLASSES WILL DO.
If your work or reading tire the eyes, glasses will rest them.
If you are subject to herdaches, the chances are that it is caused by Eye Strain. Special glasses will relieve them.

DON'T wear glasses unless prescribed by a reliable Optometrist.

A REASON WHY.
If you were ill you would call in the best Physician; if you had a law suit, the best Lawyer. If your eyes are bad why not take equal precaution to select a reliable Optician and Optometrist?

WE FIT HUNDREDS
of pair of eyes with glasses and can point to scores of persons whose eye troubles we have relieved entirely or greatly helped.

DEMOCRATIC TICKET

For Representative in the Sixty-Second Congress of the United States from the First Congressional District of Maryland,

HON. J. HARRY COVINGTON,
OF TALBOT COUNTY.

THE GOOD RECORD OF CONGRESSMAN COVINGTON.

In the candidacy of J. Harry Covington for re-election to Congress the voters of the First Congressional district have an opportunity this year to show appreciation of a Congressman who has "made good"

A letter from a staff correspondent of The Sun who has been through the district states that the Republicans have found no flaw in the record of Mr. Covington and have no hook upon which to hang an attack. He has the united support of his party, and his chief problem is to get his vote to the polls. Because of the ease with which the 13,000 negro voters in the district can mark the short ballot this time, it is held to be impossible for Mr. Covington to get as large a plurality as he did two years ago, when untried and without a record, he asked the people for their votes. This conditions make it a real fight in the district, and no man who believes in Democratic doctrine and in the support of a public servant who has played straight and square can afford to withold his vote from Mr. Covington.

As a Congressman he has served his State and his district with credit to himself and to them. While the House of Representatives was in session he lived in Washington. In two years he has missed no important roll call, a record that contrasts strongly with some others who have sat in Congress from Maryland. While he has been fortunate in his district, he has been no mere appropiation-grabbing Congresman. In the House he has shown his ability to debate national issues and has proved himself a man of convictions and capacity. On every vital question that has come before Congress since he took his seat he has been found upon the side of the side of the people. His tariff record is flawless, and his Republican opponents in the district find themselves with no argument against his return save that he is a Democrat.

In Washington Mr. Covington has not been content with the mere performance of his routine duties as Congressman. He has made it his business to know his colleagues from other States, Republicans as well as Democrats, and is popular with them. He is recognized as a live, progressive, aggressive, capable man, whose Democracy while undiluted, is not of the partisan type. Another term will add greatly to his capacity for usefulness to his Styte. Maryland can ill afford to lose the services of a man like Covington—Sun.

Drowned When Carp Bit.—Fred. Dougherty, 30 years old, met death in a peculiar manner at Port Deposit on Saturday. While fishing with Benjamin Taylor off one of the wharves he felt a bite of a large carp and stood upon his feet to meet the pull. While standing braced he turned and went backward off the wharf and did not again come to the surface. His body was recovered after an hour's dredging.

Horse Home.—Samuel J Tilden, the 42-year-old horse belonging to Mr. Joseph Guest, of Chestertown, is to be taken to Baltimore this week and placed in the care of the Animal Refuge Association. Because of advanced age and precarious health, Mr. Guest felt necessity of relieving himself of the care of the horse, and applied to the Baltimore News to find a nice home for him. This is the horse for which Bernheimer, of Baltimore, offered $50 for the privilege of exhibiting him in their store for a week or more, but the offer was refused.

SAVING STEPS.

It is supposed to be a loving consideration where one interferes to save another's steps, as if there was strength laid up, in this way, for future days. It is not so. Saving steps is no favor to anyone unless, of course one is tired out or the burden is great. Activity is health and life. It is only by exercise that the muscles keep firm and true. And motion is the greatest nerve tonic there is We heard some women talking about Mrs. ——, the other day, and how she had come out and got her health back by doing her own work. It set her muscles to going and gave her something to think about. It often happens that indolence and doing nothing seem to make one sound and healthy, but usually it only seems. If one inquires too closely, he will learn that such people are always running after the doctor. They act on the false doctrine that saving one's steps is husbanding one's strength, but we notice that the people who are busiest with their feet and hands, and especially the feet, are the happiest and heartiest people.—*Queenstown News.*

"Two bottles Cured My Rheumatism"

"I have been a sufferer from rheumatism for about two years, and have used many liniments and patent medicines which gave me no relief. A lady friend of mine told me she had used your Liniment and found relief at once. I got two bottles and they cured me. I think it is the best Liniment a person can have in the house. I shall always keep a bottle in my house as long as I can get it."—MRS. E. R. WALLACE, Morrisons, Va.
