"Lame Leg Well"

"I wish to say that I have used Sloan's Liniment on a lame leg that has given me much trouble for six months. It was so bad that I couldn't walk sometimes for a week. I tried doctors' medicine and had a rubber bandage for my leg, and bought everything that I heard of, but they all did me no good, until at last I was persuaded to try Sloan's Liniment. The first application helped it, and in two weeks my leg was well."—A. L. HUNTER, of Hunter, Ala.

BANKS ELECT OFFICERS.

Both the Centreville National and Queen Anne's National Banks, of Centreville, elected directors on Tuesday last for the ensuing year, according to the provisions of their respective charters.

In the Centreville National Bank Mr. Wm. Henry Newnam resigned on account of ill health. Mr. Newnam had been a director in this institution since 1876 and his resignation was a matter of regret to every official of the institution. This bank had but ten directors last year, but its charter provides for a directorate of from five to eleven, and the maximum number was voted in at the election on Tuesday, Messrs. Alfred Green and Charles M. West being the two newly elected directors.

The directorate for this institution for the ensuing year follows: Wm. McKenney, James Brown, Stephen E. Ford, Joseph E. George, E. M. Forman, James E. Kirwan, J. Fletcher Rolph, Wm. R. Wilson, Madison B. Bordley, Chas. M. West, Alfred Green.

Queen Anne's National Bank.

The directorate of this institution was changed from eleven to fourteen and three new directors were in consequence these being Messrs. H. B. W. Mitchell, James T. Bright and J. Lemuel Roberts. The full board for the ensuing year follows:

Wm. J. Price, Wm. D. Smith, Charles R. Walls, J. Louis Rhodes, John R. Cook, J. H. C. Legg, J. Frank Harper, John H. Evans, Charles L. Joslin, Jas. B. Bright, Walter T. Wright, H. B. W. Mitchell, James T. Bright and J. Lemuel Roberts.

SUGGESTS AUTO RULES

Kent Farmer Prepares What He Thinks Are Essential Rules For This County.

1. On discovering an approaching team, the automobilist must stop offside and cover his machine with a tarpaulin painted to correspond with the scenery.

2. In case an automobile makes a team run away, the penalty will be $50 for the first mile, $100 for the second mile, $200 for the third mile, etc, that the team runs, in addition to the usual damages.

3. On approaching a corner where he cannot command a view of the road ahead, the automobilist must stop not less than 100 yards from the turn, toot his horn, ring a bell, fire a revolver, halloo and send up three bombs at interval of five minutes.

4. Automobiles must again be seasonably painted, that is, so they will merge with pastoral ensemble, and not be startling. They must be green in spring, golden in summer, red in autumn and white in winter.

5. Automobiles running on the country roads at night must send up a red rocket every mile, and wait ten minutes for the road to clear. They may then proceeed carefully, blowing their horns and shooting Roman candles.

7. In case a horse will not pass an automobile, notwithstanding the scenic tarpaulin, the automobilist will take the machine apart as rapidly as possible and conceal the parts in the grass.

8. In case an automobile approaches a farmer's house when the roads are dusty, it will slow down to one mile an hour and the chauffer will lay the dust in front of the house with a hand sprinkler worked over the dashboard.

SOLD VOTES TO BUY BREAD

West Union, O., Jan. 8.—Footsore, ragged, half-starved and weary, three middle-aged men, one a cripple, appeared in court yesterday to acknowledge their guilt of vote selling. They had walked by the light of lanterns from Rockville, 25 miles distant to tell Judge Blair that they had sold their votes last November in order to get money to provide food for their families.

The story of the three (John Richter, Page Cook and Asbury Cooper) excited the pity of the Court, who gave them a month to pay $5 fines imposed and disfranchised them for five years.

They had arrived in West Union penniless and, without waiting to beg something to eat, directed their steps to the county jail, which is doing duty as a temporary Courthouse.

The grand jury, after reporting 45 new indictments, recessed until Wednesday to enable the members to attend to private business affairs neglected for several weeks.

Judge Blair believes certain party workers are witholding names from the grand jury. A leader in Monroe township, on two previous visits could give but a few names, reappeared with a list of 25 new ones. All of these men, he says, had been bought by him last fall at a price ranging from $5 to $15.

The probe has finished its third week and the results are a total of 1,641 indictments. Of this number 1,350 have been fined and disfranchised. Ninety men received the customary fines and disfranchisement yesterday.

Town Ordinance.

BE IT ENACTED AND ORDAINED, That ordinance No. 12, passed October 12th, 1910, be and the same is hereby repealed, and be it enacted and ordained that said ordinance be re-enacted so as to read as follows:

Be it enacted and ordained that no person or persons or corporation shall erect any dwelling house or other building or structure within the corporate limits of Chestertown without a metal, slate, tile, or some other non inflammable roof and that no dwelling house or other building or structure shall be erected, or the roof of any house or structure repaired, either in whole or in part, within the corporate limits of Chestertown, with a shingle or any kind of wooden roof, without first having obtained the consent in writing of the Commissioners of Chestertown. And any person or persons or corporation either builder or owner, who shall violate the provisions of this ordinance, or any of its provisions, shall pay a fine of $10.00 for each and every day this ordinance is violated, and the costs of prosecution, such fine and costs to be collected as provided by law.

Approved and signed this second day of January, 1911.
