WHO WILL LONGER HESITATE? Three new certificates of Cures, by DR. CULLEN'S Indian Vegetable Panacea!!!

READ THEM!!

SCROFULA.

Mr. John W. Middleton, No. 85, South Eigth street, gives the following brief history of his case. "I have suffered for many years with a severe Scrofula, effecting my *legs, armr and head;* at times not being able to walk without crutches. I had tried almost every thing, before I commenced with your Panacea, but to little purpose. The *Panacea* has proved itself superior to all other medicines I have taken, as that alone has effected the cure."

Mr. Middleton was offered fifteen dollars a week to remain in the office of a certain Doctor in this city, and reprerent the cure as being effected by his medicine; it is unnecessary to say that Mr. M. spurned the villainous offer with indignation. *Mr. M. can be seen at his own residence.*

Philad. Dec. 18th, '47.

ERYSIPELAS.

Mr. B. J. Kensil, a gentleman well known in this city, gives the following information. "I was troubled with a painful leg for about eighteen months, so distressing at times, as to disqualify me from fotlowing my business, and deprive me of sleep. I was induced by a friend to make use of your Dr. Cullen's Indian Vegetable Panacea. My leg at the time I commenced the Panacea, was much swollen and inflamed, with a large ulcer open. The leg is now entirely well. Mr. Kensill resides at No. 125 Eleventh street.

South Dec. 28, 1847.

SCROFULOUS ULCERS.

Mrs. Mary T. Charles, a highly respectable lady living in Williamstown, New Jersey, had suffered about nine years with ULCERS on the leg. The attending Physicians said nothing but amputation could save her life. Reading the many astonishing cures performed by DR. CULLEN'S Indian Vegetable Panacea, she sent a friend to procure some of the medicine, but unfortunately she missed the place and got into a Doctor's office, who represented his medicine as the Panacea, and of which she took some twenty bottles, without benefit, before finding her mistake. Her friend then called and procured Dr. Cullen's Panacea, and after using it about ten months Mrs. Charlhs thus writes under date of Dec. 20th, 1847:

Messrs. Rowand & Walton—Gentlemen: You request me to inform you how I am getting. I have the pleasure of stating to you that my hesith is good—I have a good appetite, and my leg, which it was thought would have to be taken off, is now entirely well. MARY T. CHARLES.

The above medicine is for sale at the store of Mr. J. L. STAM, Chestertown.

U. S. Hotel.

THIS popular Hotel, situated on Pratt street, immediately opposite the Baltimore and Ohio Railroad Depot, under the proprietorship of Mrs. C. Bradshaw, has recently been considerably enlarged by a handsome five story addition in the rear, which renders it one of the most commodious of the first class Hotels of our city. This addition contains a number of rooms of large size, handsomely furnished and fitted with grates and every convenience for the comfortable accommodation of guests. Attached to it are a number of bath rooms, which are being furnished, and where the luxury of a warm or cold bath can be at any time enjoyed. It is surrounded by a beautiful portico, by which access can be had to the top of the house from the yaad or from either story without entering the interior of the building, and affording, in case of fire, another mode of decendant independent of the inner stairs eases, each story of the portico being brilliantly lighted with gas. The yard will be handsomely ornamented with trees and shrubbery, and will offer a pleasant retreat in warm weather.

One great convenience we noticed throughout the entire Hotel is the introduction of both warm and cold water, by means of pipes, to each story; a convenience which will be greatly appreciated by a travellers, and especially by families.

The whole eatablishment is fitted up in a superior manner, chandeliers being furnished in the latest and most costly style, and the chambers, which are light and airy, being replete with every comfort and convenience. The table always exhibits an abundance of every luxury to be found in our markets, and a number of polite servants are constantly in attendance to supply the wants of the guests.

The contiguity of the United States Hotel to the Railroad depot and steamboat landings renders its location particularly desirable to travellers, who are sure to meet with the utmost courtesy and urbanity, and where in fact they will always feel at home.
